Cerys du Lys, Ethan Winters

Igni Ferroque Ashlyn Drewek, 2023-04-13 This isn't a tale of redemption - it's all about the fall. An outcast amongst outcasts, Phelan Oliver nevertheless takes his duties as a Necromancer with the utmost seriousness. As one of the few in his family devoted to the old ways, Phelan has fully embraced the piety and severe discipline required to master demonic magic. But none of that prepares him for the day he comes face-to-face with a demon he didn't summon-one who embodies everything he has been taught to hate, and whose wickedness sparks sinful feelings Phelan can't ignore no matter how much he tries. As a prince of Hell, Remiel is used to getting his way. Kidnapping and torturing his sworn enemy for information should have been easy, but Phelan Oliver was not an ordinary Necromancer. On the surface, the university librarian appears quiet and devout, but beneath his unassuming facade there is a latent darkness Remiel can't wait to unleash. In exchange for his soul's freedom, Phelan strikes a desperate bargain to help Remiel defeat his nemesis once and for all. But it turns out demons aren't the only ones with secrets and learning Phelan's might end up costing them both more than they'd ever imagined. *IGNI FERROQUE* is a dark MM paranormal romance about a pious Necromancer and an incorrigible demon and what happens when their paths intersect. While this book can be read as a standalone, readers are encouraged to start with *Malum Discordiae* in order to get a broader understanding of the Winslow witches and their world. Content Warning: Contains references to or scenes depicting: somnophilia, noncon between MCs and other graphic descriptions of sexual situations, on-page torture between MCs, off-page child abuse, blood play, strangulation and breath play, on-page suicide, mental illness and institutions, parental estrangement, extreme religious views and criticism of said views (there's a heavy focus on Christianity/Christian mythology due to the demonic aspect), and religious self-harm. Reader discretion is greatly advised as this book is NOT for everyone and most will probably find it offensive. Please heed the warnings.

Fear Me, Love Me Lilith Vincent, 2023-09-13 Tyrant Mercer doesn't grant wishes. He collects debts, and he's here to claim me. All I wanted was my baby brother back from the man who stole him away. My family is in Tyrant's debt, a man they hate, and they disown me when the devil's eyes stray to me. Now there's nothing and no one to protect me from the cruel man who runs this city from the shadows. But Tyrant's not going to drag me away by my hair just yet. He's going to torment me first. Tyrant demands that I play his twisted games. He thinks I'll crumble for his amusement, but I'm carrying a secret that's bigger than both of us. A secret that's now in the hands of the worst man possible. All he craves is me. All he demands

is everything. Tyrant will give me everything I've ever wanted-all I have to say is I wish... But a wish is a curse when it's granted by the devil himself. Author's note: Fear Me, Love Me is a standalone MF romance with dark themes, forced breeding, somnophilia, an age gap, a jealous and possessive alphahole, and a sweet but strong virgin heroine. The story is dirty and delicious, so please read at your discretion. Please be aware that this book contains depictions of cutting and self-harm.

Bitter Heat Mia Knight,2019

Sinful K G Reuss,2024-05-27 I was not without sin. I carried my name for a reason. Screwing things up was just part of who I was. Sometimes people got hurt because of me. Sometimes they died. After being exiled from the world I'd created with my best friends, I was left to punish myself for my sins against the girl they loved. The sins I spent hours begging whatever entity was out there to forgive me for. But maybe I wasn't supposed to be forgiven. Maybe I was who I was because I was meant for something bigger than me. Maybe I was always meant for her. The girl with the colorful eyes who never spoke. The girl I'd been fighting my heart on since I'd set eyes on her all those months ago. I feared she'd hurt me. Break me. But maybe I'd been wrong. Maybe she was the one who'd been sent to save me. I just needed to figure out how to get her to stop being afraid of the man I was and see me for the man I was becoming. But I was a sinner, and I would sin again. In her name, all things were possible. This much I knew. Amen. *Sinful* is book 5 in *The Boys of Chapel Crest*. This is not a standalone and must be read in order. This is a dark romance with no choosing. Check author's note for more information on warnings.

The Witchwood Boys are Trending C M Stunich,2024-11-18 This is dark romance for kinky nerd girls. With three hot witch stalkers, inappropriate potions, and an atmosphere that's both hauntingly Gothic and surprisingly cozy, this one is a read that'll leave you asking WTF?

5000 Nights of Obsession Drethi Anis,2023-04-02 This dark book is a standalone by USA Today Bestselling Author, Drethi Anis. This isn't a fairy tale or romance. There is no Prince Charming, only an irredeemable villain and the object of his desire. His OBSESSION. I felt his eyes on me everywhere I went. I recognized his smell lingering within my home. I even sensed his presence in my sleep. It was too late by the time I found the monster hiding under my bed. He had wedged himself into my life, cornering me with nowhere to run. The worst part? The world adored him, but no one knew the devil lurking underneath the beautiful mask-no one except for me. Manipulative, cold, and remorseless, Axel Trimalchio was a certified psychopath hiding in plain sight. He was fixated on me and would never stop chasing me. He was determined to make me his... even though I already belonged to someone else. . *This book isn't listed in the Romance category, and Axel shouldn't be considered a hero. Lords of Wrath (Discrete Paperback) Angel Lawson,Samantha Rue,2023-08-11 They hurt me, abuse me, use me... I signed

up for it. Literally. I agreed to the contract that made me the Lords' Lady, a position that requires me to do whatever they want, but only as protection from someone worse. I agreed to be in their beds, on my knees, and punished should I disobey. I just wasn't expecting punishment like this. Killian is two-hundred-and-twenty pounds of muscle, brutal physicality, and pure spite. He thinks I don't know that he watches me when I sleep. Tristian is fair-haired and charming to anyone who doesn't know better. To me, he's the man who seeks to control me, with his cold eyes and possessiveness. Rath is the dark-eyed tempest who took me into his bed. Even having been subjected to his barbed tongue, he's the first man to ever make me feel safe. I hadn't realized how much they've worn me down and made me feel complacent, but it turns out they've messed with my head just as much as they abused my body. Despite the awful things they've done to me, they actually made me feel special. Cared for. Protected. And then I found out it was all a lie. The way Tristian cares, Killian's vigilant eyes, and worst of all, my contented moments in Rath's bed, were all part of a game. A game to see who can use me best. A game they've been playing since day one. And now? It's a game I'm going to win.

Lords of Mercy Angel Lawson, Samantha Rue, 2023-03-21 I came back to Forsyth and agreed to be their Lady for two reasons: protection and revenge. I put up with the abuse, the degradation, the humiliation, and bided my time. I wanted vengeance and I took it. The Lords give as good as they get and the consequences were fierce, but there's one truth when it comes to Killian, Dimitri and Tristian. They keep what's theirs. They wanted to break me, but instead, they molded me into their perfect weakness. They fought for me. Bled for me. Championed for me. I was put through the gauntlet and came out stronger. I earned the title of Lady. Then they became my weakness. I agreed to sleep under their roof, but on my terms. No more rules, no more punishments, no cameras or dress codes or sneaking into my bedroom. In return, I'll give them a chance to earn the title of Lord. Building trust takes time, but with all the threats nipping at our heels, that's a luxury we don't have. We have to rely on one another despite our complicated pasts-to find a murderer, a stalker, and a traitor. This new life of pain, wrath, and mercy is a confusing maze of twists and turns. Fortunately for us, there will always be one fixed constant, guiding us home: The Royal we. **WARNING:** This book is a DARK/BULLY romance. It contains graphic content that some readers may be particularly sensitive to. If you have triggers or are even remotely unsure, please heed the note at the beginning of this book. The Royals of Forsyth University is a reverse harem series by Best Selling Authors, Angel Lawson & Samantha Rue.
