## Judy Polumbaum

**All Available Light** Judy Polumbaum,2021-06-18 As a young journalist during the Red Scare of the early 1950s, Ted Polumbaum defied Congressional inquisitors and suffered the usual consequences--he was fired, blacklisted, and trailed by the FBI. Yet he survived with his integrity intact to build a new career as an intrepid photojournalist, covering some of the most critical struggles of the latter half of the 20th century. In this biography, written two decades after his death, his daughter introduces this quirky, accomplished, politically engaged family man of the Greatest Generation, who was both of and ahead of his times. Polumbaum's fortitude, humor and optimism emerge, animated by the conscience of principled dissidence and social activism. His photography, with its unpretentious portrayals of the famous, the infamous, and the unsung heroes of humanity around the world, reflects his courage in the face of mass hysteria and his lifelong commitment to social justice.
