The Academy Bentley Little, 2008-08-05 "Master of the macabre" Bentley Little offers a new lesson in fear with this terrifying horror novel. With a promise of more freedom and a chance to get out from under the thumb of a reactionary school board, the teachers of Tyler High have voted to become a charter school. Instructors and parents alike are thrilled with the prospect of independence. And yet.... The formerly laid-back principal has become unusually strict. And with her toadying secretary, she seems to be running the show. That isn't all. The janitors no longer work nights because of what they hear. The students are frightened by what they see. And things are happening on school grounds that defy rational explanation. But there is an explanation. It's just not anything that anyone can begin to believe—or hope to survive.

The Return Bentley Little, 2002 There's only one thing that can follow the success of Bentley Little's acclaimed *The Association*, *The Walking*, and *The Revelation*. And that's Bentley Little's return.

The Resort Bentley Little, 2004 While staying at the exclusive Reata spa in the Arizona desert, the Thurman family soon discovers that this seemingly tranquil paradise is riddled with evil when a dark force begins preying on the guests. Original.

He leaves behind a chilling cryptic message... "This is where it begins." Miles away, an alarmed mother receives an unsettling letter from her estranged husband, stained with bloody fingerprints. And all across California, children are becoming affected by a monstrous change—and their parents, by a mounting fear. Social worker Carrie Daniels and reporter Brian Howells are determined to find the link between these baffling crimes. But they shouldn't look too deeply into the lives of the victims. It's quite dark there. And God help them, they won't like what they find.

The Store Bentley Little, 1998-07-01 "If there's a better horror novelist than Bentley Little working today, I don't know who it is. *The Store* is...frightening. The perfect summer read."—Los Angeles Times Juniper, Arizona, is an off-the-map desert town the retail giant called *The Store* has chosen for its new location. Now everything you could possibly want is under one roof, at unbelievable prices. But you'd better be careful what you wish for. This place demands something of its customers that goes beyond brand loyalty. At *The Store*, one-stop shopping has become last-stop shopping. Bill Davis is the only one in town who senses the evil lurking within *The Store*. The Haunted Bentley Little, 2020 With his ability to disgust (and delight) even the most seasoned horror enthusiast (Publishers Weekly), Bentley Little conjures up your greatest fears as he dares you to spend a night with the haunted.... Julian and Claire Perry and their two children, Megan and James, have made the move to a bigger, nicer home in their city's historic district. But something isn't right. The neighbors seem reluctant to visit. Claire can't shake the feeling that someone is watching her. Megan receives increasingly menacing and obscene texts. And James is having terrible dreams. No wonder, considering what he's seen in the corner of the basement, staring at him and shuffling closer ever so slowly. Pity no one warned the family about the house. Now it's too late. Because the darkness at the bottom of the stairs is rising....

The Disappearance Bentley Little, 2010-09-07 The perfect getaway turns into a nightmare when a girl vanishes without a trace in this horror novel that could only have come from the mind of Bram Stoker Award-winning author Bentley Little. Gary, his girlfriend, Joan, and their friends intend to make the most of their three day vacation from UCLA partying at

Burning Man. But soon after they arrive at the festival in the remote desert, Joan disappears. Calls to her parents' home yield only dead air. Her school records are gone. And there's no evidence that Joan, or even her roommate, ever existed. Most disturbing of all is what they do find. Among Joan's belongings is a prayer written on a small scroll. It's a safeguard—and a warning—from something called The Outsiders. For Gary and his friends it's the only clue. Now, if they want to find out exactly what happened to Joan, they must follow it. But they may not like what they uncover....
