Claire Bidwell Smith

Heaven is for Real Movie Edition Todd Burpo, 2014-03-11 #1 New York Times best-seller with more than 11 million copies sold and Amazon's #17 best-selling book of all time. Heaven Is for Real was the best-selling non-fiction book of 2011 as reported by Nielsen's Bookscan, and it was made into a major motion picture by Sony in 2014. "Do you remember the hospital, Colton?" Sonja said. "Yes, mommy, I remember," he said. "That's where the angels sang to me." When Colton Burpo made it through an emergency appendectomy, his family was overjoyed at his miraculous survival. What they weren't expecting, though, was the story that emerged in the months that followed—a story as beautiful as it was extraordinary, detailing their little boy's trip to heaven and back. Colton, not yet four years old, told his parents he left his body during the surgery—and authenticated that claim by describing exactly what his parents were doing in another part of the hospital while he was being operated on. He talked of visiting heaven and relayed stories told to him by people he met there whom he had never met in life, sharing events that happened even before he was born. He also astonished his parents with descriptions and obscure details about heaven that matched the Bible exactly, though he had not yet learned to read. With disarming innocence and the plainspoken boldness of a child, Colton tells of meeting long-departed family members. He describes Jesus, the angels, how "really, really big" God is, and how much God loves us. Retold by his father, but using Colton's uniquely simple words, Heaven Is for Real offers a glimpse of the world that awaits us, where as Colton says, "Nobody is old and nobody wears glasses." Heaven Is for Real will forever change the way you think of eternity, offering the chance to see, and believe, like a child. Continue the Burpos story in Heaven Changes Everything: The Rest of Our Story. Heaven Is for Real also is available in Spanish, El cielo es real. Bonus material in this special movie edition includes: Photos from the movie set Updates from father, Todd, and son, Colton, on recent events including the making-of-the-movie experience "From the Set" Q&A's with the movie's filmmakers and actors

The story of Todd Burpo's son and his visit to heaven is known far and wide. It has even become a movie and an international sensation. Yet, the veracity of the story's details have not been fully examined, not until now. Is the heart of the Burpos' story a contradiction or inconsistent at best? The Afterlife in Popular Culture Kevin O'Neill,2022-06-17 The Afterlife in Popular Culture: Heaven, Hell, and the Underworld in the American Imagination gives students a fresh look at how Americans view the afterlife, helping readers understand how it's depicted in popular culture. What happens to us when we die? The book seeks to explore how that question has been answered in American popular culture. It begins with five framing essays that provide historical and intellectual background on ideas about the afterlife in Western culture. These essays are followed by more than 100 entries, each focusing on specific cultural products or authors that feature the afterlife front and center. Entry topics include novels, film, television shows, plays, works of nonfiction, graphic novels, and more, all of which address some aspect of what may await us after our passing. This book is unique in marrying a historical overview of the afterlife with detailed analyses of particular cultural products, such as films and novels. In addition, it covers these topics in nonspecialist language, written with a student audience in mind. The book provides historical context for contemporary depictions of the afterlife addressed in the entries, which deal specifically with work produced in the 20th and 21st centuries.

Near Death Experience Siddhesh Chindarkar,2023-01-24 A near-death experience (NDE) is a phenomenon that can occur to a person who is close to death or in a life-threatening situation. It is a subjective experience that can encompass a wide range of sensations and emotions, including feelings of peace, detachment from the body, and a sense of transcendence. NDEs have been reported by people from all walks of life and cultures, and they have been the subject of much research and debate in the fields of psychology, neuroscience, and spirituality.

After This Claire Bidwell Smith,2015-04-28 In After This, acclaimed author, and therapist Claire Bidwell Smith confronts the question she encounters every day in private practice—what happens after we die? In an exploration of the afterlife that is part personal, part prescriptive—Smith invites us on her journey into the unknown. She wonders: How do we grieve our loved ones without proof that they live on? Will we ever see them again? Can they see us now, even though they are gone? Chronicling our steps along the path that bridges this world and the next, Smith undergoes past-life regressions and sessions

with mediums and psychics and immerses herself in the ceremonies of organized religion and the rigor of scientific experiments to try and find the answers. Drawing on both her personal losses, recounted in her memoir *The Rules of Inheritance*, as well as her background working in hospice as a bereavement counselor, Smith attempts to show how exploring the afterlife can have a positive impact on the grief process.

Mysteries of the Afterlife Ron Jones, 2016-02-01 Is there a more important topic than one's eternal destination? Pastor, church planter, and radio personality (more than 100 radio stations and expanding) Ron Jones believes the gravity of this topic deserves the utmost in both biblical accuracy and compassion. In *Mysteries of the Afterlife* he delivers a clearly written and compelling explanation of heaven, hell, and the afterlife. You'll find answers to questions such as: What happens 60 seconds after we die? Are heaven and hell real places? Is there a future resurrection and judgement? Are we reincarnated after death? Can we communicate with the dead? Are near-death experiences real? And the most important question of all—what is your eternal destiny? Whether you realize it or not, your journey toward your final destination began the day you're born. And the beginning of your discovery of what lies beyond the grave starts right now. —Ron Jones
