Genders, Sexualities, and Spiritualities in African Pentecostalism Chammah J. Kaunda, 2020-06-22 This book examines the complex and multifaceted nature of African Pentecostal engagements with genders and sexualities. In the last three decades, African Pentecostalism has emerged as one the most visible and profound aspects of religious change on the continent, and is a social force that straddles cultural, economic, and political spheres. Its conventional and selective literal interpretations of the Bible with respect to gender and sexualities are increasingly perceived as exhibiting a strong influence on many aspects of social and public institutions and their moral orientations. This collection features articles which examine sexualities and genders in African Pentecostalism using interdisciplinary methodological and theoretical approaches grounded within traditional African thought systems, with the goal of enabling a broader understanding of Pentecostalism and sexualities in Africa.

Blow the Cap off your Capability Yomi Akinpelu, 2020-01-07 You are designed for success. How can you achieve this success? The answer is straightforward: success comes as a result of few, simple, well-designed habits practised and repeated every day. So why doesn't everybody just do it? The answer is obvious, yet profound, according to John Rohn: it is because the things that are easy to do are also easy not to do. Does this book have the answers to all your life challenges? No! What this book will do is provoke you to think deeper and spur you to immediate, intelligent action. The message in this book is simple: be careful not to neglect doing the small things in your life that make the big things happen. Nothing will change unless you change. *Blow the Cap off your Capability* is a success and motivational toolbox with practical ideas and wisdom to help change your mindset and motivate you to prompt action so you can achieve your goals and live your best life beginning from right now. The chapters in this book are arranged in alphabetical order, covering a wide range of topics such as attitude, boundaries, comfort-zones, confidence, failure, integrity, leadership, procrastination, relationships and more. Some quotes from this book: Put your eggs in one basket and - watch that basket! (Andrew Carnegie) Success is not what you achieve, it's what you attract by the person you have become. (Jim Rohn) The secret to your success is found in your daily routine. (John Maxwell) The elevator to success is out of order, but the stairs is always open (Zig Ziglar) Jump, then grow wings on the way down. (Jack Canfield)

Intra-African Pentecostalism and the Dynamics of Power Amos B. Chewachong, 2024-10-29 In an era when African Pentecostalism stretches its vibrant mosaic across continents, *Intra-African Pentecostalism and the Dynamics of Power* examines the pulsating heart of this phenomenon within Africa itself. The book explores the complex interplay of faith and power through the lens of Nigeria's Winners' Chapel and its expansion into Cameroon. What compels a movement to evangelize fervently within its own continent, making it both the preacher and the audience? The book exposes the reverse missionary flow to the northern hemisphere as a backdrop for a more profound story unravelling within Africa. Here, the mother church exerts a magnetic pull, ensuring fidelity, as charismatic leaders, like Bishop Oyedepo, maintain their spiritual gravitas. It is a story not just of spirituality but of strategic moves and socio-political undercurrents that shape identities and beliefs. Employing rich narratives and rigorous research, this book looks in depth at Winners' Chapel's transnational

missions, highlighting the complexities of allegiance, identity, and the propagation of the prosperity gospel. It challenges readers to see beyond conventional religious discourse, into the depths where faith intersects with culture and power. The book invites us to understand the multi-dimensional influence of African Pentecostalism and to grasp the nuances of a faith that is transforming the continent from within.

The Believer's Manual for Excellence Patrick Payne Okoronkwo, 2019-08-02 Knowing and working with God is not a sprint. It is a marathon with very many dangerous twists and turns—craggy and crooked at that. It is getting progressively unpopular to be identified as a Christian in our present-day world with its attendant challenges and extraordinary indulgences. Real and valid questions are constantly agitating the minds of many, right from the crises of development to the decadence of aging and dying. This book is essentially a critical look at man as per who he is and his never-ending search for connection with his maker. It sees God as triune and also treats the trinity of man—that is, spirit, soul, and body—and the steps and strategies he needs to deploy to ensure he gets on top of his game in terms of his relationships with God, with brothers, at the workplace, in married life, social events, and many more. The Believer's Manual is an attempt to critically look at the believer in terms of his coming to the understanding that he needs his maker in every area of his life. It starts with getting to know his god, his plans and purpose for him, divine leading and direction, etc. It does a synopsis of temperaments and how God can use man no matter his temperament. The indwelling Holy Spirit makes the difference.
