

A Year Of Biblical Womanhood

Bruce C. Birch, Jacqueline E. Lapsley, Cynthia D. Moe-Lobeda, Larry L. Rasmussen

A Year of Biblical Womanhood Rachel Held Evans, 2012 New York Times Bestseller. With just the right mixture of humor and insight, compassion and incredulity, *A Year of Biblical Womanhood* is an exercise in scriptural exploration and spiritual contemplation. What does God truly expect of women, and is there really a prescription for biblical womanhood? Come along with Evans as she looks for answers in the rich heritage of biblical heroines, models of grace, and all-around women of valor. What is biblical womanhood . . . really? Strong-willed and independent, Rachel Held Evans couldn't sew a button on a blouse before she embarked on a radical life experiment--a year of biblical womanhood. Intrigued by the traditionalist resurgence that led many of her friends to abandon their careers to assume traditional gender roles in the home, Evans decides to try it for herself, vowing to take all of the Bible's instructions for women as literally as possible for a year. Pursuing a different virtue each month, Evans learns the hard way that her quest for biblical womanhood requires more than a gentle and quiet spirit (1 Peter 3:4). It means growing out her hair, making her own clothes, covering her head, obeying her husband, rising before dawn, abstaining from gossip, remaining silent in church, and even camping out in the front yard during her period. See what happens when a thoroughly modern woman starts referring to her husband as master and praises him at the city gate with a homemade sign. Learn the insights she receives from an ongoing correspondence with an Orthodox Jewish woman, and find out what she discovers from her exchanges with a polygamist wife. Join her as she wrestles with difficult passages of scripture that portray misogyny and violence against women.

The Making of Biblical Womanhood Beth Allison Barr, 2021-04-20 USA TODAY BESTSELLER It is time for Christian patriarchy to end. Biblical womanhood--the belief that God designed women to be submissive wives, virtuous mothers, and joyful homemakers--pervades North American Christianity. From choices about careers to roles in local churches to relationship dynamics, this belief shapes the everyday lives of evangelical women. Yet biblical womanhood isn't biblical, says historian Beth Allison Barr. It arose from a series of clearly definable historical moments. Barr presents historical insights and shares a better way forward for the contemporary church by ● giving context for contemporary teachings about women's roles in the church ● explaining why biblical womanhood is more about human power structures than the message of Christ ● interweaving her story and experiences as a Baptist pastor's wife ● shedding light on the #ChurchToo movement and abuse scandals in Southern Baptist circles and the broader evangelical world This book moves the conversation about biblical

womanhood beyond Greek grammar and into the realm of church history--ancient, medieval, and modern--to show that this belief is not divinely ordained but a product of human civilization that continues to creep into the church. A powerful work of skillful research and personal insight.--Publishers Weekly Christianity Today 2022 Book Award Finalist (History & Biography)

● Foreword INDIES 2021 Finalist for Religion

How to Feel God Rachel Held Evans, 2026-02-15 How to Feel God has descriptive copy which is not yet available from the Publisher.

What Every Woman Wishes Her Father Had Told Her Byron Forrest Yawn, Robin Yawn, 2013 The father-daughter relationship is a truly special one--what a dad does can have a tremendous influence on helping his daughter to grow into a confident woman who does well in life. So what does a daughter need most from her dad? What does a dad need to watch for and be aware of? Byron and Robin Yawn look to Scripture and life stories for practical principles that will help fathers become all they can be for their daughters. Among the topics they cover are... the importance of being a male role model a daughter can look up to the need to carefully balance sensitivity and strength the keys to good and meaningful father-daughter communication the character qualities a daughter needs most in her dad the ways a father can prepare his daughter for adulthood A superb resource for helping fathers navigate this relationship in a way that results in lifelong joy and blessings.

Biblical Womanhood in the Home Nancy Leigh DeMoss, 2002 Though the modern feminist movement left suffering families and a lost culture in its wake, there is a new movement spreading seeds of hope in the hearts of Christian women everywhere. Nancy Leigh DeMoss has brought together seven respected teachers, including Susan Hunt and Mary A. Kassian--all of whom speak to the hearts of their sisters in Christ with a message about the greatness of God's created order and the part women play in His grand, redemptive plan so that they may re-discover the beauty and wonder of their distinctive calling.

Disobedient Women Sarah Stankorb, 2023-08-08 In this national bestseller, journalist Sarah Stankorb outlines how access to the internet—its networks, freedom of expression, and resources for deeply researching and reporting on powerful church figures—allowed women to begin dismantling the false authority of evangelical communities that had long demanded their submission. A generation of American Christian girls was taught submitting to men is God's will. They were taught not to question the men in their families or their pastors. They were told to remain sexually pure and trained to feel shame if a man was tempted. Some of these girls were abused and assaulted. Some made to shrink down so small they became a shadow of themselves. To question their leaders was to question God. All the while, their male leaders built fiefdoms from megachurches and sprawling ministries. They influenced politics and policy. To protect their church's influence, these men covered up and hid abuse. American Christian patriarchy, as it rose in political power and cultural sway over the past four

decades, hurt many faithful believers. Millions of Americans abandoned churches they once loved. Yet among those who stayed (and a few who still loved the church they fled), a brave group of women spoke up. They built online megaphones, using the democratizing power of technology to create long-overdue change. In *Disobedient Women*, journalist Sarah Stankorb gives long-overdue recognition for these everyday women as leaders and as voices for a different sort of faith. Their work has driven journalists to help bring abuse stories to national attention. Stankorb weaves together the efforts of these courageous voices in order to present a full, layered portrait of the treatment of women and the fight for change within the modern American church. *Disobedient Women* is not just a look at the women who have used the internet to bring down the religious power structures that were meant to keep them quiet, but also a picture of the large-scale changes that are happening within evangelical culture regarding women's roles, ultimately underscoring the ways technology has created a place for women to challenge traditional institutions from within.

Invitation to Christian Ethics Ken Magnuson, 2020-09-29 A comprehensive introduction to Christian ethics addressing today's most challenging moral issues *Invitation to Christian Ethics* is an indispensable guide for helping pastors, counselors, and everyday Christians navigate today's difficult moral questions. Readers will benefit from Ken Magnuson's survey of ethics from a biblical perspective as well as contemporary theories of moral reasoning. This survey is followed by twelve chapters devoted to some of the thorniest issues Christians encounter today, such as: • Sexuality, including homosexuality, sexual identity, and gender • Marriage and divorce • Infertility and assisted reproductive technologies • Abortion • Physician-assisted suicide • Race relations • Creation care • Capital punishment • Just war, pacifism, and the use of lethal force Magnuson provides biblical insight into each topic and presents key moral considerations. He also answers specific, practical questions that arise and concludes with a summary of his recommended approach to each issue. Readers will learn how to grapple with difficult moral questions and will receive guidance for some of life's most challenging ethical conundrums.

The Legacy of Biblical Womanhood Susan Hunt, Barbara Thompson, 2003-03-06 Many Christian women are floundering—they are confused about what it means to be a Christian woman. Churches aren't sounding a clear call to biblical womanhood, much less teaching what it is. On top of that, precious few resources exist to help disciple women in the biblical image of womanhood. In this book Susan Hunt and Barbara Thompson call women to pass on a legacy of biblical womanhood to the next generation. Part One gives a defense of biblical womanhood, urging women to follow God's design. Part Two applies the principles of biblical womanhood to the stages of a woman's life. This includes a chapter about what it means to have a pilgrim's perspective through the final season of life on earth. Part Three appeals to churches to equip women to live out and to leave the legacy of biblical womanhood and includes practical guidance for ministering to women. When combined with *Crossway's Spiritual Mothering, By Design*, and *The True Woman*, this book will breathe new life into women's ministries in the church.

Building Bridges Kendra Weddle, Jann Aldredge-Clanton, 2018-05-03 Letha Dawson Scanzoni changed the landscape of American evangelicalism through her groundbreaking work on the gospel-based intersection of gender and LGBTQ justice. She coauthored two of the first books that support women's equality and LGBTQ rights with the Bible: *All We're Meant to Be* and *Is the Homosexual My Neighbor?* In all her work Scanzoni applies the liberating message of Jesus to women and to people who have been marginalized by church and society because of sexual orientation. *Building Bridges* combines an exploration of the life and work of Letha Dawson Scanzoni with stories of people she continues to empower through her writing and the Evangelical & Ecumenical Women's Caucus - Christian Feminism Today, an organization she cofounded. This book illustrates her growing influence as she continues her prophetic collaboration with new generations. In addition, it provides resources for churches as they build bridges for their ministries of liberation, justice, and peace.

Saving Christianity? Michael Youssef, 2020 A clear and frank exploration of the future of Christianity and whether it needs to be saved. We live in confusing times. Our society has shifted on its moral axis, and many are asking whether Christianity needs to be reinvented--or even reimagined--in order to save it. With *Newsweek* declaring *The Decline and Fall of Christian America* on its cover and *The Daily Beast* questioning *Does Christianity Have a Future?* bloggers and Christian commentators are discussing whether we need a new kind of Christianity. In *Saving Christianity?* Dr. Michael Youssef explores this train of thought and its pitfalls. He describes how similar discussions in Christianity's recent past explored the very same question. *Saving Christianity?* will help you discern what is going on within the church while it reviews the essentials of the Christian faith as described in the Bible. We dare not abandon this mere faith, as Dr. Youssef describes it, because it is the light for all humanity--and especially for those of us living in today's chaotic times. After reading *Saving Christianity?* you'll have a renewed confidence in the future of the church and the central place it will occupy for generations to come.

Distortion Chelsen Vicari, 2014 *Distortion* arms conservative Christians with Scripture, historic Christian teaching, and social science that specifically addresses the challenges confronting our country--especially the youth--in a culture increasingly hostile to truth and love.

The Digital Evangelicals Travis Warren Cooper, 2022-08-02 When it comes to evangelical Christianity, the internet is both a refuge and a threat. It hosts Zoom prayer groups and pornographic videos, religious revolutions and silly cat videos. Platforms such as social media, podcasts, blogs, and digital Bibles all constitute new arenas for debate about social and religious boundaries, theological and ecclesial orthodoxy, and the internet's inherent danger and value. In *The Digital Evangelicals*, Travis Warren Cooper locates evangelicalism as a media event rather than as a coherent religious tradition by focusing on the intertwined narratives of evangelical Christianity and emerging digital culture in the United States. He focuses on two dominant media traditions: media sincerity, immediate and direct interpersonal communication, and media

promiscuity, communication with the primary goal of extending the Christian community regardless of physical distance. Cooper, whose work is informed by ethnographic fieldwork, traces these conflicting paradigms from the Protestant Reformation through the rise of the digital and argues that the tension is culminating in a crisis of evangelical authority. What counts as authentic interaction? Who has authority over the circulation of information? While many studies claim that technology influences religion, *The Digital Evangelicals* reveals how Protestant metaphors and discourses shaped the emergence of the internet and explores what this relationship with global new media means for evangelicalism.

Spiritual Truth in the Age of Fake News Elizabeth Geitz, 2019-12-23 “Fake News! That’s Fake News!” In a few short years, the phrase “Fake News” has earned a place in dictionaries, in national discourse, and in our daily lives. But Fake News is not new. Fake News began when people first interpreted the Bible to advance their own agenda. Commonly-held beliefs about what the Bible says regarding women, LGBTQ folks, slavery, immigrants, and Jews trumpets Fake News that is destroying people’s lives. What is the best way to counter Fake News? With the truth. To do so, Episcopal priest Elizabeth Geitz turns to the #1 bestselling book year after year—the Bible. Sexism, racism, anti-Semitism, and heterosexism are experiencing an alarming resurgence today. It is time for an accessible book that sets the record straight on what the Bible really says regarding the many “isms” affecting all of us. It is time for the Fake News about the Bible to come to a screeching halt. The 101 eye-opening reflections in *Spiritual Truth in the Age of Fake News* are a call to action for people of different faiths or no faith at all. This a must-read for anyone exhausted by the daily barrage of Fake News who is seeking the relief of the authentic.

Cries from the Wilderness David Pocta, 2023-12-06 One of the most prevalent challenges in contemporary Christianity is navigating the relationship between the individual and their faith community when the Christian enters spiritually challenging times: periods of aridity, misunderstanding, suffering, or darkness. This problem is amplified because of the growing angst that many feel with organized religion. When loyalty to the church gets tested during a personal faith crisis or honest intellectual query, many leave disenchanted, claiming a desire to be spiritual but not religious. *Cries from the Wilderness: Reimagining Church Culture in an Age of Uncertainty* explores the memoirs of three contemporary sojourners (Rachel Held Evans, David Gushee, and Macy Halford) asking: What postures were common in his or her journey that helped them navigate their spiritual wilderness? David Pocta then argues that a primary problem is that many faith communities rarely see themselves in the spiritual wilderness. The author’s contention is that spiritual communities are often ill-equipped to nurture the spiritual life of disoriented or questioning Christians. By acknowledging their own spiritual journey and drawing lessons from healthy wilderness postures they would be better positioned to transform and mature their community while creating a nurturing environment for individual sojourners.

Bible and Ethics in the Christian Life Bruce C. Birch, Jacqueline E. Lapsley, Cynthia D. Moe-Lobeda, Larry L.

Rasmussen,2018-05-01 Earth is changing in ways it hasn't for hundreds of thousands of years. At the same time, Christianity is breaking away from its millennium-long geographical and cultural center in the Euro-West. Its growth is in Asia, Africa, and Latin America, primarily in Pentecostal, evangelical, and independent churches. These dramatically changed planetary and ecclesial landscapes have led many to conclude that we need a new way of thinking about our collective existence: who are we and what is the nature of our responsibility in this deeply altered world? To address that question, biblical scholars Bruce C. Birch and Jacqueline E. Lapsley and Christian ethicists Larry L. Rasmussen and Cynthia Moe-Lobeda carry on a new conversation that engages how Christians are to understand the authority and use of Scripture, the basic elements of any full-bodied Christian ethic attuned to our circumstances, and the nature of our responsibility to our planetary neighbors and creation itself.

Confronting Sexism in the Church Heather Matthews,2024-08-27 Despite real progress, women continue to be silenced, wounded, and relegated to the sidelines in our churches. But we can learn to do better. Exploring the history and culture of sexism in our contemporary evangelical world, Heather Matthews offers simple, practical steps for how Christians can actively fight sexism in its many forms.

The Spirit of Witness Martyn Percy,2023-02-28 The term 'witness' has become synonymous with evangelism, but true witnessing is usually found in dissenting: it refuses to bow to idols, or to take the easy road, or deny Christ and all he died for. This collection is rooted in that belief that having the mind of Christ means we will do things differently. It offers practical resources for pastoral care that celebrates people on the margins of the church, and provides liturgies for those who suffer racism or injustice, who experience tragedy and loss, who raise their voices in protest or lament, and more. These texts do not carry the stamp of approval of any church body, but will bring the light of the gospel where it is needed. Arranged in six sections, it includes contributions from well-known and new voices covering the themes of: • Witness in Ordinary Time • Communion • Birth and Baptism • United in Love • Suffering Presence • Death and Resurrection

Notes on Feminism Lauren Windle,2024-03-08 Is it possible to be a Christian and a feminist? The hot topic of feminism has been well documented and debated in mainstream media and yet, as Christians we come to the conversation from a slightly different vantage point. For starters, we have the benefit of a personal relationship with our creator plus the ultimate handbook in the Bible to work out what is right and just when it comes to equality. So why do many Christians feel the Bible presents a barrier rather than a boost when it comes to championing equality between the sexes? Lauren Windle draws upon her years as a journalist to weave together a wide range of voices on a subject that society has been wrestling with but, in the Church, few are brave enough to probe too deeply for fear of what they might find. This book isn't here to tell you what to think. The views it presents are intended to inform, not form, your opinion on key topics, including: defining feminism, the lessons we teach boys, female preachers, a woman's place in the household, beauty standards and #ChurchToo. Notes On

Feminism features contributions from several high-profile women: Writer and model Katie Piper on true beauty Olympian Abigail Irozuru on women's bodies Comedian Cassandra Maria on why people think women aren't funny Author Tiffany Bluhm on why people don't believe women Journalist Delphine Chui on why she isn't a feminist. If feminist stirrings feel like a barrier to your faith, let Notes on Feminism help you unpick the confusion and ongoing debate, while keeping God at the centre.

Discovering Humor in the Bible Howard R. Macy, 2016-08-19 Some folks are surprised to find humor in the Bible; they don't think it has any. Others are embarrassed; they worry about being sacrilegious. Some laugh and don't tell anyone; others laugh out loud and share it with those around. However people respond, the Bible does, in fact, use humor. This book examines why it's there, why it matters, what it looks like, how to look for it, and what to do with it when you find it. The author's goal is to help people become better Bible readers, growing in both skill and insight. So the book doesn't just display a collection of museum pieces, showing the treasures of other explorers. Instead, it offers readers tools and field guides to become explorers discovering on their own. It's a fun how-to manual, dealing with what is routinely overlooked in teaching about biblical interpretation. Individuals will enjoy reading it, but it's also a rich resource for reading groups, Bible study groups, and classes.

Blessings, New Mom: A Women's Devotional Ellie Hunja, 2023-03-28 A weekly devotional for new moms that provides grace and compassion for the first year of motherhood and beyond Being a new mom and taking care of a newborn is a time filled with blessings, celebrations, and lessons that reveal God's truths about life and motherhood. As a devoted mother of three and passionate leader in her church community, Ellie Hunja earnestly shares the joys and challenges of new motherhood and reaffirms that God is always by your side as you find your path in this special season. Filled with weekly scriptures, affirmations, devotions, and prayers, Blessings, New Mom is a beautiful reminder that no matter the moment—precious and delightful or overwhelming and difficult—God will meet you where you are. Blessings, New Mom features: • 52 WEEKS OF SUPPORTIVE AND RELATABLE DEVOTIONS: Reflective prayers and honest devotions will make new moms feel seen and heard. • SCRIPTURE VERSES FULL OF GOD'S TRUTHS: Carefully selected Bible passages are designed to connect new moms with God for comfort, strength, and encouragement. • QUICK AND INSPIRING AFFIRMATIONS: Affirmations full of God's truth are as accessible as they are reaffirming so that new moms can focus on what's most important for them and their baby. • PLENTY OF WRITING SPACE FOR PRAYERS FOR BABY: Spacious blank entries allow moms to write special prayers for their baby and remember these precious moments forever. • BEAUTIFUL AND PRACTICAL PACKAGING: Beautifully decorated pages and compact size to easily keep bedside, in the nursery, or in a travel bag to provide calm at a moment's notice.
