My Name Is Red Orhan Pamuk, 2011-08-05 ** ORDER NIGHTS OF PLAGUE, THE NEW NOVEL FROM ORHAN PAMUK ** Winner of the Nobel Prize for Literature Winner of the International IMPAC Dublin Award 'Wonderful' The Spectator 'Magnificent' Observer 'Sumptuous' New Yorker 'Unforgettable' Guardian *My Name is Red* is an unforgettable murder mystery, set amid the splendour of sixteenth century Istanbul, from the Nobel prizewinning author In the late 1590s, the Sultan secretly commissions a great book: a celebration of his life and his empire, to be illuminated by the best artists of the day - in the European manner. At a time of violent fundamentalism, however, this is a dangerous proposition. Even the illustrious circle of artists are not allowed to know for whom they are working. But when one of the miniaturists is murdered, their Master has to seek outside help. Did the dead painter fall victim to professional rivalry, romantic jealousy or religious terror? With the Sultan demanding an answer within three days, perhaps the clue lies somewhere in the half-finished pictures . . . Orhan Pamuk is one of the world's leading contemporary novelists and in *My Name is Red*, he fashioned an unforgettable tale of suspense, and an artful meditation on love and deception.

My Name Is Red, 2010 From one of the most important and acclaimed writers at work today, a thrilling new novel—part murder mystery, part love story—set amid the perils of religious repression in sixteenth-century Istanbul. When the Sultan commissions a great book to celebrate his royal self and his extensive dominion, he directs Enishte Effendi to assemble a cadre of the most acclaimed artists in the land. Their task: to illuminate the work in the European style. But because figurative art can be deemed an affront to Islam, this commission is a dangerous proposition indeed, and no one in the elite circle can know the full scope or nature of the project. Panic erupts when one of the chosen miniaturists disappears, and the Sultan demands answers within three days. The only clue to the mystery—or crime?—lies in the half-finished illuminations themselves. Has an avenging angel discovered the blasphemous work? Or is a jealous contender for the hand of Enishte's ravishing daughter, the incomparable Shekure, somehow to blame? Orhan Pamuk's *My Name Is Red* is at once a fantasy and a philosophical puzzle, a kaleidoscopic journey to the intersection of art, religion, love, sex, and power.

Unreliability of history within the novel "My Name is Red" by Pamuk Ghada Abu-Enein, 2019-07-05 Research Paper (postgraduate) from the year 2016 in the subject Literature - Comparative Literature, grade: 90, , course: Literary Criticism, language: English, abstract: In this paper the novel *My Name Is Red* by the Turkish writer Pamuk was analyzed all the while clarifying the implementation of historiography (the usage of historical events under the influence of a certain narrator) which stemmed from the postmodernist trend followed in the novel, touching on its effect on major themes developed in the novel. The paper exposed how in the novel the concept of historiography is brilliantly used depending on an intricately woven web of characters that directly expose their inner thoughts to the reader. Each one of the different narrators in the novel contributed to the formation of the historical events depicted in it, exposing wishes on the mind of the author to be at peace with those distinguishing differences forming each civilization; as those characters gave a personalized view point, they also represented an exploring effort intended by Pamuk to shed light on differences between east and west, with the art of miniature painting as the differentiator.
