The Devil Wears Black L. J. Shen, 2021-03-09 Maddie Goldbloom stitched up a plan to ensure everything in her life was perfect - from a career in fashion to a chic NYC apartment to a pediatrician boyfriend. When her ex, Chase Black, storms back into her life with an outrageous request, her immediate reaction is to refuse him. But he only wants to fulfill his father's last wish. So even though he's the man who broke her heart, playing his fiancée shouldn't be hard, especially if it means she gets to watch the arrogant devil squirm a bit. What ensues is a chain of events that detonates Maddie's life - and when Chase's walls come down, they both are forced to face reality.--Provided by publisher.

The Con Men Terry Williams, Trevor B. Milton, 2015-11-10 This ethnography of NYC's scammers presents "a revealing portrait of a critical but little known element of city life...timely, incisive, and poignant" (Elijah Anderson, author of *Code of the Street*). This vivid account of hustling in New York City explores the sociological reasons why con artists play their game and the psychological tricks they use to win it. Sociologists Terry Williams and Trevor B. Milton spent years with New York con artists to uncover their secrets. The result is an unprecedented view into how con games operate, whether in back alleys and side streets or in police precincts and Wall Street boiler rooms. Whether it's selling bootleg goods, playing the numbers, squatting rent-free, scamming tourists with bogus stories, selling knockoffs on Canal Street, or crafting Ponzi schemes, con artists use verbal persuasion, physical misdirection, and sheer charm to convince others to do what they want. Williams and Milton examine this act of performance art and find meaning in its methods. Through their sophisticated exploration of the personal experiences and influences that create a successful hustler, they build a portrait of unusual emotional and psychological depth. This engaging ethnography demonstrates how the city's unique urban and social architecture lends itself to the perfect con.

The Consumption of Inequality K. Halnon, 2013-09-18 The fads, fashions, and media in popular consumer culture frequently make recreational and ideological fun of poverty and lower class living. In this book, Halnon delineates how incarceration, segregation, stigmatization, cultural and social consecration, and carnivalization work in the production and consumption of inequality.

All the Gold Stars Rainesford Stauffer, 2023-06-06 From journalist and author of *An Ordinary Age*, an examination, dismantling, and reconstruction of ambition, where burnout is the symptom of our holiest sin: the lonely way we strive.

Ambition—the want, the hunger, the need to achieve—is woven into America’s fabric from the first colonization to capitalism. From our first gold star assignment to acceptance at the “right” college to hustle and grinding our lives, we celebrate our drive, even as we gatekeep who is permitted to strive--and how visibly. Even as we burn out. When we can’t even. When we know: work won’t love us back. All the Gold Stars looks at how the cultural, personal, and societal expectations around ambition are driving the burnout epidemic by funneling our worth into productivity, limiting our imaginations, and pushing us further apart. Through the devastating personal narrative of her own ambition crisis, Stauffer discovers the common factors driving us all, peeling back layers of family expectations, capitalism, and self-esteem that dangerously tie up our worth in our output. Interviews with students, parents, workers, psychologists, labor organizers, and more offer a new definition of ambition and the tools to reframe our lives around true success. All the Gold Stars provides ways for us to reject our current reality and reconceive ambition as more collective, imaginative, and rooted in caring for ourselves and each other.

The Naked Mole Rat and the Conservative Worldview Justin Bond, 2024-11-19 In *The Naked Mole-Rat and the Conservative Worldview*, Justin Bond offers a compelling exploration of conservative philosophy through economics, game theory, and cultural analysis. This thought-provoking work defends the power of ordinary people when guided by the right norms, values, and culture. Bond skillfully weaves together historical events, economic principles, and behavioral studies to illuminate the conservative perspective. Starting with the contrasting paths of the American, French, and English Revolutions, he demonstrates how bottom-up processes consistently outperform top-down systems. Through parables and real-world examples—from the free rider problem to imperfect competition—he reveals why markets, families, and cultural traditions create more stable and prosperous societies than government planning. The book tackles challenging topics like evolutionary psychology, social status competitions, and the impacts of welfare policies. With clarity and intellectual honesty, Bond examines why many conservative solutions work despite their counterintuitive nature, exploring complex topics like the tragedy of the commons, the evolution of cooperation, and the importance of marriage and family structures. Neither dogmatic nor partisan, this book provides an accessible yet sophisticated defense of conservative thought. It's essential reading for anyone interested in understanding why conservative principles emphasize bottom-up solutions and cultural continuity rather than centralized planning. If you enjoyed *The Righteous Mind*, *Basic Economics*, and *The World Until Yesterday*, you'll love *The Naked Mole-Rat and the Conservative Worldview*.

Solidarity Politics for Millennials A. Hancock, 2011-08-29 This book takes the political theory of intersectionality - the most cutting-edge approach to the politics of gender, race, sexual orientation, and class - and introduces it to the general public for the first time.

Fashion, Media, Promotion Jayne Sheridan, 2010-05-10 In Fashion, Media, Promotion: the new black magic Fashion is linked to its communication networks - involving the reader in the process of selling Fashion in the global marketplace. Fashion's ingenuity in adapting to new means of promotion for digital and print media, websites, advertising, cinema, music and television, is celebrated. Hollywood's role in shaping Fashion's influence is assessed through Audrey Hepburn's persuasive iconography and the impact of the most watched movie of the 20th century: Gone with the Wind. Exceptional designers Coco Chanel, Christian Dior, Rei Kawakubo, Mary Quant, Elsa Schiaparelli, Vivienne Westwood are considered, together with extraordinary innovators Paul Smith, Vidal Sassoon, Lynne Franks. Roland Barthes' Fashion System and Mythologies are viewed as cultural and promotional texts, with revealing insights into the technologies which bring Fashion to mass audiences. Marketing and branding successes are reviewed and Fashion's continuing narrative is illustrated with luminous colour images.

Johnny Cash International Michael Hinds, Jonathan Silverman, 2020-06-01 2023 Peggy O'Brien Book Prize, winner Across all imaginable borders, Johnny Cash fans show the appeal of a thoroughly American performer who simultaneously inspires people worldwide. A young Norwegian shows off his Johnny Cash tattoo. A Canadian vlogger sings "I Walk the Line" to camel herders in Egypt's White Desert. A shopkeeper in Northern Ireland plays Cash as his constant soundtrack. A Dutchwoman coordinates the activities of Cash fans worldwide and is subsequently offered the privilege of sleeping in Johnny's bedroom. And on a more global scale, millions of people watch Cash's videos online, then express themselves through commentary and debate. In Johnny Cash International, Hinds and Silverman examine digital and real-world fan communities and the individuals who comprise them, profiling their relationships to Cash and each other. Studying Johnny Cash's international fans and their love for the man reveals new insights about music, fandom, and the United States.

Lived Experiences of Women in Academia Alison L. Black, Susanne Garvis, 2018-04-17 Lived Experiences of Women in Academia shares meaningful stories of women working in the academy, from numerous disciplines, backgrounds and countries, to unveil the complex and distinct dimensionalities they experience in their life and work. Chapters are written using a range of responsive, personal and aesthetic techniques, including metaphor, manifesto and memoir, with reflections inspired by textiles, online blogs and forums, theatre, creative writing, fiction and popular culture. They engage with themes and ideas including gender roles, family-making, work-life balance, motherhood, institutional violence and harassment and the self and identity, revealing how these uniquely manifest for women in academia. This collection takes account of the experiences of female academics from previous decades and the experiences of those to come, as well as those outside the academic system entirely. Lived Experiences of Women in Academia aims to liberate thinking around the life of a female academic through collaborative storytelling and discussion, to encourage new conversations and connections between women in academia across the globe

Your Ultimate Success Plan Tamara Jacobs, 2015-06-20 Somewhere between self-help and self-promotion lies self-awareness and advancement. Your Ultimate Success Plan is a book that provides surprisingly easy-to-apply business strategies in an approachable, actionable, authentic way and encourages you to find your voice and realize your potential. The characters you will meet in each chapter of this book are quite relatable—professional women and men plagued with the Cinderella complex, waiting patiently (and hopelessly) to be rescued; the insecure who subjugate their core identities to get others to like them; and the perennial complainers who merely want to vent, not solve. Do any of these characters sound familiar? If you are one yourself—or if you have to deal with one or more of them, as most of us do—you need this book. With principles based on awareness, forgiveness, strategic application, and follow-through, you can join the thousands of enlightened converts who have participated in Tamara’s workshops and seminars for more than 25 years. Your Ultimate Success Plan will teach you how to: Build your brand Com-YOU-nicate™ your worth while enhancing your self-worth Elevate the status of “You”

Paradoxes of Neoliberalism Elizabeth Bernstein, Janet R Jakobsen, 2021-12-24 From the rise of far-right regimes to the tumult of the COVID-19 pandemic, recent years have brought global upheaval as well as the sedimentation of longstanding social inequalities. Analyzing the complexities of the current political moment in different geographic regions, this book addresses the paradoxical persistence of neoliberal policies and practices, in order to ground the pursuit of a more just world. Engaging theories of decoloniality, racial capitalism, queer materialism, and social reproduction, this book demonstrates the centrality of sexual politics to neoliberalism, including both social relations and statecraft. Drawing on ethnographic case studies, the authors show that gender and sexuality may be the site for policies like those pertaining to sex

trafficking, which bundle together economics and changes to the structure of the state. In other instances, sexual politics are crucial components of policies on issues ranging from the growth of financial services to migration. Tracing the role of sexual politics across different localities and through different political domains, this book delineates the paradoxical assemblage that makes up contemporary neoliberal hegemony. In addition to exploring contemporary social relations of neoliberal governance, exploitation, domination, and exclusion, the authors also consider gender and sexuality as forces that have shaped myriad forms of community-based activism and resistance, including local efforts to pursue new forms of social change. By tracing neoliberal paradoxes across global sites, the book delineates the multiple dimensions of economic and cultural restructuring that have characterized neoliberal regimes and emergent activist responses to them. This innovative analysis of the relationship between gender justice and political economy will appeal to: interdisciplinary scholars in social and cultural studies; legal and political theorists; and the wide range of readers who are concerned with contemporary questions of social justice.

Spirit Possession around the World Joseph P. Laycock,2015-05-26 This book provides a fascinating historical and cultural overview of traditional beliefs about spirit possession and exorcism around the world, from Europe to Asia and the Middle East to the Americas. Possession and exorcism are elements that occur in nearly every culture. Why is belief in spiritual possession so universal? This accessible reference volume offers a broad sample of the traditions and cultures involving possession and exorcism, presenting thoughts on this widely popular topic by experts from the fields of anthropology, sociology, religious studies, history, neuroscience, forensics, and theology. The entries cover the subject of possession and exorcism across all inhabited continents, from the Bronze Age to the 21st century, providing information that is accessible and intriguing as well as scholarly and authoritative. Beyond addressing the Christian tradition of possession and exorcism, Pentecostalism, and New Age and less widely known Western concepts about possession and exorcism, this work examines ideas about possession and exorcism from other world religions and the indigenous cultures of Asia, Africa, and the Americas. It also covers historic cases of possession and presents biographies of famous theologians, exorcists, and possessed individuals. High school and undergraduate readers will learn about world history, religious and spiritual traditions, and world cultures through a topic that figures prominently in popular culture and modern entertainment. Bibliographies that accompany each entry as well as a selected, general bibliography serve to help students locate print and electronic sources of additional information.
