Commedia Della Morte Chelsea Quinn Yarbro,2012-03-13 Chelsea Quinn Yarbro's modern classic, Hotel Transylvania, introduced the Count Saint-Germain and his beloved, Madelaine de Montalia. The Count is one of the most critically acclaimed vampire characters ever created, with dedicated fans who have followed his adventures through more than twenty novels, dozens of short stories, and thousands of years of human history. But of all the women the Count has loved, the most popular is the beautiful, ever-youthful Madelaine. In *Commedia della Morte*, Saint-Germain learns that Madelaine—now a vampire—has been arrested by France's Revolutionary Tribunal and is soon to lose her head. Desperate to rescue her, the Count sneaks into France with a troupe of actors led by the glamorous Photine, who soon becomes Saint-Germain's mistress. Photine's teenage son, driven by jealousy and revolutionary fervor, betrays the Count. Now Saint-Germain's life, as well as Madelaine's, hangs in the balance, in this darkly romantic historical vampire novel.

States of Grace Chelsea Quinn Yarbro,2005-09 It is the time of the Reformation. Henry VIII's England moves toward schism; Luther's precepts spread through Europe even as the Inquisition strives to wipe out any hint of heresy. Franzicco Ragoczy di Santo-Germano-the vampire Saint-Germain-is a successful merchant based in Venice. His lavish lifestyle and rumored cache of magnificent jewels have attracted the wrong sort of attention, and without Santo-Germano's noble-and papal-connections, he might be imprisoned, his property confiscated. Also under surveillance is his mistress, the lovely and talented musician Pier-Ariana Salier. In the Spanish Netherlands, Ragoczy's publishing business is being investigated by the Inquisition. Coming to the aid of his employees, Ragoczy becomes tarred with the brush of heresy, as does Erneste van Amsteljaxter, a writer whose intelligence Ragoczy finds attractive. Ragoczy does what he can to help her, but must return to Venice when he learns that his fortune there has been embezzled away and that Pier-Ariana has disappeared. In Venice, things are worse than Santo-Germano expected. Not only has his money disappeared, so has a young man who had been spying on the vampire and his mistress. Santo-Germano is accused of kidnapping and perhaps murder. Another spy has discovered Santo-Germano's true nature and intends to kill him before he can feast on all of Venice!

Postwar Italian Art History Today Sharon Hecker,Marin Sullivan,2018-06-28 Postwar Italian Art History Today brings fresh critical consideration to the parameters and impact of Italian art and visual culture studies of the past several decades. Taking its cue from the thirty-year anniversary of curator Germano Celant's landmark exhibition at PS1 in New York – The Knot – this volume presents innovative case studies and emphasizes new methodologies deployed in the study of postwar Italian art as a means to evaluate the current state of the field. Included are fifteen essays that each examine, from a different viewpoint, the issues, concerns, and questions driving postwar Italian art history. The editors and contributors call for a systematic reconsideration of the artistic origins of postwar Italian art, the terminology that is used to describe the work produced, and key personalities and institutions that promoted and supported the development and marketing of this art in Italy and abroad.

Gli Insegnamenti Segreti di tutte le epoche (Tradotto) Manly P. Hall,2021-08-03 Come nessun altro libro, il leggendario Gli Insegnamenti Segreti di tutte le epoche di Manly P. Hall è un codice delle tradizioni esoteriche e dell'occulto antico. Gli studenti di pratiche arcane, saggezza nascosta e simboli antichi fanno tesoro dell'opera magna di Hall al di sopra di tutte le altre opere. Attraverso la sua meticolosa esplorazione delle scuole occulte attraverso i secoli, l'autore evidenzia la comune filosofia esoterica che è stata tramandata da civiltà a civiltà fin dall'antichità. Mentre Hall esplora le società segrete dal passato al presente, i simboli antichi improvvisamente hanno un senso, le leggende popolari assumono una nuova dimensione e i misteri storici iniziano a rivelare i loro segreti. In quest'opera monumentale, Hall copre argomenti come Alchimia, Criptologia, Massoneria, Gemmologia, Cabala, Cristianesimo mistico, Nicholas Flammel, Filosofia Pitagorica, Rosacroce e altre società segrete, Tarocchi, la leggenda Hiramica, le piramidi, la Qabbalah, l'Albero delle Sephiroth, lo Zodiaco, l'identità di William Shakespeare, gli insegnamenti di Thoth Hermes Trismegisto, tra gli altri. A differenza degli occultisti moderni, l'autore non evita di esporre la grande influenza della massoneria e di altre società segrete sul mondo

attuale. Inoltre, non evita di spiegare come l'occultismo possa essere usato sia per scopi nefasti attraverso la demonologia e la magia nera, sia per il miglioramento del genere umano. Era evidente che il materialismo aveva il completo controllo della struttura economica, il cui obiettivo finale era che l'individuo diventasse parte di un sistema che forniva sicurezza economica a spese dell'anima, della mente e del corpo umano. - Manly P. Hall, Gli Insegnamenti Segreti di tutte le epoche
