The Routledge Companion to Jazz and Gender James Reddan, Monika Herzig, Michael Kahr, 2022-08-19 The Routledge Companion to Jazz and Gender identifies, defines, and interrogates the construct of gender in all forms of jazz, jazz culture, and education, shaping and transforming the conversation in response to changing cultural and societal norms across the globe. Such interrogation requires consideration of gender from multiple viewpoints, from scholars and artists at various points in their careers. This edited collection of 38 essays gathers the diverse perspectives of contributors from four continents, exploring the nuanced (and at times controversial) construct of gender as it relates to jazz music, in the past and present, in four parts: Historical Perspectives Identity and Culture Society and Education Policy and Advocacy Acknowledging the art form's troubled relationship with gender, contributors seek to define the construct to include all possible definitions—not only female and male—without binary limitations, contextualizing gender and jazz in both place and time. As gender identity becomes an increasingly important consideration in both education and scholarship, The Routledge Companion to Jazz and Gender provides a broad and inclusive resource of research for the academic community, addressing an urgent need to reconcile the construct of gender in jazz in all its forms.

House of Hits Andy Bradley, Roger Wood, 2010-03-01 Founded in a working-class neighborhood in southeast Houston in 1941, Gold Star/SugarHill Recording Studios is a major independent studio that has produced a multitude of influential hit records in an astonishingly diverse range of genres. Its roster of recorded musicians includes Lightnin' Hopkins, George Jones, Willie Nelson, Bobby Blue Bland, Junior Parker, Clifton Chenier, Sir Douglas Quintet, 13th Floor Elevators, Freddy Fender, Kinky Friedman, Ray Benson, Guy Clark, Lucinda Williams, Beyoncé and Destiny's Child, and many, many more. In House of Hits, Andy Bradley and Roger Wood chronicle the fascinating history of Gold Star/SugarHill, telling a story that effectively covers the postwar popular music industry. They describe how Houston's lack of zoning ordinances allowed founder Bill Quinn's house studio to grow into a large studio complex, just as SugarHill's willingness to transcend musical boundaries transformed it into one of the most storied recording enterprises in America. The authors offer behind-the-scenes accounts of numerous hit recordings, spiced with anecdotes from studio insiders and musicians who recorded at

SugarHill. Bradley and Wood also place significant emphasis on the role of technology in shaping the music and the evolution of the music business. They include in-depth biographies of regional stars and analysis of the various styles of music they represent, as well as a list of all of Gold Star/SugarHill's recordings that made the Billboard charts and extensive selected historical discographies of the studio's recordings.
