

Dutch Schultz Last Words

Brendan G. Carr

The Last Words of Dutch Schultz William S. Burroughs, 1993 Before he was gunned down in the Palace Chop House in Newark, NJ, October 1935, Arthur Flegenheimer, alias Dutch Schultz, was generally considered New York's Number One racketeer. He survived for two days, with a police stenographer to record his last words. He talked of his childhood and youth, as well as his recent past. Burroughs has taken these last words as a starting point to create his own fiction about the man.

The Last Words of Dutch Schultz William S. Burroughs, 1970

Last Words Karl S. Guthke, 1992-10-30 Whether Goethe actually cried More light! on his deathbed, or whether Conrad Hilton checked out of this world after uttering Leave the shower curtain on the inside of the tub, last words, regardless of authenticity, have long captured the imagination of Western society. In this playfully serious investigation based on factual accounts, anecdotes, literary works, and films, Karl Guthke explores the cultural importance of those words spoken at the border between this world and the next. The exit lines of both famous and ordinary people embody for us a sense of drama and truthfulness and reveal much about our thoughts on living and dying. Why this interest in last words? Presenting statements from such figures as Socrates, Nathan Hale, Marie Antoinette, and Oscar Wilde (I am dying as I have lived, beyond my means), Guthke examines our fascination in terms of our need for closure, our desire for immortality, and our attraction to the mystique of death scenes. The author considers both authentic and invented final statements as he looks at the formation of symbols and legends and their function in our culture. Last words, handed down from generation to generation like cultural heirlooms, have a good chance of surviving in our collective memory. They are shown to epitomize a life, convey a sense of irony, or play to an audience, as in the case of the assassinated Mexican revolutionary Pancho Villa, who is said to have died imploring journalists: Don't let it end like this. Tell them I said something. Originally published in 1992. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton

University Press since its founding in 1905.

Last Words William S. Burroughs, 2007-12-01 *Last Words: The Final Journals of William S. Burroughs* is the most intimate book ever written by William S. Burroughs, author of *Naked Lunch* and one of the most celebrated literary outlaws of our time. Laid out as diary entries of the last nine months of Burroughs's life, *Last Words* spans the realms of cultural criticism, personal memoir, and fiction. Classic Burroughs concerns -- literature, U.S. drug policy, the state of humanity, his love for his cats -- permeate the book. Most significantly, *Last Words* contains some of the most personal work Burroughs has ever written, a final reckoning with his life and regrets, and his reflections on the deaths of his friends Allen Ginsberg and Timothy Leary. It is a poignant portrait of the man, his life, and his creative process -- one that never quit, not even in the shadow of death.

Dutch Schultz Nate Hendley, 2021-06-15 While uncouth, unpredictable, and unpopular with his mob peers, ruthless gang boss Dutch Schultz was also wildly successful — for a time. Gang boss Dutch Schultz rose to prominence in the 1920s using violent means to peddle low-quality bootleg beer in New York City. When Prohibition ended, Schultz diversified into other rackets, becoming fantastically wealthy in the process. Playing by his own rules, “The Dutchman” always seemed to come out on top in conflicts with cops, courts, and disloyal members of his own crew. Uncouth and unpredictable, Schultz was also unpopular with his mob peers who conspired against him. Shot in a restaurant ambush, Schultz’s delirious hospital-bed rants cemented his idiosyncratic legacy. This concise account highlights the short, violent life of one of America’s strangest gangsters.

The Last Words of Dutch Schultz William S. Burroughs, 1975

Dictionary of Last Words, 2021-10-26 This A-to-Z compendium presents the last recorded words of more than 1,500 individuals across history, from ancient kings to modern outlaws. A person’s last words carry intrinsic and enduring fascination, especially if the individual in question is widely remembered or historically significant. Whether profound or pedestrian, these final statements can sum up an entire life—or even prophecy the future. This unique reference volume collects 1,664 quotations representing the last words of some of history’s most famous, fascinating, and influential personalities. They include kings and queens, statesmen and scientists, poets, saints, criminals, and many others. *Dictionary of Last Words* is a treasure trove of deathbed pronouncements, last letters, and true gallows humor.

William S. Burroughs Cutting Up the Century Joan Hawkins, Alex Wermer-Colan, 2019-05-17 This definitive book on Burroughs’ decades-long cut-up project and its relevance to the American twentieth century, including previously unpublished works. William S. Burroughs’s *Nova Trilogy* (*The Soft Machine*, *Nova Express*, and *The Ticket That Exploded*) remains the best-known of his textual cut-up creations, but he committed more than a decade of his life to searching out

multimedia for use in works of collage. By cutting up, folding in, and splicing together newspapers, magazines, letters, book reviews, classical literature, audio recordings, photographs, and films, Burroughs created an eclectic and wide-ranging countercultural archive. This collection includes previously unpublished work by Burroughs such as cut-ups of work written by his son, cut-ups of critical responses to his own work, collages on the Vietnam War and the Watergate scandal, excerpts from his dream journals, and some of the few diary entries that Burroughs wrote about his wife, Joan. William S. Burroughs Cutting Up the Century also features original essays, interviews, and discussions by established Burroughs scholars, respected artists, and people who encountered Burroughs. The essays consider Burroughs from a range of perspectives—literary studies, media studies, popular culture, gender studies, post-colonialism, history, and geography. “A landmark in scholarship.” —Choice

Uncloseting Drama Nick Salvato, 2010-10-26 In this work modernism is illuminated through little-known but striking works by Ezra Pound, Gertrude Stein and others who revived the closet drama, plays written largely for private reading as a means of exploring forbidden sexualities.

The Letters of Robert Frost Robert Frost, 2021-04-30 The Letters of Robert Frost, Volume 3 collects 601 letters, covering 1929–1936. The letters chronicle Frost’s negotiation of life as a public figure and as the head of a family enduring tragedy. Fully annotated and accompanied by biographical material, the letters reveal the mind of an artist at the height of his powers.

Further Last Words of Dutch Schultz Ficus Strangulensis, Andrew Russ, 1995

A Brotherhood Betrayed Michael Cannell, 2020-10-06 The riveting true story of the rise and fall of Murder, Inc. and the executioner-turned-informant whose mysterious death became a turning point in Mob history. In the fall of 1941, a momentous trial was underway that threatened to end the careers and lives of New York’s most brutal mob kingpins. The lead witness, Abe Reles, had been a trusted executioner for Murder, Inc., the enforcement arm of a coast-to-coast mob network known as the Commission. But the man responsible for coolly silencing hundreds of informants was about to become the most talkative snitch of all. In exchange for police protection, Reles was prepared to rat out his murderous friends, from Albert Anastasia to Bugsy Siegel—but before he could testify, his shattered body was discovered on a rooftop outside his heavily-guarded hotel room. Was it a botched escape, or punishment for betraying the loyalty of the country’s most powerful mobsters? Michael Cannell’s *A Brotherhood Betrayed* traces the history of Murder, Inc. through Reles’ rise from street punk to murder chieftain to stool pigeon, ending with his fateful death on a Coney Island rooftop. It resurrects a time when crime became organized crime: a world of money and power, depravity and corruption, street corner ambushes and elaborately choreographed hits by wise-cracking foot soldiers with names like Bugsy Goldstein and Tick Tock Tannenbaum. For a brief

moment before World War II erupted, America fixated on the delicate balance of trust and betrayal on the Brooklyn streets. This is the story of the one man who tipped the balance.

Deathbed Conversions Karen Edmisten,2013-11-01 W.C. Fields reportedly quipped as he flipped through a Bible on his deathbed: I'm looking for loopholes. Is a last minute conversion really a loophole? Is it fair to the faithful who have toed the line their whole lives? Far from being the easy way out, a deathbed conversion is almost always the culmination of years spent resisting God's patient, persistent call. Each of these journeys to redemption will deepen your faith and encourage you to help others find their way to him. In this book you'll read the compelling stories of thirteen people who finally found peace with the Lord in the last months, weeks, or even hours of their lives, including: Poet/playwright Oscar Wilde Nobel laureate Alexis Carrel Actors John Wayne, Patricia Neal, and Gary Cooper Gangster Dutch Shultz Entertainer Buffalo Bill And more

Chrisp's True Crime Miscellany Peter Chrisp,T. G. Fieldwalker,2013-10-14 This arresting miscellany is jam-packed with intriguing and enlightening stories, facts, and trivia about all manner of murderers, miscreants, and malcontents. The book reveals incredible tales about criminal gangs around the world, such as the Japanese Yakuza, the L.A. Crips and Bloods, and the Italian Camorra. Plus, there are extensive lists of criminal slang throughout the centuries; an exploration of Russian prison tattoos; a confidence trickster's lexicon; insights into the world's most audacious crimes-like the the ft of the Mona Lisa-and quotes from the criminals themselves, and the cops who chased them. Inside are gritty black-and-white illustrations and revealing portraits of some of society's scariest criminals.

Dark Faith Maurice Broaddus,Jerry Gordon,2010-05 Presents a collection of horror tales by such authors as Brian Keene, Tom Piccirilli, Ekaterina Sedia, Jay Lake, and Mary Robinette Kowal.

Pop Goes the Decade Martin Kich,Aaron Barlow,2020-01-07 Analyzing complex social and political issues through their manifestations in popular culture, this book provides readers a strong foundational knowledge of the 1960s as a decade. 1969 went out in a way that could never have been imagined in 1960. While the president at the end of the decade had been vice president at the start, the intervening years permanently changed American culture. Pop Goes the Decade: The Sixties explores the cultural and social framework of the 1960s, addressing film, television, sports, technology, media/advertising, fashion, art, and more. Entries are presented in encyclopedic fashion, organized into such categories as controversies in pop culture, game changers, technology, and the decade's legacy. A timeline highlights significant cultural moments, while an introduction and a conclusion place those moments within the contexts of preceding and subsequent decades. Attention to the decade's most prominent influencers allows readers to understand the movements with which these figures are associated, and discussion of controversies and social change enables readers to gain a stronger understanding of evolving American social values.

Shift Linguals Edward S. Robinson,2011 Shift Linguals traces a history of the cut-up method, the experimental writing

practice discovered by Brion Gysin and made famous by Beat author William S. Burroughs. From the groundbreaking works of Dada and Surrealism that paved the way for Burroughs' breakthrough, through the countercultural explosion of the 1960s, Shift Linguals explores the evolution of the cut-ups within the theoretical frameworks of postmodernism and the avant-garde to arrive at the present and the digital age. Some 50 years on from the first 'discovery' of the cut-ups in 1959, it is only now that we are truly able to observe the method's impact, not only on literature, but on music and culture in a broader sense. The result of over nine years of research, this study represents the first sustained and detailed analysis of the cut-ups as a narrative form. With explorations of the works of Burroughs, Gysin, Kathy Acker, and John Giorno, it also contains the first critical writing on the works of Claude Pélieu and Carl Weissner in English, as well as the first in-depth discussion of the writing of Stewart Home to date.

Dutch Schultz Last Words Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change.
