Alan Watts

In My Own Way Alan Watts, 2011-02-09 In this new edition of his acclaimed autobiography — long out of print and rare until now — Alan Watts tracks his spiritual and philosophical evolution. A child of religious conservatives in rural England, he went on to become a freewheeling spiritual teacher who challenged Westerners to defy convention and think for themselves. Watts's portrait of himself shows that he was a philosophical renegade from early on in his intellectual life. Self-taught in many areas, he came to Buddhism through the teachings of Christmas Humphreys and D. T. Suzuki. Told in a nonlinear style, *In My Own Way* combines Watts's brand of unconventional philosophy with wry observations on Western culture and often hilarious accounts of gurus, celebrities, and psychedelic drug experiences. A charming foreword by Watts's father sets the tone of this warm, funny, and beautifully written story. Watts encouraged readers to “follow your own weird” — something he always did himself, as this remarkable account of his life shows.

The Collected Letters of Alan Watts Alan Watts, Anne Watts, 2018-12-11 Philosopher, author, and lecturer Alan Watts (1915–1973) popularized Zen Buddhism and other Eastern philosophies for the counterculture of the 1960s. Today, new generations are finding his writings and lectures online, while faithful followers worldwide continue to be enlightened by his teachings. *The Collected Letters of Alan Watts* reveals the remarkable arc of Watts's colorful and controversial life, from his school days in England to his priesthood in the Anglican Church as chaplain of Northwestern University to his alternative lifestyle and experimentation with LSD in the heyday of the late sixties. His engaging letters cover a vast range of subject matter, with recipients ranging from High Church clergy to high priests of psychedelics, government officials, publishers, critics, family, and fans. They include C. G. Jung, Henry Miller, Gary Snyder, Aldous Huxley, Reinhold Niebuhr, Timothy Leary, Joseph Campbell, and James Hillman. Watts's letters were curated by two of his daughters, Joan Watts and Anne Watts, who have added rich, behind-the-scenes biographical commentary. Edited by Joan Watts & Anne Watts

There Is Never Anything but the Present Alan Watts, 2021-12-07 A giftable collection of inspiring, uplifting, and enlightening words of wisdom from one of the most important voices in spirituality and self-help The perfect guide for a course correction in life. —Deepak Chopra Here is an indispensable treasury of uplifting and enlightening quotations for guidance, support, and spiritual sustenance. In his classic works of philosophy, Alan Watts shared timeless wisdom with readers worldwide. In this book are some of his most thought-provoking words to live by, to reflect upon, and to read for

inspiration, knowledge, and growth

Just So Alan Watts, 2020-02-25 From the luminary and prophetic Alan Watts, an invitation to embrace pleasure, play, and connection in our ever-evolving world “If you were God,” asked Alan Watts, “what kind of universe would you create? A perfect one free of suffering and drama? Or one filled with surprise and delight?” From the 1950s to the 1970s, Eastern spiritual philosophies sparked in the West profound new ways of perceiving ourselves, the mysteries of reality, and the unfolding destiny of humanity. And through his live gatherings and radio talks, Alan Watts was at the forefront—igniting astonishing insights into who we are and where we're heading. Based on a legendary series of seminars, *Just So* illuminates three fascinating domains: money versus real wealth, the spirituality of a deeper materialism, and how technology and spirituality are both guiding us to ever greater interconnection in the universe that we find ourselves in. Along the way, readers will explore many other themes, at turns humorous, prescient, and more relevant today than ever. What unfolds is a liberating view of humanity that arises from possibility and the unpredictable—perfect and “just so,” not in spite of its messy imperfections, but because of them. Book highlights: 1. Going With - Theology and the Laws of Nature - Thinking Makes It So - Everything Is Context - Going With - What We Mean by Intelligence - Ecological Awareness - Of Gods and Puppets 2. Civilizing Technology - The Problem of Abstractions - We Need a New Analogy - Working with the Field of Forces - Trust - Synergy and the One World Town - Privacy, Artificiality, and the Self - Groups and Crowds 3. Money and Materialism - The Material Is the Spiritual - Money and the Good Life - True Materialism - Wiggles, Seriousness, and the Fear of Pleasure - The Failure of Money and Technology - The Problem of Guilt 4. In Praise of Swinging - Rigidity and Identity - Now Is Where the World Begins - Are We Going to Make It? - Polarization and Contrast - No Escape 5. What Is So of Itself - Spontaneity and the Unborn Mind - Relaxation, Religion, and Rituals - Saving the World

This Is It Alan Watts, 1973-03-12 Six revolutionary essays from the perfect guide for a course correction in life, away from materialism and its empty promise (Deepak Chopra), exploring the relationship between spiritual experience and ordinary life—and the need for them to coexist within each of us. With essays on “cosmic consciousness” (including Alan Watts’ account of his own ventures into this inward realm); the paradoxes of self-consciousness; LSD and consciousness; and the false opposition of spirit and matter, *This Is It* and *Other Essays on Zen and Spiritual Experience* is a truly mind-opening collection.

The Wisdom of Insecurity Alan Watts, 2011-02-08 An acclaimed philosopher shows us how—in an age of unprecedented anxiety—we can find fulfillment by embracing the present and living more fully in the now. He is the perfect guide for a course correction in life (from the Introduction by Deepak Chopra). The brain can only assume its proper behavior when consciousness is doing what it is designed for: not writhing and whirling to get out of present experience, but being effortlessly aware of it. Alan Watts draws on the wisdom of Eastern philosophy and religion in this timeless and classic guide

to living a more fulfilling life. His central insight is more relevant now than ever: when we spend all of our time worrying about the future and lamenting the past, we are unable to enjoy the present moment—the only one we are actually able to inhabit. Watts offers the liberating message that true certitude and security come only from understanding that impermanence and insecurity are the essence of our existence. He highlights the futility of endlessly chasing moving goalposts, whether they consist of financial success, stability, or escape from pain, and shows that it is only by acknowledging what we do not know that we can learn anything truly worth knowing. In *The Wisdom of Insecurity*, Watts explains complex concepts in beautifully simple terms, making this the kind of book you can return to again and again for comfort and insight in challenging times. “Perhaps the foremost interpreter of Eastern disciplines for the contemporary West, Watts had the rare gift of ‘writing beautifully the unwritable.’” —Los Angeles Times

The Essential Alan Watts Alan Watts, 1977

The Essence of Alan Watts: Meditation Alan Watts, 1974

Alan Watts - In the Academy Alan Watts, 2017-04-25 Explores language and mysticism, Buddhism and Zen, Christianity, comparative religion, psychedelics, and psychology and psychotherapy. To commemorate the 2015 centenary of the birth of Alan Watts (1915–1973), Peter J. Columbus and Donadrian L. Rice have assembled a much-needed collection of Watts’s scholarly essays and lectures. Compiled from professional journals, monographs, scholarly books, conferences, and symposia proceedings, the volume sheds valuable light on the developmental arc of Watts’s thinking about language and mysticism, Buddhism and Zen, Christianity, comparative religion, psychedelics, and psychology and psychotherapy. This definitive collection challenges Watts’s reputation as a “popularizer” or “philosophical entertainer,” revealing his concerns to be much more expansive and transdisciplinary than is suggested by the parochial “Zen Buddhist” label commonly affixed to his writings. The editors’ authoritative introduction elucidates contemporary perspectives on Watts’s life and work, and supports a bold rethinking of his contributions to psychology, philosophy, and religion. “This excellent volume is important in establishing Watts as perhaps the most important Western thinker and writer on Eastern religions and philosophy, as well as comparative religions, of the twentieth century.” —John W. Traphagan, author of *Rethinking Autonomy: A Critique of Principlism in Biomedical Ethics*

Alan Watts—Here and Now Peter J. Columbus, Donadrian L. Rice, 2012-06-01 Considers the contributions and contemporary significance of Alan Watts.

The Essence of Alan Watts: Time Alan Watts,1974

The Book Alan Watts,1989-08-28 A revelatory primer on what it means to be human, from the perfect guide for a course

correction in life (Deepak Chopra)—and a mind-opening manual of initiation into the central mystery of existence. At the root of human conflict is our fundamental misunderstanding of who we are. The illusion that we are isolated beings, unconnected to the rest of the universe, has led us to view the “outside” world with hostility, and has fueled our misuse of technology and our violent and hostile subjugation of the natural world. To help us understand that the self is in fact the root and ground of the universe, Watts has crafted a revelatory primer on what it means to be human—and a mind-opening manual of initiation into the central mystery of existence. In *The Book*, Alan Watts provides us with a much-needed answer to the problem of personal identity, distilling and adapting the Hindu philosophy of Vedanta.
