You Sound Just Like... Sheree Homer,2022-12-20 Unique among the various types of impersonation entertainers, a tribute artist concentrates on only a few of a famous singer's notable characteristics in order to effectively evoke that performer through song. This book explores the elements of tribute performance through case studies of performers who pay homage to legendary singers like Elvis Presley, Buddy Holly, Johnny Cash and Jerry Lee Lewis. Drawing on original interviews with tribute artists, biographical profiles chronicle performers' early careers, musical influences and their lives on the road. A few performers even reflect on their friendships with musical titans like Fats Domino, Jerry Lee Lewis and The Crickets. Forty tribute artists are profiled, including winners of the Ultimate Elvis Tribute Artist Contest, Million Dollar Quartet alumni and several European performers.

Hip Hop Headphones James Braxton Peterson,2016-08-25 Hip Hop Headphones is a crash course in Hip Hop culture.

Featuring definitions, lectures, academic essays, and other scholarly discussions and resources, *Hip Hop Headphones* documents the scholarship of Dr. James B. Peterson, founder of Hip Hop Scholars-an organization devoted to developing the educational potential of Hip Hop. Defining Hip Hop from multi-disciplinary perspectives that embrace the elemental forms of Hip Hop Culture (b-boying, dj-ing, rapping, and graffiti art), *Hip Hop Headphones* is the definitive guide to how Hip Hop culture can be used in the classroom to engage and inspire students.

40 Days of Postive Inspiration Kateria Jenkins, 2016-06-30 This book was written to rejuvenate others and take others on a 40 Day journey of Inspiration. There is an awesome quote Dig within. Within is the wellspring of good; and it is always ready to bubble up, if you just dig. - Marcus Aurelius. Therefore if you chase positive things in life your negative will disappear.

Schooling Hip-Hop Marc Lamont Hill, Emery Petchauer, 2015-04-26 This book brings together veteran and emerging scholars from a variety of fields to chart new territory for hip-hop based education. Looking beyond rap music and the English language arts classroom, innovative chapters unpack the theory and practice of hip-hop based education in science, social studies, college composition, teacher education, and other fields. Authors consider not only the curricular aspects of hip-hop but also how its deeper aesthetics such as improvisational freestyling and competitive battling can shape teaching and learning in both secondary and higher education classrooms. *Schooling Hip-Hop* will spark new and creative uses of hip-hop culture in a variety of educational settings. Contributors: Jacqueline Celemencki, Christopher Emdin, H. Bernard Hall, Decoteau J. Irby, Bronwen Low, Derek Pardue, James Braxton Peterson, David Stovall, Eloise Tan, and Joycelyn A. Wilson "Hip hop has come of age on the broader social and cultural scene. However, it is still in its infancy in the academy and school classrooms. Hill and Petchauer have assembled a powerful group of scholars who provide elegantly theoretical and practically significant ways to consider hip hop as an important pedagogical strategy. This volume is a wonderful reminder that 'Stakes is high!'" —Gloria Ladson-Billings, Kellner Family Chair in Urban Education, University of Wisconsin-Madison "This book is a bold, ambitious attempt to chart new intellectual, theoretical, and pedagogical directions for Hip-Hop Based Education. Hill and Petchauer are to be commended for pushing the envelope and stepping up to the challenge of taking HHBE to the next level." —Geneva Smitherman, University Distinguished Professor Emerita, English and African American and African Studies, Michigan State University

Bartlett's Familiar Black Quotations Retha Powers, 2025-05-01 A comprehensive, all-new collection bringing together the most thoughtful, inspiring, and wisest voices from the Black diaspora across history. *Bartlett's Familiar Black Quotations* paints a rich canvas of Black history through time. Five thousand quotes are culled from the time of Ancient Egypt through American slavery, Jim Crow, the Civil Rights Era, Apartheid, to the present day. With a foreword by Henry Louis Gates, Jr. and passages from authors, artists, scientists, philosophers, theologians, activists, politicians, and many others, *Bartlett's*

Familiar Black Quotations will appeal not only to quote aficionados and researchers, but also to history buffs. Aesop's Fables and the Holy Bible are in the same company as Nelson Mandela and President Obama; Maya Angelou and Toni Morrison; Bob Marley and Jay-Z. A wonderful reference tool and gift, Bartlett's Familiar Black Quotations is sure to follow in the footsteps of Bartlett's Familiar Quotations, becoming a beloved authority.

And I Quote, Revised Edition Ashton Applewhite, Tripp Evans, Andrew Frothingham, 2003-03-19 The popular guide to quotable quotes returns in a totally revised and updated edition including all-new material.

Transcendental Wordplay Michael West, 2000 Throughout the first half of the nineteenth century, America was captivated by a muddled notion of etymology. New England Transcendentalism was only one outcropping of a nationwide movement in which schoolmasters across small-town America taught students the roots of words in ways that dramatized religious issues and sparked wordplay. Shaped by this ferment, our major romantic authors shared the sensibility that Friedrich Schlegel linked to punning and christened romantic irony. Notable punsters or etymologists all, they gleefully set up as sages, creating jocular masterpieces from their zest for oracular wordplay. Their search for a primal language lurking beneath all natural languages provided them with something like a secret language that encodes their meanings. To fathom their essentially comic masterpieces we must decipher it. Interpreting Thoreau as an ironic moralist, satirist, and social critic rather than a nature-loving mystic, Transcendental Wordplay suggests that the major American Romantics shared a surprising conservatism. In this award-winning study, Professor West rescues the pun from critical contempt and allows readers to enjoy it as a serious form of American humor.

Our Bravest Young Men, Vol. I Corinne McConnell Brulé, 2012-11-08 This is one volume of a two-volume book. This novel is a political statement set within a story in the Vietnam War. The purpose of this book is to entertain, to educate and to give a message about the Vietnam War. The author has kept historical accuracy and realism to make this book meaningful. Inspiration for writing this book came from the author's experience of living in America with the Vietnam War and from the author's recollections of Soldiers who were drafted and who fought in the war. This book contains historic and well-known quotations about war that have been used in the dialogue. Some battlefield-action has been added so the reader has a balance of action scenes and political discussions on the war.

The Girl Singer Marianne Worthington, 2021-11-02 Feminism, Appalachian culture, and country music: three threads beautifully woven into one in Marianne Worthington's poetry collection *The Girl Singer*. The poet grew up in urban Appalachia, listening to country and folk music and letting it live within her. The speakers in *The Girl Singer* offer lyrical celebrations of the women who performed that music and recite their stories anew. The girl singer is also the poet—one who traces loss through turning seasons, monitors the patterns of neighborhood wildlife, and creates a sisterhood for singing old songs in new ways. *The Girl Singer* is part family history, part music, and part nature walk. Worthington's attentive eye and

heart are reflected in the starkly striking and painful images she paints in the poems. Every poem, whether describing a connection with Appalachian wildlife, retelling the lyrics of a classic country tune, reflecting on the speaker's bloodline, or giving voice to famous musical figures of the past, strikes a powerful chord.

When Collaboration Mirrors the Trinity Avery Stafford, 2021-11-30 “That they all may be one” was Jesus’ first-century prayer. With mind and emotions set towards Golgotha, he poured out his heart to the Father. But what is our twenty-first-century reality? Local churches are siloed. Pastors do not know one another and rarely work together. Christians drive by church buildings on their way to Sunday worship and seldom pray for one another. Vitriolic disunity spews across social media in front of an onlooking world. Our culture sees our fractured reality and increasingly dismisses Christianity as a viable option for their lives. And it is time for believers to recognize that it is our fault. But there is hope! When Collaboration Mirrors the Trinity is a timely invitation for local churches to make the practice of unity our new normal. Avery Stafford presents a biblical model to actualize this invitation. He details four rhythms that mirror the loving community of the Triune God. Each one can help pastors, lay leaders, and faith communities deepen their resolve to bless the world through effective gospel partnerships. This work is a bold call for believers to discover an untapped resource for the gospel—the believers who attend other churches in their city.

The Red and the Black Robert Miklitsch, 2016-12-07 Critical wisdom has it that we said a long goodbye to film noir in the 1950s. Robert Miklitsch begs to differ. Pursuing leads down the back streets and alleyways of cultural history, *The Red and the Black* proposes that the received rise-and-fall narrative about the genre radically undervalues the formal and thematic

complexity of '50s noir and the dynamic segue it effected between the spectacular expressionism of '40s noir and early, modernist neo-noir. Mixing scholarship with a fan's devotion to the crooked roads of critique, Miklitsch autopsies marquee films like D.O.A., Niagara, and Kiss Me Deadly plus a number of lesser-known classics. Throughout, he addresses the social and technological factors that dealt deuce after deuce to the genre--its celebrated style threatened by new media and technologies such as TV and 3-D, color and widescreen, its born losers replaced like zombies by All-American heroes, the nation rocked by the red menace and nightmares of nuclear annihilation. But against all odds, the author argues, inventive filmmakers continued to make formally daring and socially compelling pictures that remain surprisingly, startlingly alive. Cutting-edge and entertaining, *The Red and the Black* reconsiders a lost period in the history of American movies.

Right here, we have countless book **Quotes From James Brown** and collections to check out. We additionally allow variant types and furthermore type of the books to browse. The tolerable book, fiction, history, novel, scientific research, as skillfully as various further sorts of books are readily clear here.
