**Man and Woman He Created Them** John Paul II,Michael Waldstein,2019-03-01 A new critical translation of Pope John Paul II's talks on the Theology of the Body by the internationally renowned biblical scholar Michael Waldstein. With meticulous scholarship and profound insight, Waldstein presents John Paul II's magnificent vision of the human person. Includes a preface by Cardinal Schönborn, a foreword by Christopher West, a comprehensive index of words and phrases, a scriptural index, and a reference table for other versions of the papal texts. Recipient of a CPA Award!

*Theology of the Body Explained* Christopher West,2003 Christopher West makes John Paul II's theology of the body available for the first time to people at all levels within the Christian community. Love, sexuality, and human flourishing are inseparable. Those who doubted this will find West's book a transforming experience, and those who have been wounded will find liberation and peace. A wonderful education on the meaning of being human. Christopher West teaches the theology of the body and sexual ethics at St John Vianney Theological Seminary in Denver. He is also visiting faculty member of the John Paul II Institute for Studies on Marriage and Family in Melbourne, Australia.

*Made for This* Mary Haseltine,2018-03-07 Millions of women have felt the power of birth, and countless women long for it. But for too many, birth can seem like a purely clinical experience — something to get through as quickly as possible in order to get on with the joys of being a mother. In *Made for This*, author Mary Haseltine draws on Pope St. John Paul II's Theology of the Body to show that birth is an essential part of who God created women to be, body and soul. With real-life stories from many moms and practical tips — including preparing for birth, making informed choices, helping fathers embrace their role in the birth room, and encountering the work of labor — this book is an indispensable guide for navigating the physical and spiritual dimensions of pregnancy and birth. Expectant mothers will find the tools they need to approach birth as a gift, and to invite God into the experience. About the Author Mary Haseltine is a theology graduate and a certified birth doula and childbirth educator. With a passion for building a culture of life through the teachings of the Theology of the Body, she works to bring an awareness and practice of the teachings of the Church into the realm of childbirth, mothering, and pregnancy loss. She lives in Western New York with her husband and five sons. You can find more of her writing at [www.betterthaneden.com](http://www.betterthaneden.com).

*Why Humanae Vitae Is Still Right* Janet Smith,2018-07-11 Paul VI's genius proved prophetic: he had the courage to stand

against the majority, to defend moral discipline, to exercise a 'brake' on the culture, to oppose present and future neo-Malthusianism. — Pope Francis Of all the paradoxical fallout from the Pill, perhaps the least understood today is this: the most unfashionable, unwanted, and ubiquitously deplored moral teaching on earth is also the most thoroughly vindicated by the accumulation of secular, empirical, post-revolutionary fact. The document in question is of course, *Humanae vitae*. — Mary Eberstadt, Author, *Adam and Eve after the Pill* After half a century, how has the teaching of Pope Paul VI on marriage and birth control, presented in his encyclical *Humanae vitae* (On Human Life), held up? Very well, says philosopher Janet Smith and her colleagues in *Why Humanae Vitae Is Still Right*. A sequel to Smith's classic *Why Humanae Vitae Was Right*, this new volume shows how the ethical, theological, spiritual, and sociological case for Paul VI's controversial document remains strong—indeed, how it's in some ways even stronger today, following Pope John Paul II's *Theology of the Body* and in light of the problems caused by the sexual revolution. In addition to essays by Dr. Smith herself, the book features contributions by other renowned experts and scholars such as Mary Eberstadt (author of the best-selling *Adam and Eve after the Pill*), George Weigel, Therese Scarpelli Corey, Michael Waldstein, Christopher West, Obianuju Ekeocha (author of the best-selling *Target Africa*), Maria Fedoryka, Deborah Savage, Derek Doroski, Angela LaFranchi, William Newton, Joseph Atkinson, Michele M. Schumacher, and Peter Colosi. *Why Humanae Vitae Is Still Right* includes the Krakow Document composed under the supervision of Cardinal Karol Wojtyla (later, Pope John Paul II), which provided research by moral theologians and other experts that helped to shape *Humanae vitae* to be a more personalistic document.

**Pope Francis and the Transformation of Health Care Ethics** Todd A. Salzman, Michael G. Lawler, 2021-06-01

Inspired by the teachings of Pope Francis, Salzman and Lawler provide the first extended critical commentary on the 2018 Ethical and Religious Directives for Catholic Health Care Services (ERD), proposing new ways forward for US Catholic health care ethics that prioritize human dignity as their guiding principle.

*Gift and Communion* Jaroslaw Kupczak, 2023-02-10 *Gift and Communion* offers a critical presentation of John Paul II's theology of the body, understood in the light of Christian theological tradition. The main thesis of the book is that John Paul II's theology of the body forms a new, inspiring approach to Christian ethics and the theology of marriage and family, as well as to theological anthropology. A central thrust of *Gift and Communion* is to treat theology of the body?as it deserves?in all its philosophical and theological seriousness and to present it as an important stage in the historical development of Catholic theology. This new approach combines a hermeneutical, post-modern reading of the holy scriptures with an attempt to interpret the biblical text in the light of important currents of Western philosophy as well as Catholic theological tradition. *Gift and Communion* critically evaluates the method, fundamental notions, and significance of John Paul II's thought, places his thought in the context of contemporary challenges to Christian belief and presents it as an important stage in the historical development of Catholic tradition.

**The Mystery of Marriage: A Theology of the Body and the Sacrament** Perry J. Cahall, 2014-12-01 This remarkable study offers a comprehensive explanation of the Catholic Church's teaching on the sacrament of marriage. Incorporating the rich insights found in St. John Paul II's Theology of the Body, Dr. Cahall presents a theology of marriage that incorporates the biblical, systematic, pastoral, and historical traditions which have shaped our understanding of this sacrament.

**Pope John Paul II's Theology of the Body in Simple Language** Sam Torode, Pope John Paul II, 2008

*Accountability, Healing, and Trust* Kimberly Hope Belcher, David A. Clairmont, 2025-01-17 By carefully listening to the words and wisdom of survivors, this volume focuses on ways forward in the work of creating an atmosphere of accountability, healing, and trust in today's church. In March of 2022, practitioners of psychology, law, and theology, gathered at the University of Notre Dame for a major conference to explore practical strategies to increase accountability, promote healing, and rebuild trust in the life of the Catholic Church in the wake of the clergy sexual abuse crisis. The essays in this volume share the fruits of those days spent reflecting on recent research on these challenging issues. The result is a hopeful resource in service to survivors and to those who minister with them through listening, giving voice, and bearing witness to the wounded body of Christ. The challenges of addressing the range of problems caused by the abuse crisis are great, affecting the work of ministry in profound ways. From the training of future ministers—lay and ordained—to the exercise of the church's various ministries in parishes, education and direct service, the abuse crisis calls out for a response to the questions posed by abuse survivors and those who accompany and hope to serve them. Organized around three themes—accountability, healing, and trust—the contributors to this volume probe the deepest understanding of the church's mission and name the most significant divisions in the response to the sexual abuse crisis. By carefully listening to the words and wisdom of survivors, this volume focuses on ways forward and treats clergy, laypeople, scholars, and ministers as partners in the work of creating an atmosphere of accountability, healing, and trust in the post-abuse-revelation church. *Global Perspectives on Catholic Religious Education in Schools* Michael T. Buchanan, Adrian-Mario Gellel, 2019-03-01 This book shares global perspectives on Catholic religious education in schools, chiefly focusing on educational and curriculum issues that take into account the theology and the pedagogy which support learning in connection with Catholic religious education. Further, it offers insights into the distinctive contribution that Catholic religious education makes to religious education and education in general across diverse schooling contexts. Bringing together insights from leading scholars and experts on Catholic religious education around the globe, the book offers an essential reference guide for all those involved in researching, planning and designing curricula for Catholic religious education, as well as developing related theories in

the field.

**Original Sin and the Evolution of Sexual Difference** Megan Loumagne Ulishney, 2022-11-03 Original Sin and the Evolution of Sexual Difference develops an interdisciplinary conversation between evolutionary biology, feminist philosophy, and theology in order to illuminate the entanglement of Christian thinking about original sin with theologies of sexual difference. It then assesses the opportunities for rethinking original sin and its implications for theologies of sexual difference in light of developments in evolutionary biology and feminist theology and philosophy. Despite some resistances in the present age to conceptions of both original sin and meaningful sexual differences, this study argues that both can provide essential insights that help to make sense of some of the features of human life in the twenty-first century, especially the stubborn persistence of inequality, poverty, environmental degradation, and the pernicious patterns of sexual violence and abuse that have been uncovered by the #MeToo movement. To this end, Megan Loumagne Ulishney marshals resources from a variety of places-Augustine of Hippo, feminist theology, the Extended Evolutionary Synthesis, John Paul II, and a new group of feminist philosophers known as the New Feminist Materialists-to develop an analysis of original sin and sexual difference that is grounded in both scientific and theological insights about creaturely life. The project cultivates a sense of wonder at the diversity and unpredictability of human biology, a value for the role of creativity in the human participation that partially shapes our ongoing evolution, and humility about the extent to which we can predict and control the future of the evolution of our species. It illuminates the interdependencies that define creaturely life, the persistent entanglement of nature and culture, the centrality of desire to human identity and behaviour, and the role played by biology in the transmission of sin. It develops a vision of material life as evolving, generative, and imbued with activity, but also as simultaneously infected with sin and saturated with the divine.

**The Ascent to God** Thomas P. Kuffel, Nancy Carol James, 2022-03-25 Called as pope, St. John Paul II emerged onto St. Peter's balcony proclaiming, "Do not be afraid!" What theology and mystery inspired this surprising proclamation? John Paul II's quest for holiness was grounded in the mystical insight that we participate in God. We seek the Beatific Vision, the Face of God, through which we are transformed in theosis or divinization. This infusion of grace perfects and unites us. In this book readers will find engaging theology intermixed with spiritual direction and lectio divina meditations. Utilizing Aquinas' method of scriptural interpretation, we are offered ways of seeking spiritual fulfillment to behold the Beatific Vision. Fr. Tom Kuffel shares personal experiences from his time studying and working in Rome, Nebraska, and Alaska. Reflecting on his own priesthood, his fascinating narratives encourage our own spiritual growth. Readers find fresh ways of engaging Scripture through St. John Paul II's New Pentecost, encouraging new interpretations of Vatican II.

**Love, Joy, and Sex** Stan Chu Ilo, 2019-07-30 There is no papal document that has generated as much interest, controversy, and debate in recent times as Pope Francis's *Amoris Laetitia*. This document, which came out of two very

divisive synods of Catholic bishops and leaders in Rome in 2014 and 2015, will probably be the most discussed document ever produced by a pope in modern Catholicism on marriage and family life. This volume has gathered seminal commentaries on *Amoris Laetitia* by African Catholic theologians, social scientists, and pastoral workers. They offer African theological and pastoral responses to the principles and practices proposed by Pope Francis and the Synod on the family on such contested issues as same-sex relations, divorce and remarriage, and reception and denial of Holy Communion in the church, among other divisive issues. These important essays and commentaries show the strengths and weaknesses of this papal commentary and point out the missing link in the global conversation on marriage, family, and same-sex relations. Their argument for the inclusion of African perspectives and moral traditions in the search for a third way in finding an inclusive and integrated pastoral art of accompaniment is very compelling. The authors here also call for the inclusion of Africa's own unique challenges—like polygamy, childless marriages, and the impact of migration, civil conflict, diseases, ecological and population crises, and the rights of African women—in the global discussion on marriage and family life. They also challenge uncritical clichés in world Christianity that Africa's opposition to same-sex marriages (or Western propaganda about population or birth control and contraception) are conservative, while showing diverse African conversations on these topics in the search for abundant life on this beautiful continent.

WHEN—Questions for Catholicism Michael J. Tkacik, 2022-07-01 Jesus calls the church to be a sacrament to the world. Sadly, many women, LGBTQ persons, people of other faiths, and lay persons experience suffering due to certain words and actions of the Catholic Church. At times, the language and practices of the church leave some people feeling as if their voices have been silenced, their roles limited, and their vocations impeded. Some often feel underappreciated and disrespected. This work explores a vision for the future church which faces these challenges and illuminates possible solutions. Every person has gifts given by God for the building up of the church. Through a thorough exploration of biblical and church teachings, alternative views of these issues provide a path to inclusion for all. This book is intended to bring comfort, hope, and healing to those who have been marginalized. It also offers a map for the church as it journeys to be more of what Christ calls it to be. In a manner faithful to the gospel, reforms for the church are considered that open it to what the Spirit might be saying. When is the time for all persons to be valued, welcomed, empowered, and respected? Now.

The Theology of the Body in John Paul II Richard M. Hogan, 2006

Religion and Politics in America Robert Booth Fowler, Allen D Hertzke, Laura R. Olson, Kevin R. Den Dulk, 2013-12-24

Religion and politics are never far from the headlines, but their relationship remains complex and often confusing. In this fifth edition of *Religion and Politics in America*, the authors offer a lively, accessible, and balanced treatment of religion in American politics. They explore the historical, cultural, and legal contexts that underlie religious political engagement while also highlighting the pragmatic and strategic political realities that religious organizations and people face. Incorporating the best and most up-to-date scholarship, the authors assess the politics of Roman Catholics; evangelical, mainline, and African American Protestants; Jews; Muslims and other conventional and not-so-conventional American religious movements. The author team also examines important subjects concerning religion and its relationship to gender, race/ethnicity, and class. The fifth edition has been revised to include the 2012 elections, in particular Mitt Romney's candidacy and Mormonism, as well as a fuller assessment of the role of religion in President Obama's first term. In-depth treatment of core topics, contemporary case studies, and useful focus-study boxes, provides students with a real understanding of how religion and politics relate in practice and makes this fifth edition essential reading for courses in political science, religion, and sociology departments.

*Modern Catholic Family Teaching* Jacob M. Kohlhaas, Mary M. Doyle Roche, 2024-06-03 A first of its kind critical engagement with the collected documents of Catholic Family Teaching Catholic Family Teaching (CFT) has developed in parallel with Catholic Social Teaching (CST), yet has not similarly been critically explored as a documentary tradition. *Modern Catholic Family Teaching* redresses this imbalance through a collection of outstanding commentaries and interpretations of the primary texts and key developments of CFT. *Modern Catholic Family Teaching* features academic commentary on magisterial texts that constitute primary sources of contemporary Catholic teaching on the family. Each chapter engages a moment in this tradition to invite critical academic engagement with CFT, a topic that increasingly bears weight across diverse areas of theological and ethical consideration. This edited volume offers a clear understanding of the tradition's growth and development over 130 years, equipping scholars and students of theology to engage the pressing

questions of our time.

**Inclusion and Sexuality in Catholic Higher Education** Mark A. Levand, 2023-05-23 Drawing on research conducted at 17 Catholic universities in the United States, making it the largest study of its kind, this volume explores effective practice in improving institutional policy relating to issues of sexuality. The text calls attention to campus cultures of fear, shame, or denial around sexuality and highlights possible points of institutional resistance to changes in policy. Discussing topics such as sexual identity, sexuality education in the curriculum, Title IX, employee termination, and morality clauses, the book shows how staff and faculty are crucial in effecting change across Catholic campuses, providing valuable insight into the “unspoken rules” around sexuality within the shadow culture at Catholic institutions. Moreover, the text illustrates how institutions can maintain fidelity to Church teachings and even embrace notions of human dignity, solidarity, and the common good to achieve sexual inclusivity. A unique study demonstrating how Catholic teaching can help support inclusive change around issues of sexuality and gender in higher education, it ultimately puts forward a practical framework for effecting change and improving student and staff support structures in Catholic institutions. It will thus appeal to researchers and academics working in the fields of Higher Education Management, Gender and Sexuality in Education, Religion, Gender and Sexuality, and the Sociology of Religion.

**Sisterhood** Chloe Langr, 2022-03-21 Let’s face it: Real-life friendship is hard! We find ourselves challenged by superficial #girltribe social media posts, so how can we really achieve authentic friendship? And is friendship even worth it? Sisterhood isn't just a trend or unreachable goal; in fact, friendship with other women is a necessity. Why? Because we’re made for it. We’re created in the image and likeness of the triune God. “Relationship” is stamped into our spiritual DNA — just as God desires to be in relationship with us, he also longs for us to be in authentic relationship with others. Whether you’re in a steady place with the women in your life or you're not confident at all when it comes to friendship with other women, each and every one of us always has room to grow in the art of friendship. In *Sisterhood: Giving and Receiving the Gift of Friendship*, Catholic wife, mom, author, and friend Chloe Langr offers a practical guide to discerning, developing, and keeping authentic friendships. About the Author Chloe Langr is a writer, blogger, editor, and author of *Created for Love: Reflections for the Catholic Bride-to-Be* and *Letters to Women: Embracing the Feminine Genius in Everyday Life*. She hosts the *Letters to Women* podcast and is passionate about the feminine genius and women's ministry. When she isn't buried under a growing stack of books, you can find her in a local coffee shop, spending time with her husband, Joseph, and their daughters Maeve and Ada.
