Emperor of Rome Mary Beard, 2023-10-24 INSTANT NEW YORK TIMES BESTSELLER Best Books of 2023: New Yorker, The Economist, Smithsonian Most Anticipated Books of Fall: Washington Post, Los Angeles Times, TODAY, Literary Hub, and Publishers Weekly A vivid way to re-examine what we know, and don't, about life at the top.... Emperor of Rome is a masterly group portrait, an invitation to think skeptically but not contemptuously of a familiar civilization. —Kyle Harper, Wall Street Journal A sweeping account of the social and political world of the Roman emperors by “the world’s most famous classicist” (Guardian). In her international bestseller SPQR, Mary Beard told the thousand-year story of ancient Rome, from its slightly shabby Iron Age origins to its reign as the undisputed hegemon of the Mediterranean. Now, drawing on more than thirty years of teaching and writing about Roman history, Beard turns to the emperors who ruled the Roman Empire, beginning with Julius Caesar (assassinated 44 BCE) and taking us through the nearly three centuries—and some thirty emperors—that separate him from the boy-king Alexander Severus (assassinated 235 CE). Yet Emperor of Rome is not your typical chronological account of Roman rulers, one emperor after another: the mad Caligula, the monster Nero, the philosopher Marcus Aurelius. Instead, Beard asks different, often larger and more probing questions: What power did emperors actually have? Was the Roman palace really so bloodstained? What kind of jokes did Augustus tell? And for that matter, what really happened, for example, between the emperor Hadrian and his beloved Antinous? Effortlessly combining the epic with the quotidian, Beard tracks the emperor down at home, at the races, on his travels, even on his way to heaven. Along the way, Beard explores Roman fictions of imperial power, overturning many of the assumptions that we hold as gospel, not the least of them the perception that emperors one and all were orchestrators of extreme brutality and cruelty. Here Beard introduces us to the emperor’s wives and lovers, rivals and slaves, court jesters and soldiers, and the ordinary people who pressed begging letters into his hand—whose chamber pot disputes were adjudicated by Augustus, and whose budgets were approved by Vespasian, himself the son of a tax collector. With its finely nuanced portrayal of sex, class, and politics, Emperor of Rome goes directly to the heart of Roman fantasies (and our own) about what it was to be Roman at its richest, most luxurious, most extreme, most powerful, and most deadly, offering an account of Roman history as it has never been presented before.

All Things Ancient Rome Anne Leen, 2023-06-15 Through roughly 160 alphabetically arranged reference entries, this

book surveys the material culture and social institutions of Ancient Rome. Ancient Rome was one of the great civilizations of antiquity. Honoring the contributions of their cultural forebearers—who included Etruscans, Asians, and Egyptians as well as Greeks—Roman artists, writers, and thinkers freely borrowed where tradition dictated and innovated where personal talent and imagination directed, forging a unique creative experience that formed the basis of Western European artistic, literary, and philosophical production for 2,000 years. While other reference works typically examine battles and politicians, this book focuses on Roman social history and daily life, painting a detailed picture of the material culture and social institutions of Ancient Rome. A timeline highlights key events, while an overview essay surveys the achievements of the Romans. Reference entries provide objective information about art, architecture, literature, commerce, transportation, government, religion, and other topics related to Roman life. Each entry provides cross-references and suggestions for further reading, and some provide sidebars of interesting facts along with excerpts from primary source documents. The book closes with a selected, general bibliography of resources suitable for student research.

Evil Roman Emperors Phillip Barlag, 2021-06-15 Nero fiddled while Rome burned. As catchy as that aphorism is, it's sadly untrue, even if it has a nice ring to it. The one thing Nero is well-known for is the one thing he actually didn't do. But fear not, the truth of his life, his rule and what he did with unrestrained power, is plenty weird, salacious and horrifying. And he is not alone. Roman history, from the very foundation of the city, is replete with people and stories that shock our modern sensibilities. *Evil Roman Emperors* puts the worst of Rome's rulers in one place and offers a review of their lives and a historical context for what made them into what they became. It concludes by ranking them, counting down to the worst ruler in Rome's long history. Lucius Tarquinius Suburbus called peace conferences with warring states, only to slaughter foreign leaders; Commodus sold offices of the empire to the highest bidder; Caligula demanded to be worshipped as a god, and marched troops all the way to the ocean simply to collect seashells as "proof" of their conquest; even the Roman Senate itself was made up of oppressors, exploiters, and murderers of all stripes. Author Phillip Barlag profiles a host of evil Roman rulers across the history of their empire, along with the faceless governing bodies that condoned and even carried out heinous acts. Roman history, deviant or otherwise, is a subject of endless fascination. What's never been done before is to look at the worst of the worst at the same time, comparing them side by side, and ranking them against one another. Until now.

The Varangians Sverrir Jakobsson, 2020-10-14 This book is the history of the Eastern Vikings, the Rus and the Varangians, from their earliest mentions in the narrative sources to the late medieval period, when the Eastern Vikings had become stock figures in Old Norse Romances. A comparison is made between sources emanating from different cultures, such as the Roman Empire, the Abbasid Caliphate and its successor states, the early kingdoms of the Rus and the high medieval Scandinavian kingdoms. A key element in the history of the Rus and the Varangians is the fashioning of identities

and how different cultures define themselves in comparison and contrast with the other. This book offers a fresh and engaging view of these medieval sources, and a thorough reassessment of established historiographical grand narratives on Scandinavian peoples in the East.

The Coin Collector's Manual Henry Noel Humphreys, 1880

Medieval Jews and the Christian Past Ram Ben-Shalom, 2015-10-29 The focus in this book is on the historical consciousness of the Jews of Spain and southern France in the late Middle Ages, and specifically on their perceptions of Christianity and Christian history and culture. Ram Ben-Shalom offers a detailed analysis of Jews' exposure to the history of those among whom they lived. He shows that the Jews in these southern European lands experienced a relatively open society that was sensitive to and knowledgeable about voices from other cultures, and that this had significant consequences for shaping Jewish historical consciousness.

Emperors and Usurpers in the Later Roman Empire Adrastus Omissi, 2018-06-28 One of the great maxims of history is that it is written by the victors, and nowhere does this find greater support than in the later Roman Empire. Between 284 and 395 AD, no fewer than 37 men claimed imperial power, though today we recognize barely half of these men as 'legitimate' rulers and more than two thirds died at their subjects' hands. Once established in power, a new ruler needed to publicly legitimate himself and to discredit his predecessor: overt criticism of the new regime became high treason, with historians suppressing their accounts for fear of reprisals and the very names of defeated emperors chiselled from public inscriptions and deleted from official records. In a period of such chaos, how can we ever hope to record in any fair or objective way the history of the Roman state? *Emperors and Usurpers in the Later Roman Empire* is the first history of civil war in the later Roman Empire to be written in English and aims to address this question by focusing on the various ways in which successive imperial dynasties attempted to legitimate themselves and to counter the threat of almost perpetual internal challenge to their rule. Panegyric in particular emerges as a crucial tool for understanding the rapidly changing political world of the third and fourth centuries, providing direct evidence of how, in the wake of civil wars, emperors attempted to publish their legitimacy and to delegitimize their enemies. The ceremony and oratory surrounding imperial courts too was of great significance: used aggressively to dramatize and constantly recall the events of recent civil wars, the narratives produced by the court in this context also went on to have enormous influence on the messages and narratives found within contemporary historical texts. In its exploration of the ways in which successive imperial courts sought to communicate with their subjects, this volume offers a thoroughly original reworking of late Roman domestic politics, and demonstrates not only how history could be erased, rewritten, and repurposed, but also how civil war, and indeed usurpation, became endemic to the later Empire.

A History of Diplomacy in the International Development of Europe: The struggle for universal empire. v. 2.

The establishment of territorial sovereignty. v. 3. The diplomacy of the age of absolutism David Jayne Hill,1905

Scripture On Scripture: The Book of Revelation Jonathan Witt,2016-03-02 Scripture On Scripture: The Book of Revelation is a Bible commentary written to explain this book of the Bible verse-by-verse, while also demonstrating how this book fits with the rest of Scripture. The Book of Revelation is one of the most unique and interesting books in all of the Bible. There is much debate between Christians about whose interpretation of Revelation is correct. This commentary is written from the perspective that the book of Revelation describes those things that are yet to come in the future, and most likely the near future. This commentary is written with several key beliefs in mind, namely, that Jesus Christ promised to literally return to rule over the Earth, that His return will be preceded by a seven year Tribulation Period of judgment from God upon the Earth, and that this Tribulation Period will be initiated by a supernatural Rapture of His Church from the Earth.

Calendars in the Making: The Origins of Calendars from the Roman Empire to the Later Middle Ages Sacha Stern,2021-04-26 Calendars in the Making investigates the origins of calendars we are most familiar with today, yet whose early histories, in the Roman and medieval periods, are still shrouded in obscurity. It examines when the seven-day week was standardized and first used for dating and time reckoning, in Jewish and other constituencies of the Roman Empire; how the Christian liturgical calendar was constructed in early medieval Europe; and how and when the Islamic calendar was instituted. The volume includes studies of Roman provincial calendars, medieval Persian calendar reforms, and medieval Jewish calendar cycles. Edited by Sacha Stern, it presents the original research of a team of leading experts in the field. Contributors are: François de Blois, Ilaria Bultrighini, Sacha Stern, Johannes Thomann, Nadia Vidro, Immo Warntjes.

Blood Royal Robert Bartlett,2020-07-09 Throughout medieval Europe, for hundreds of years, monarchy was the way that politics worked in most countries. This meant power was in the hands of a family - a dynasty; that politics was family politics;

and political life was shaped by the births, marriages and deaths of the ruling family. How did the dynastic system cope with female rule, or pretenders to the throne? How did dynasties use names, the numbering of rulers and the visual display of heraldry to express their identity? And why did some royal families survive and thrive, while others did not? Drawing on a rich and memorable body of sources, this engaging and original history of dynastic power in Latin Christendom and Byzantium explores the role played by family dynamics and family consciousness in the politics of the royal and imperial dynasties of Europe. From royal marriages and the birth of sons, to female sovereigns, mistresses and wicked uncles, Robert Bartlett makes enthralling sense of the complex web of internal rivalries and loyalties of the ruling dynasties and casts fresh light on an essential feature of the medieval world.

List Of Roman Empire Emperors Introduction

List Of Roman Empire Emperors Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. List Of Roman Empire Emperors Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain.

List Of Roman Empire Emperors : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for List Of Roman Empire Emperors : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks List Of Roman Empire Emperors Offers a diverse range of free eBooks across various genres. List Of Roman Empire Emperors Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. List

Of Roman Empire Emperors Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific List Of Roman Empire Emperors, especially related to List Of Roman Empire Emperors, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to List Of Roman Empire Emperors, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some List Of Roman Empire Emperors books or magazines might include. Look for these in online stores or libraries. Remember that while List Of Roman Empire Emperors, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow List Of Roman Empire Emperors eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the List Of Roman Empire Emperors full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of List Of Roman Empire Emperors eBooks, including

some popular titles.

FAQs About List Of Roman Empire Emperors Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. List Of Roman Empire Emperors is one of the best book in our library for free trial. We provide copy of List Of Roman Empire Emperors in digital format, so the resources that you find are reliable. There are also many Ebooks of related with List Of Roman Empire Emperors. Where to download List Of Roman Empire Emperors online

for free? Are you looking for List Of Roman Empire Emperors PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another List Of Roman Empire Emperors. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of List Of Roman Empire Emperors are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with List Of Roman Empire Emperors. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with List Of Roman Empire Emperors To

get started finding List Of Roman Empire Emperors, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with List Of Roman Empire Emperors So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading List Of Roman Empire Emperors. Maybe you have knowledge that, people have search numerous times for their favorite readings like this List Of Roman Empire Emperors, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. List Of Roman Empire Emperors is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, List Of Roman Empire Emperors is universally compatible with any devices to read.
