53 Quotes to change your perception Prasanna M S, I believe that Life is always ready to teach, it depends on us whether we choose to learn from it or not. I have been guided by this principle and have continuously looked at several ways to acquire knowledge. During pandemic, I was looking for ways to keep the team motivated and engaged. It occurred to me that we can keep the team motivated by regularly bringing some relevant quotes from leaders around the world that can lift the spirits of the team. I started posting a quote on Monday each week, this was well received by the team and I extended this to share with social media on LinkedIn. Looking at an encouraging engagement and reaction to my posts. I continued this practice and that is how I ended up with more than a year worth of motivational quotes that I present to you as part of this journal/book. Initially I posted quotes that were already familiar or famous personalities who have had significant impact to society. Later this led to lot of research and learning on my own part. Here as part of this collection, I present to you what I

learnt about the quote, the leaders and the quotes in turn had some meaningful thought provoking learning overall.
