**Quotes: The Famous and Not so Famous** Terence M. Dorn Ph.D., 2021-11-24 The accumulation of the following quotes began when I served the Army chief of staff as a speechwriter and is a result of encouragement that my father provided to me every day of our lives together. Much of that wisdom uttered decades and even hundreds of years ago are still as relevant today as they were when they were uttered. The times may change, but people don't.

quotations about powerful women through history. “My passions were all gathered together like fingers that made a fist. Drive is considered aggression today. I knew it then as purpose.” —Bette Davis When Donald Trump referred to Hillary Clinton as “such a nasty woman” during the last presidential debate in 2016, women everywhere felt a jolt of recognition—whatever their politics or feelings about Clinton. In response, they promptly turned his insult into an empowering slogan. This book celebrates the now-ironic phrase with a collection of quotations by and about strong women, both critical and positive. The words come from figures in ancient history like Cleopatra; founding mothers like Mary Wollstonecraft and Elizabeth Cady Stanton; feminist icons such as Gloria Steinem and Betty Friedan; politicians and government leaders; groundbreakers in arts and culture; celebrities; and the mothers, daughters, and sisters at home.

QUOTES SAMPLES: When someone shows you who they are, believe them the first time. The truth is, no one of us can be free until everybody is free. We may encounter many defeats but we must not be defeated. You are the sum total of everything you've ever seen, heard, eaten, smelled, been told, forgot - it's all there. Everything influences each of us, and because of that I try to make sure that my experiences are positive. Courage is the most important of all the virtues, because without courage you can't practice any other virtue consistently. You can

practice any virtue erratically, but nothing consistently without courage. If you have only one smile in you give it to the people you love.

**The Christ Literalist** L. O. U. MEZA, 2006-02 What did Christ say about war, peace and humanity? What did he say about politics and taxes? About life and death? Liberty and justice? What did he say about lust and greed? Family, marriage and divorce? The Christ Literalist is an attempt to consolidate His Word, i.e., at least, the words he actually spoke, into one volume. What is left, are the words of Christ for what they are, unadulterated, placed in their historical setting and contrasted by secular quotes from other notable historical and modern celebrities, revolutionaries, radical thinkers and misfits: 'Christianity will go. It will vanish and shrink. I needn't argue about that; I'm right and I will be proved right. We're more popular than Jesus now.' John Lennon, of The Beatles British Musician, 1940-1980 'In the secret of my knowledge there

is no God but me. The Satanic Rituals Written By Anton LaVey, (1972) 'the time has come. It is quite clear our Antichrist is here. It is done. Pig Vomit, in Private Parts Film Directed By Betty Thomas (1997) 'Ye serpents, ye generation of vipers, how can ye escape the damnation of hell? Jesus Christ Gospel of Matthew

**Body Language from Head to Toe** Per-Olof Hasselgren, 2015-08-20 Written by a physician, Body Language - from Head to Toe is a "dictionary" of American idioms and other expressions that contain the name of a body part. The use of body part-related expressions is both interesting and fun. This book contains about 2,000 such idioms, words, and expressions, such as "with the back against the wall," "brainstorming," "sweet tooth," and "tongue in cheek." Says author Per-Olof Hasselgren, "As a surgeon, I understand the importance of anatomy and the knowledge of organs and tissues. This book reflects my longstanding interest in idioms and other expressions referring to body parts, and it 'connects' anatomy with the spoken and written language." This book was written for three main reasons. First, anatomy matters, particularly in surgery. During the last several years, collecting such expressions became a hobby for the author. Second, as someone moving to this country from another part of the world, Dr. Hasselgren is interested in the peculiarities of the American language. Idioms, slang, and other expressions are specific for any given language and quite often cannot be directly translated. Third, when one starts to be aware of them, written and spoken body language can become quite entertaining.

Trusting God to Get You Through Jason Crabb, 2011-01-04 More than anything else, this book is about an amazing God who reaches down and touches ordinary lives. It is a testimony of all He has done for Jason Crabb's family and for the people he has been privileged to meet throughout the years on the road. He wrote this book because every soul walks through the fire of adversity. Most of us have walked that plank several times. Whether the life of your dreams is unfolding before your eyes, or you are losing hope that it ever will, you have tasted a trial or two. No human being with breath in his lungs can say, Difficulty has never darkened my doorstep. You may have entirely different life experiences than Jason. Yet, when you look in the rearview mirror, you can see the high points and low points of days gone by. The important thing--the truly amazing thing--is that like Jason you came through all of it. There may be a scar or two to remind us of the past, but the past is behind us. Jason Crabb wants you to know that you came through it for a reason. There is something God is yet going to do with you. The important things to remember is that you can go through the fire with God's help.
