

# Grandes Entrevistas De La Historia

## Christopher Silvester

**Las grandes entrevistas de la historia** Christopher Silvester, 1997 Las grandes entrevistas de la historia es un extraordinario panorama de la entrevista, género periodístico por excelencia. Partiendo de la primera entrevista de la que hay constancia, la del líder mormón Brigham Young, publicadas por el New-York Tribune en 1859. Silvester ha realizado un excelente trabajo de recopilación, para ofrecer a los lectores un completísimo retablo de las figuras más importantes de un siglo y medio de la historia mundial. Aquí leemos lo que en su momento tuvieron que decir a sus contemporáneos las personalidades que hicieron época : políticos como Roosevelt, Clemenceau, Hitler, Mussolini, Stalin, Gandhi, Jruschov, Margaret Thatcher; genios de la literatura y del arte, como R.L. Stevenson, Kipling, Zola, Wilde, Tolstoi, Scott Fitzgerald, Beckett, Hemingway, Mailer, Nabokov, Picasso; grandes personajes del cine como : Greta Garbo, Montgomery Clift, Bette Davis, Mae West, Alfred Hitchcock; figuras del pensamiento y de la ciencia como Karl Marx, Edison, Marconi ...

Que conste. Entrevistas en dos siglos Felipe Cobián Rosales, 2022-11-29 Libro que compila 26 entrevistas (Juan Sandoval Íñiguez, Gabriel Chávez de la Mora, Fernando González Gortázar, Elena Garro, Elías Nandino, Ramón Rubín, Silvia Pinal, Germán Pintor, Carlos Sotomayor, Mario Rivas Souza, por mencionar solo a algunos) realizadas por el experimentado reportero jalisciense para distintos medios locales y nacionales a lo largo de más de 40 años de carrera periodística. A cada conversación la acompaña una presentación de tono anecdótico que permite asomarse a las entrañas del oficio reporteril. "El lector habrá de encontrar en este libro no sólo testimonios reveladores de hombres y mujeres que, en la inmensa mayoría de los casos, tenían algo importante qué decir e incluso quienes tuvieron la suerte de poder toparse en su camino con un interlocutor ejemplar, a quien le contaron, sin que falte en esas entrevistas más de un buen chisme, una parte

de su existencia y de sus proyectos más acariciados, así como de sus yerros y aciertos, logros y frustraciones, incluidas sus esperanzas terrenales y, por lo que hace a los creyentes, también las que tenían o tienen depositadas en la vida eterna." Juan José Doñán

**Las grandes entrevistas de la historia, (1859-1992)** Christopher Silvester, Herminia Bevia, Antonio Resines, 1999

**Sex in Revolution** Mary Kay Vaughan, Gabriela Cano, Jocelyn H. Olcott, 2007-01-17 A collection of histories showing how women participated in Mexican revolutionary and postrevolutionary state formation by challenging conventions of sexuality, work, family life, and religious practice.

**Humanities** Lawrence Boudon, 2005-02-01 The one source that sets reference collections on Latin American studies apart from all other geographic areas of the world.... The Handbook has provided scholars interested in Latin America with a bibliographical source of a quality unavailable to scholars in most other branches of area studies. —Latin American Research Review Beginning with volume 41 (1979), the University of Texas Press became the publisher of the Handbook of Latin American Studies, the most comprehensive annual bibliography in the field. Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines, the Handbook alternates from year to year between social sciences and humanities. The Handbook annotates works on Mexico, Central America, the Caribbean and the Guianas, Spanish South America, and Brazil, as well as materials covering Latin America as a whole. Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas. The Handbook of Latin American Studies is the oldest continuing reference work in the field. Lawrence Boudon, of the Library of Congress Hispanic Division, has been the editor since 2000, and Katherine D. McCann has been assistant editor since 1999. The subject categories for Volume 60 are as follows: Art History (including ethnohistory) Literature (including translations from the Spanish and Portuguese) Music Philosophy: Latin American Thought

*Fictional Translators* Rosemary Arrojo, 2017-08-14 Through close readings of select stories and novels by well-known writers from different literary traditions, *Fictional Translators* invites readers to rethink the main clichés associated with translations. Rosemary Arrojo shines a light on the transformative character of the translator's role and the relationships that can be established between originals and their reproductions, building her arguments on the basis of texts such as the following: Cortázar's Letter to a Young Lady in Paris Walsh's Footnote Wilde's The Picture of Dorian Gray and Poe's The Oval Portrait Borges's Pierre Menard, Author of the Quixote, Funes, His Memory, and Death and the Compass Kafka's The Burrow and Kosztolányi's Kornél Esti Saramago's The History of the Siege of Lisbon and Babel's Guy de Maupassant Scliar's Footnotes and Calvino's If on a Winter's Night a Traveler Cervantes's Don Quixote *Fictional Translators* provides stimulating material for reflection not only on the processes associated with translation as an activity that inevitably transforms meaning, but, also, on the common prejudices that have underestimated its productive role in the shaping of identities. This book is key

reading for students and researchers of literary translation, comparative literature and translation theory.

**Escribiendo historias** Juan José Hoyos,2024-02-15 El principal reto del periodismo escrito, hoy, en palabras de Juan José Hoyos, es cómo contar la historia que los lectores han visto y oído decenas de veces ese mismo día en la televisión o en la radio. Cómo seducir, usando el lenguaje escrito, a personas que a través de otros medios han sentido con la vista y con el oído todas las complejidades de un hecho real. Escribiendo historias: El arte y el oficio de narrar en el periodismo muestra de qué manera enfrentar satisfactoriamente este reto. Para ello analiza en detalle las estrategias que el periodismo de estilo narrativo ha empleado, a partir de integrar a sus escritos elementos de la literatura, aun aquellos que pudieran parecer tan ajenos a la misión de informar, como la emoción, la opinión, la subjetividad, la visión del mundo. Esta obra no es un recetario, sino una muestra, pues aplica en su misma factura los recursos de expresión y la experiencia que el autor, uno de los más reconocidos periodistas investigativos y escritores de crónica en el país, ha sabido convertir en arte. De esta forma, el libro se constituye en guía, especialmente para los periodistas en formación, pero de igual manera para todo aquel que enfrente, por oficio o por vocación, la tarea de escribir, no con el mero fin de informar, lo cual requiere solo conocimiento, sino buscando retratar con palabras la vida en toda su complejidad.

**Nuevos modelos y paradigmas de la información. Desafíos y oportunidades en el periodismo** Carmen Peñafiel Saiz,Guillermo Gurrutxaga Rekondo,2021-07-22 Esta obra invita a reflexionar, debatir y analizar el momento que viven la información y la comunicación en pleno siglo XXI. Frente a las voces agoreras que sostienen que el periodismo tiene los días contados, en este libro, desde perspectivas diferentes, se reivindica su total vigencia. Y sin negar sus amenazas. El compromiso por la profesión es asumido por muchos y muchas profesionales que se comprometen cada día en ejercer el buen periodismo, el periodismo de calidad, ético y responsable, con informaciones veraces, rigurosas y contrastadas. Y en un contexto difícil también por la precariedad en las condiciones de trabajo y la dificultad de rentabilizar económicamente el resultado de una ardua labor de búsqueda e investigación. Hoy es Internet, mañana serán otras las tecnologías que condicione la forma en la que se capta y emite el mensaje, pero los y las periodistas deberán seguir asumiendo su tarea de gestionar los contenidos informativos con honestidad y de elaborar informaciones fiables para su destinataria, la sociedad. Y, por otro lado, sea cual sea su forma, la información -la buena información- seguirá constituyendo un alimento básico para el pensamiento crítico, una poderosa arma para prevenir, detectar y combatir la desinformación y, al mismo tiempo, participar en la construcción de una sociedad más justa, más libre y más igualitaria. La innovación en periodismo reclama, de algún modo, volver a la búsqueda de la profundidad, lo que conlleva también la necesidad de implicar a las nuevas generaciones mediante la introducción de la comunicación y la información a través del sistema educativo. Carmen Peñafiel Saiz. Doctora en Carmen Peñafiel Saiz. Doctora del DepartamentoCarmen Peñafiel Saiz. Doctora del Departamento de Periodismo de la Universidad del País Vasco/ Euskal Herriko Unibertsitatea. En su actividad anterior a la docencia ha trabajado en la Cadena

SER, Radio Popular de Bilbao, Radio Euskadi-EITB y contertulia en el programa 'Escrito en el aire' de RNE-País Vasco, desempeñando puestos de dirección y realización de programas informativos, culturales y de entretenimiento. Guillermo Gurrutxaga-Rekondo. Doctor del Departamento de Periodismo de la Universidad del País Vasco/Euskal Herriko Unibertsitatea. Comenzó su trayectoria periodística en el año 1997 en Ecuador, donde trabajó como redactor del diario Expreso de Guayaquil, del que fue también asesor editorial. Participó además en la creación de los diarios El Día de Valladolid, del que fue redactor de tribunales, y Noticias de Gipuzkoa, como jefe de local. Ha sido profesor en la Universidad Casa Grande de Guayaquil y ha publicado colaboraciones en distintos medios de comunicación.

*Romances de escritores* Daniel Balmaceda, 2023-10-10 ¿Quiénes se enamoraron de la misma mujer? ¿Qué escritores se pelearon por el amor de Alfonsina? ¿Quién conoció a su amante en casa de Sabato? El autor del exitoso Romances turbulentos de la historia argentina nos sumerge, una vez más, en el sentimiento más poderoso del mundo: el amor. Como dice Daniel Balmaceda, las historias de Romances de escritores nos trasladan directo al corazón de aquellos escritores del siglo XX que supieron canalizar sus sentimientos para darles vida en su obra. Lugones, Borges, Victoria y Silvina Ocampo, Alfonsina Storni, Macedonio Fernández, Arlt, Bioy Casares, Girondo, Mujica Lainez y Silvina Bullrich son algunos de los protagonistas de este libro. Pero a estos romances argentinos también se suman extranjeros cuyas aventuras o desventuras amorosas se relacionaron con nuestro país, como ocurrió con Horacio Quiroga, García Lorca, Saint-Exupéry, Neruda y Octavio Paz. Las historias de amor se entrecruzan en un gran laberinto de enredos geniales.

**Saber narrar** Instituto Cervantes, 2012-04-11 Descubra en estas páginas el arte de la narración periodística, literaria y cinematográfica. Saber comunicar captando la atención de un receptor es imprescindible en una sociedad como la nuestra en la que los medios de comunicación protagonizan nuestras vidas. Además, con los formatos digitales es habitual tener que enfrentarse a la temida hoja en blanco. ¿Cómo ordenamos lo que queremos decir? ¿Qué elementos debo introducir en el texto para que suscite el interés del lector? Si estoy en una reunión, ¿sabré expresar las ideas de un modo ordenado? Saber contar se ha convertido en una destreza imprescindible hoy día. Y hay tres ámbitos fundamentales para comunicarse: narrativa, periodismo y cine. Tres expertos en cada una de estas tres facetas nos darán las claves para poder empezar a narrar en clave periodística, en clave literaria y en clave cinematográfica. Saber narrar completa la colección iniciada con *Saber escribir*, *Saber hablar* y *Saber leer*. Una obra divulgativa que se dirige a un público amplio, a personas interesadas en los procesos narrativos y en el aprendizaje de los diferentes modos de expresión. Gracias a ella y de la mano de los expertos aprenderemos las estrategias necesarias para generar todo tipo de textos, y suscitar el interés por lo que se quiere contar, dentro de los procesos de comunicación, el aprendizaje y la memoria.

**Moneda dura** Cecilia García Huidobro Mc A, 2019 Este es una especie de cartografía de Gabriela Mistral a través de las opiniones y pensamientos que ella expresara en las entrevistas hechas a lo largo de su vida. Ordenadas a modo de

diccionario, cada entrada comunica con rapidez a una nueva y diferente faceta de esta compleja mujer. La persona, la intelectual y la escritora intercambian parlamentos, máscaras y secretos a través de cada una de las ideas extractadas de sus entrevistas, permitiéndonos recorrer desde sus certezas hasta sus contradicciones, sin dejar de lado sus adversidades, odios, sueños y pasiones. El conjunto de entrevistas retratan a una desconocida Gabriela Mistral y también su época. Nuestra Gabriela era ante todo una mujer errante o , como ella misma se describió, una criatura vagabunda, desterrada voluntaria. Podemos seguir esta huella paralelamente en distintos lugares: México, Italia, España... Recorrió el mundo dándose tiempo para hablar con la prensa y esta la destacó como una de las intelectuales relevantes de su época. Era hogareña y reservada, pero asumió un rol público donde la prensa constituía un lugar de encuentro. Una polis de papel y tinta. Ese es el gran capital de este libro. Su moneda dura.

Locura y arte Sapetti, Adrián Dr., Locura y Arte es un libro sobre el horror de quienes dedicaron su vida a crear belleza. El Dr. Adrián Sapetti se interna en los laberintos de la psiquiatría y desentraña los misterios de estos personajes ilustres de la historia del arte.

Mujeres en las tormentas Mora Witt, Galo,2020-06-14 Galo Mora Witt relata las vidas de cuatro mujeres que incidieron en la historia de los derechos de la mujer. Viaja a Berlín para evocar a Marlene Dietrich una actriz alemana que se rebeló contra el régimen nazi. En Rusia encuentra a Aleksandra Kollontai, la primera mujer que ocupó un puesto político en la Unión Soviética. En Nueva Orleans, rememora a Lillian Hellman, una de las más grandes guionistas del cine estadunidense. En México, reconstruye la vida de Concha Michel, una compositora, cantante y activista política mexicana.

## **Grandes Entrevistas De La Historia Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg.

This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Grandes Entrevistas De La Historia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Grandes Entrevistas De La Historia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its

user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Grandes Entrevistas De La Historia free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Grandes Entrevistas De La Historia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Grandes Entrevistas De La Historia any PDF files. With these platforms, the world of PDF downloads is just a click away.

## **FAQs About Grandes Entrevistas De La Historia Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What are the advantages of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Grandes Entrevistas De La Historia is one of the best books in our library for free trial. We provide a copy of Grandes Entrevistas De La Historia in digital format, so the resources that you find are reliable. There are also many eBooks related to Grandes Entrevistas De La Historia. Where to download Grandes Entrevistas De La Historia online for free? Are you looking for Grandes Entrevistas De La Historia PDF? This is definitely going to save you time and cash in something you should think about.
