

Iglesia Manantiales De Boadilla Del Monte

CH Cherryholmes

Viaje al corazón de España Fernando García de Cortázar, 2018-07-02 Fernando García de Cortázar, con un enorme bagaje como historiador y viajero por España, acomete aquí su obra más ambiciosa: un viaje sentimental al corazón de la nación a la que ha dedicado todas sus energías y su decidido compromiso intelectual, un viaje también contra el olvido en horas de desaliento colectivo. A lo largo de unas 900 páginas el autor recorre la geografía de España en busca de lo más bello que ha dado la naturaleza y de lo más original que ha desarrollado el hombre en su lento caminar por los siglos, en sus momentos de esplendor o desasosiego. Nunca antes un solo autor había acometido semejante tarea y la había culminado con tal éxito. Una obra excepcional, que pretende servir de guía para recorrer la geografía española con el acompañamiento de un notable escritor que, gracias a su sensibilidad literaria, nos hace gozar al mismo tiempo de rincones inéditos o bellezas ocultas y de encuentros inesperados en los caminos más trillados. Este libro se completa con numerosas ilustraciones, de característico estilo abocetado, que, al igual que el relato que vienen a completar, son una mezcla equilibrada de lugares ineludibles y rincones más desconocidos. También, abundando en la parte gráfica de la obra, un experimentado cartógrafo e ilustrador ha elaborado un espectacular mapa de gran formato que recoge por medio de iconos cincuenta de las principales maravillas de España
