

Bearer Of Bad News

Charles Figley, Peter Huggard, Charlotte Rees

Theological Dictionary of the New Testament Gerhard Kittel, Gerhard Friedrich, Geoffrey W. Bromiley, 1985-07-10
Geoffrey W. Bromiley has abridged this monumental theological dictionary into a convenient, one-volume edition that is accessible to all readers.

Being the Best Bearer of Bad Tidings Katharine M. Sweeny, 2008 ABSTRACT: Giving bad news is an unpleasant task, and the medical literature provides numerous guidelines for giving bad news well. However, what people mean by giving bad news well is less clear. What should be the goal when communicating bad news? I suggest that the goal of news-givers should be to guide recipients toward a desired response. I propose a theoretical framework, the Bad News Response Model, for delivering bad news that draws from research in health and social psychology. The model is applicable to all forms of bad news and specifies that three characteristics of the news (controllability, likelihood, and severity) influence which response (watchful waiting, active change, or acceptance) will most often lead to the best quality of life for the recipient. Our studies examined three questions related to the Bad News Response Model: How does the type of bad news affect response choices? (Studies 1 and 2) How do people feel about responses to bad news? (Study 3) How do people view the effectiveness of responses to bad news? (Study 4) Results suggest that response choices are predictable based on the controllability, likelihood, and severity of news outcomes, as suggested by the model (Studies 1 and 2). In addition, results revealed that people may also make response choices based on the beliefs they have about response options (Study 3) and on the perceived effectiveness of each response (Study 4).

Mindside Poems Mapaseka Prudence Tshuwa, 2011-03-14 The mind side poems are the true feel poems that express the state of mind and heart of growing up persons who are trying to find the right path in life. The mood is both sad and lovely as these are opposites one has to deal with every day of life. The Self expressive poems of different stages of life for the young and older. Each poem brings about a sense of life, thought and feel to the unknown. The sense of helplessness and renowned hope gives metaphorical sense to the poems.

na ,

Journey to Cubeville Scott Adams, 1998-08 Dilbert and his co-workers continue to navigate a never-ending maze of mission-statement rhetoric, futile team-building exercises, and the torments of Dogbert.

Teacher's Teachings H. L. Hix, 2025-02-20 Sermons and commentaries and devotional writings all attest to the importance of keeping fresh perspective on even timeless teachings. Teacher's Teachings keeps perspective fresh by offering a new selection and arrangement and translation of Jesus' words: here are teachings readers have always heard, as they've never been heard. Teacher's Teachings includes only teachings (no birth, passion, miracle, or other narratives), but it includes teachings from noncanonical gospels alongside teachings from the canonical gospels, and it translates them with more fidelity to the original language than to King James, all in order to affirm that the teachings of Jesus have value not because they are old but because they are always new.

Tracing the Literary and Symbolic Significance of the Messenger through History Mohan Gopinath, 2023-11-20 This book is a unique study of how the role of 'the messenger' has changed throughout history, starting from ancient times and ending with the person's role today. The chapters include an analysis of the personal characteristics required by a messenger, the dangers they often have to face, especially in troubled times, and how they have the power to change the course of history because of their functions. The book analyses various types of messengers who were, and are still, significant, and ends by looking at how the role will continue to develop and change, taking technological advances into account. The book, in short, is unusual, captivating and will be of interest to an informed general readership and academics of various disciplines. Of particular interest will be the analysis the book provides of the messengers we send into space in search of life, and the potential messengers who will visit our planet in the future.

The Life and Witness of David Larry R. Helyer, 2020-12-09 The Life and Witness of David introduces the general reader to the remarkable career of David son of Jesse. This man streaked across the skies like a meteor and could rightly be called a Hebrew superstar. The stories about him are among the most beloved and captivating in Scripture. The author distills this amazing story in thirteen chapters and adds a fourteenth to sum up David's legacy in history, liturgy, and worship. David transformed the land of Israel from an insignificant federation of tribes into a Middle Eastern power, an extraordinary feat unparalleled in Israel's history. His importance, however, lies less in his military and political accomplishments than in his spiritual and theological contributions. In his action-packed life and in the book of Psalms, David, the man after God's own heart, speaks through the Spirit of God to our hearts in all the vicissitudes of life. At numerous points, the author draws attention to moments in David's story that reecho in the pages of the NT. David's story prefigures the story of David's greater son, Jesus, Son of God. The typological links connecting David and Christ in redemptive history are a key emphasis in this book.

Dancing with the Dinosaur William Lareau, 1994 The purpose of this book is to present you with a new perspective about work and business -- new behaviors, new expectations, new theories. In order to do this, it is necessary to disrupt and challenge the strongly ingrained but outmoded and ridiculous assumptions that you've been taught about business by well-

meaning parents, teachers, and by society. An important element of this book's strategy for challenging the old and teaching the new is to create and place you in a make-believe business jungle, replete with dinosaurs. This jungle and its dinosaurs are metaphors for the normal business world and the people who work in it. In order to strengthen the impact, all the dinosaurs are given special names. At first these names will seem strange and difficult to pronounce. Very quickly though, the names will become familiar and even endearing as you begin to internalize the concepts.

Devos for Brave Boys Jesse Florea, Karen Whiting, 2021-11-09 Loaded with activities, puzzles, and jokes, *Devos for Brave Boys* is an exciting 60-day devotional that will challenge boys to see God's power in the Bible, to love others courageously, to share their faith boldly, and to trust in God's protection. Daily readings will get boys into the habit of opening their Bibles and reading directly from God's Word, and the corresponding devotions and prayers will help them learn how to apply it to their own lives. With updated devotions from the best-selling *One Year Devotions for Active Boys*, *Devos for Brave Boys* is a devotional that boys will look forward to reading every day.

Hospice and Palliative Care Walter B. Forman, 2003 *Hospice and Palliative Care: Concepts and Practice, Second Edition* offers theoretical perspectives and practical information about this growing field. Contributing authors from a variety of backgrounds working in end-of-life care present a historical overview of hospice and explain how the interdisciplinary team functions in the hospice setting. They then discuss challenges to the team including symptom management, death education, ethical issues, and support groups. The future of hospice is addressed in the final part of the book. The contributors are experts in community medical care, geriatric care, nursing care, pain management, research, counseling, and hospice management.

The Careerist Rhymer Rigby, 2012-09-03 *The Careerist - 100 ways to get ahead at work* is a handy, quick-fix reference guide on how to improve your career prospects. Based on the weekly column in the *Financial Times* by Rhymer Rigby, it provides expert advice for those difficult career moments such as how to: do presentations, work a room, delegate effectively, market yourself, bounce back from failure, sack someone, use extracurricular activities, be more ambitious, change sector, make a good impression, ask for a pay rise, future proof your career, get headhunted, socialise with colleagues, find a mentor, deal with fights at work, deal with stress, set goals, manage former colleagues, step into big shoes, come across well in meetings, make humour work for you, deal with criticism, resign and much, much more. With expert opinions from industry professionals on every topic, *The Careerist* provides rubber-stamped career advice you can trust.

The Argosy Mrs. Henry Wood, Charles William Wood, 1893 A magazine of tales, travels, essays, and poems.

Divine Stories Andy Rotman, 2017-12-05 Explore this second volume of translations, in vivid prose, from one of the most celebrated collections of ancient Buddhist stories. Actions never come to naught, even after hundreds of millions of years. When the right conditions gather and the time is right, then they will have their effect on embodied beings. Ancient Buddhist

literature is filled with tales of past lives. The Buddha, surrounded by his followers, is asked how it came to be that a certain person has met a particular fate. With his omniscience, the Buddha looks into eons past and uncovers the events that led to the present outcome and foretells the future as well. With stories of wicked wives, patricidal princes, and shape-shifting serpents, *Divine Stories* offers a fascinating illustration of the law of karma—the truth that the power of good and bad deeds is never lost. These are some of the oldest Buddhist tales ever committed to writing, illuminating the culture of northern India in the early centuries of the common era and bringing to life the Buddhist values of generosity and faith. Andy Rotman's evocative translation combines accuracy with readability, with detailed editorial notes comparing readings in various Sanskrit, Pali, and Tibetan sources. *Divine Stories* is a major contribution to Indian and Buddhist studies.

Accidentally Engaged Mary Carter, 2015-05-26 I'm just the messenger. Please, don't kill me. . . Don't hate me because I'm psychic. . . everybody else already does. My name's Clair Ivers and these days my gift seems more like a booby prize. It all started when this crazy woman tried to bribe me into skewing a reading to warm her future sister-in-law's cold feet. Then the prospective sister-in-law threatened to kill herself at the altar if I didn't give her a phony reading saying she should break off the engagement. Oh, and did I mention she ran out, leaving her three-carat rock of a ring right there on my table? So what's an honest woman to do? Find the man who belongs to the ring, of course. And boy, have I found him. The minute I lay eyes on Jack Heron, I know he's the one. . . for me, that is. The problem is making him realize it once he finds out that I may be responsible for the flight of his fiancée. At least his grandmother likes me. Of course she thinks I'm someone else. And then there's the best man who keeps calling me for dates. . . and stock tips. Between the people who think I'm someone else, the people who wish I were, and the people who just want a bead on the winning Powerball numbers, I'm seriously considering packing in my deck for good. But not until I throw caution to the wind and make a play for my very own Jack of Hearts. . .

Majestic Timbers of Fall Samantha Friello, 2014-04-08 Get ready to step foot into an enchanting world of poetry written with a fiery passion, wisdom, and elegance; as only poet, Samantha Friello is able to evoke! By utilizing her insightful, moving, and humorous voice, she will take you on a spectacular journey while masterly weaving her unique vision into poems describing nature, animals, love, beauty, disappointment, everyday conundrums, and other little tidbits of interesting stuff! In her fifth anthology of poetry, *Majestic Timbers of Fall*, Samantha Friello promises to keep you engrossed as you turn each and every fascinating page of this breathtaking book!

First Do No Self Harm Charles Figley, Peter Huggard, Charlotte Rees, 2013-08-05 Keeping doctors happy and productive requires a thorough understanding of the systemic causes and consequences of physician stress, as well as the role of resilience in maintaining a healthy mental state. The pressure of making life-or-death decisions along with those associated with the day-to-day challenges of doctoring can lead to poor patient care and communication, patient dissatisfaction, absenteeism, reductions in productivity, job dissatisfaction, and lowered retention. This edited volume will provide a

comprehensive tool for understanding and promoting physician stress resilience. Specifically, the book has six interrelated objectives that, collectively, would advance the evidence-based understanding of (1) the extent to which physicians experience and suffer from work-related stress; (2) the various manifestations, syndromes, and reaction patterns directly caused by work-related stress; (3) the degree to which physicians are resilient in that they are successful or not successful in coping with these stressors; (4) the theories and direct evidence that account for the resilience; (5) the programs during and following medical school which help to promote resilience; and (6) the agenda for future theory, research, and intervention efforts for the next generation of physicians.

Creative Ideas for Using Scripture in Worship Paul S. Glass, 2012-05-31 Seasons like Advent, Christmas, Lent and Easter are among the busiest for clergy and leaders of worship. This addition to the popular Creative Ideas series helps you plan seasonal worship more easily with a range of easy-to-use dramas and ideas to liven up worship, all based on the lectionary readings. It includes: • dramatic readings of lectionary readings and drama sketches for all seasons of the Christian year • short and snappy dramatic dialogues exploring biblical readings from a contemporary point of view • ideas for using our worship space more creatively • ideas for non-lectionary events such as Christingle • how to write creatively for worship • CD-Rom with downloadable resources Seasons covered include Advent, Christmas, Christingle, Epiphany, Lent, Mothering Sunday, Easter, Pentecost, Trinity Sunday, Harvest and Remembrance Sunday.

The Media and Disasters Joan Deppa, Maria Russell, Dona Hayes, Elizabeth Lynne Flocke, 2023-05-09 First published in 1993, *The Media and Disasters* looks behind the key scenes in the drama unfolding in the aftermath of the Pan Am 103 explosion: Lockerbie, visited by an estimated 1000 journalists in the month following the disaster; New York's Kennedy Airport, where families learned in the presence of the media that their loved ones had perished; Syracuse University, plunged into mourning the loss of 35 students from the school's study abroad programme; and homes on both sides of the Atlantic, grief-stricken as news reached relatives of the passengers and crew. The authors, professors of communication at Syracuse University with years of media experience, began looking at the effects of such coverage because of what they experienced when the media came to cover the grieving on their campus. What they learned in the U.S. and the U.K. will interest those concerned about media coverage of crisis events, as well as those who communicate about them: journalists, survivors, public information officers, public relations practitioners, emergency support personnel, business and political leaders.

Systemic Consultancy in Organisations Roswita Königswieser, Martin Hillebrand, 2016-11-01 This introduction to systemic organisational consulting addresses a readership from a wide range of professions. The authors, consultants with the renowned Vienna-based Königswieser & Network GmbH, describe their integrated approach to business and systemic process consulting for the commercial and non-profit sectors. The book contains chapters that deal with the basic principles of this approach, the specific kind of systemic intervention, consulting in difficult situations, as well as the future of

organisational development and consulting. It is complemented by articles focusing on topics including personnel cutbacks, corporate governance practices, and executive coaching at the individual and team levels. We have experienced many different consulting approaches and forms of management training in the past, but the work done by Königswieser & Network was truly remarkable. It is largely thanks to them that the employees involved in the project in our organization are now highly motivated, raring to go and brimming with enthusiasm. Wilhelm Braun, Eurovia Services

Delve into the emotional tapestry woven by Crafted by in Experience **Bearer Of Bad News** .
