**Kelly Chance Beckman**

**The Voice of Christ** John Skinner, 2021-04-16 This book is based upon information that was given to me by Christ in meditation during the Lenten season of 2020. My interaction with Christ became so casual, meditation was unnecessary. He then presented my calling to write this book through the dictation of Christ, the Virgin Mary, and our Almighty God. The initial purpose of this book was to evangelize, with the direct words of Christ, the Virgin Mary, and the Almighty God. A secular world that is divided among their Christian and worldly or pagan beliefs is starting to collapse as evil reigns within our governments. The deceit from within the Protestant churches confuses the minds of those born into them. A false truth that is the only one you know is sad. We need to rebuke the heresy of Martin Luther so we can unite Christianity once again. Without unity, our communion is not whole, and the word Christian becomes too broad when it is not meant to be. The main ones who almost always refer to themselves as Christian are the nondenominational Christians—some of the biggest deceivers among us. Let go of yourselves to listen to the divine voices of our Holy Family.

*Spacecruiser Inquiry* A. H. Almaas, 2002-04-30 Over the past twenty-five years A. H. Almaas—widely recognized as a leader in integrating spirituality and psychology—has been developing and teaching the Diamond Approach, a spiritual path that integrates the insights of Sufism, Buddhism, Gurdjieff, and other wisdom traditions with modern psychology. In this new work, Almaas uses the metaphor of a spacecruiser to describe a method of exploring the immediacy of personal experience—a way of investigating our moment-by-moment feelings, thoughts, reactions, and behaviors through a process of open-ended questioning. The method is called the practice of inquiry, and Spacecruiser Inquiry reveals what it means to engage with this practice as a spiritual path: its principles, challenges, and rewards. The author explores basic elements of inquiry, including the open-ended attitude, the focus on direct knowledge, the experience of not-knowing, and the process of questioning. He describes the experience of Diamond Guidance—the inner wisdom that emerges from our true nature—and how it can be realized and applied. In this process Almaas looks at many of the essential forms of Diamond Guidance, including knowing, clarity, truth, love, intelligence, compassion, curiosity, courage, and determination. Also included are exercises and questions and answers from the original talks by Almaas on which the book is based.

Illuminati Bible of Divine Light: Part one Sorin Cerin, 2021-07-10 With the appearance of my first philosophical studies

but also of aphorisms, I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible, so that in present to publish the full form of the Bible, which I felt that it will be perfected with the help of God, and which I decided to call the Illuminati Bible of Divine Light. Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014, the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts? Simple. Firstly because I wanted to help, in Good, the Karma of this World, because Illuminati and Enlightenment are spoken of in negative terms, and secondly because Illuminati comes from Enlightenment, and true Enlightenment cannot bring the Evil, nor can it be the Evil, vile. True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness. Therefore, in order to improve the Karma of Mankind, I show that Enlightenment does not consist in Wickedness but in combating Wickedness. The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power. These people are by no means Enlightened but Dark. If there really are some in such a situation then they use the term Illuminati or Enlightened falsely. How, just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature, for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee, who are afraid that, if the Truth would be found, they will lose both their financial and their decision-making power. I believe that the future will belong to those truly Enlightened, the true Illuminati. A thing is to use Evil to bring through it, Good and another is to use Evil to bring through it the Wickedness. The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it, and the Good only for the Evil less Evil, when the Good itself can lead to destruction, disaster or pain. The real Bad People, the Dark Ones, are the ones who use both Good and Evil to do as much as possible Evil and not Good. Mankind must understand that the Evil and Good, the God and the Devil are an Entity with two distinct characteristics, an Entity that defines our True God, that is, our Creator Factor and Unique-Incidentally. Therefore, in order to improve the Karma of this World, we will have to pray to the Universal Consciousness formed by the Universal Pure Language. That is, to pray to the Divine Light of all the Worlds, the Supreme God of Intelligence, which to inspire our thoughts so that to use in moderation both Good and Evil, for the ultimate purpose of doing and bringing through us as much as possible Good. Why didn't I let in continuation the name of the Illuminati Bible and to this new, much deeper work of the Bible and call it the Illuminati Bible of Divine Light ? Because compared to the other book called the Illuminati Bible, the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism. (Sorin Cerin)

If the Foundations be Destroyed Dr John McElhaney,2019-08-20 This book reveals the problems that we have today that are destroying the things that God has established. The picture of the family has been so distorted because of divorce, living together without marriage, homosexual marriage and lifestyle, transvestites, and many other things, that it does not resemble what God established at all. The government has been corrupt ever since it has been in place. Look at the horrible things the government has sanctioned down through the years. The treatment of the native Americans, by killing them and taking their land through trickery or force. Look at slavery, the most horrendous thing this country has ever done is enslaving black folks for two hundred fifty years, and after they received freedom they were still treated as inferior and not welcome by white folks. The church in America does not resemble the early church at all, weak preachers, who fear man more than God. The church is totally segregated in American, the white church still is so prejudice in the south.

*The Enlightened Man's Evolution into the Family of Man* Shido of Sukhavati,2014-11-12 Shido observed that almost all men lacked the fundamental knowledge about relating to women. He learned that most women lacked the most basic knowledge of how men think and what drives men to take action. Society is composed mostly of men and women who do not know how to relate. Therefore he set out to teach men the many skills necessary to relate to women. He also wrote an equivalent book for women to relate to men. These skills and a major effort will produce the best possible marriage with the best possible woman for most men who have made the best possible effort. This book guides men into fulfillment of their need for one woman with which to connect and to merge. It guides men into five channels of communication with their wives. Continuous and never ending improvement in the skills in this book may lead to a lifelong satisfaction with the marriage. **The Invisible War** Michael Phillips, 2024-02-28 What will the political and cultural landscape look like to Christians in 2050? Will progressivism have eliminated Christian values altogether? Will the Christian foundations of America stage a comeback? Will Christians be anticipating the end times? Will the tribulation have come? Beginning with the emergence of the New Left out of the tumultuous 1960s, the first two installments of *Tribulation Cult* stretch over three generations, climaxing with the election of 2048. Center stage are four college friends who follow divergent life paths— two Christians who become ministers, their liberal counterparts who rise to the summit of world politics. The journeys of the four focus many interconnected themes in the lives of men and women who must decide where they stand as the nation increasingly splits along liberal and conservative lines, and what role the church is meant to play in that divide. Will true Christians be viewed as a cult, ostracized from mainstream society, culture, and politics? These are only two of the questions the characters in *Tribulation Cult* are forced to grapple with in this deeply challenging spiritual drama written in the style of Phillips' best-selling contemporary page-turner *Rift in Time*.

*Seeking Truth* Crae F. Hancock, 2005-12-19 Seeking Truth motivates a person to find truth. Most of us exist within a psychological illusion of the truth. This illusion of truth exists in a holographic sense. We literally exist within our thoughts. While covered within an analogous shell one filters any new ideas and thoughts through preconceived parameters. In this sense you could hear, see or experience bonafide truth but be unable to accept it as the truth for this reason the scientific method for establishing truth necessitates that an experiment must be performed time and time again with the same results. In common law the truth shall be established by two or more witnesses. May your shell illusion, vaporize. May you see, hear, understand and intuit truth.
