

My Wife Is A Demon Queen

Richard Lewis

Demon Queen Kayden McLeod, 2015-02-04 WOULD YOU RATHER KNEEL IN HEAVEN OR REIGN IN HELL BLURB
Liwet Lunais Allengahny walks the earth with a single minded focus. Half angel, part demon, shunned by the world around her, she learned to grow a thick second skin few can pierce. Once, she allowed her heart to guide her, and the experience near destroyed her. Oriax is a man of few words, but many actions. He stalks Liwet, not because he wants to. The demon pulling his strings has demanded he destroy her life, in the worst way imaginable. By taking her heart. EXCERPT “No one else will die for me,” I whispered. Mastema straightened to his full height, towering over me. “It’s my job, duty, and right to protect my sister, who is the imminent ruler of my legion.” “Not like this!” I chewed my lower lip. “I’m not like you.” He shot me a “Duh, no, really?” smirk. “My dark powers aren’t bound, even if I don’t know how to use them. Up until last week, the Grand Legion didn’t give a shit about what I did, provided I didn’t stir up trouble for them.” “Stupid bastards,” Nicor said. I waved off the comment. “But now I mean something to them. I pose a threat, right? Me. Not any of you. Unless....” “Unless what?” Mastema growled. “You stand between them and what they want. What if this is exactly what Gaap wants? Whether you use your powers or not, any scene you make will be a big offense and just as bad as if you’d let your demon hang out for the world to see. I can still fight with all I’ve got. I’m not bound by the laws as you are.” “We know what they are — you don’t.” Melchom ground his teeth. “I know parlor tricks with enough flash to make them wary of me. I can do this. I’ve been saving my own ass for a long time now.” “You don’t have to.” Mastema clasped my hands in his. “You can stay in here, where it’s safe. We’ll contact Oriax and call in more guards. Aythna and her sisters created that spell with everything they had. We might have time....” “Their magic is human, no matter how talented they are, Mast. A witch spell will act as a speed bump, nothing more.” “You plan to go out there alone to face them?” His voice stayed low, deadly. I lifted my chin and met his gaze. “Damn straight I will.” “You won’t survive.” “Fuck, Mast! Where is all that faith you had in me fifteen minutes ago? I’ve done this your way for how many days now? I’ve come to heel, and I’m tired of it.” I poked him in the chest. “You. Will. Not. Die. For. Me. Not today, or any other.” He growled and leapt away as if I’d burned him. “You’re so fucking stubborn!” “You raised me to be.” My hands clenched into fists. “Fine, I’ll make a compromise. I will go out there, all by my lonesome, and show them I don’t fear them. But if I’m over my head, then, and only then, may you come out with guns blazing.” My stomach rolled at the sight of his tortured face. “You’d be dead before I could get to you.” “Come now, brother mine. You’ve prepared

me for days just like today." "Dirty half-breed, come out to play," a second male voice called from outside. I whirled for the door, releasing my inner snarling, rabid dog. Mastema grabbed my arm. "Liwet...." "Don't you dare try to stop me!" "I won't. Their open insult grants you the right." I stilled. Did he mean it? "Then give me your oath you'll stay inside?" "You have it." "Not good enough." I grabbed the second knife, tucked into the waistband of my pants. It was much sharper than the one in my pocket. I sliced my hand wide open. "Your blood oath." He said nothing, simply holding out his hand for me to cut. I sliced deep, the pain barely touching me. We clasped palms in a warrior's tradition: palm over wrist, right over the beat of our pulses, the weakest point of the arm and a show of honor, respect, and trust. Then he did the most appalling thing he'd done yet. He pulled me into a hug. "I will not interfere until my service to you is vital," he said into my ear. I took the hint. I snatched a pistol grip shotgun from him and faced the crowd. "For many of you, I am your celebrated, ordained queen, whether I accept this or not. For once, my title works in my favor." I met Melchom's glare. "With that privilege, I order you to stay here to protect my brother and his livelihood." I left Mastema and the head of the guard to deal with the uproar I'd left in my wake. With a flick of a finger, the front door swung open. The moment I stood on the other side, it slammed shut behind me.

The Demon Queen Jewel Killian, 2020-07-17 They call me Uniter of Realms, Bringer of Peace, High Queen. But I don't know how to be any of that. Five realms hang in the balance, three races whose lives depend on magic, and one corrupt king hoarding it all for himself. My role? Oh, just fixing it. Easy, right? But a handful of sexy realm leaders insist I'm the human-born with demon blood—each vying for attention, each one's touch drawing something strange and blissful from me. Sweet, attentive Callum, pragmatic and commanding Sorin, dark and intuitive Verrill, and icy, collected Jadzeera. Each one has something to teach me—about magic and about myself. The longer I stay in these hell realms the closer I grow to each realm leader, the more my power grows and the more I realize I cannot simply have one realm leader. I need them all by my side—and in my bed—to bring the realms back together. The Demon Queen is a fast-burn FFMMM Reverse Harem. This fun, sexy ride is packed full of seductive demons, a smart heroine, a wisecracking best friend, and a teleporting cat. EDITORIAL REVIEWS It's EXTREMELY rare for me to give a book 5 stars. I reserve it only for books that move me and make me want to revisit their pages. This book is that and so much more. Being a pansexual/non-monogamous woman has been a journey. Accepting it and being proud to declare such titles has not been simple, and escaping into the RH world has been a fun way to escape into a fantasized reality, but never have I read a story with characters that so deeply made me feel the vast range of emotions. (How dramatic for a fantasy book about sexy stuff, right? Lol) Beyond the personal rightness this book gave me, tingly belly feels and all, the world building is orgasmic in its own right. The storyline was engaging and magical with just a hint of realism and it-could-happen factor. I absolutely loved every moment of this story, and if you are looking for an

awesome bisexual main character with a lady lover and four delicious dudes, then you'll absolutely love this book. I definitely did. -JSpringer Original. Groundbreaking! ...Reading RH can feel a bit wearisome at times.... When you read RH the way I do, it is really refreshing to finally find a horde with lady interest. This is the first in well over one hundred reads that went there, and balanced all the parts perfectly. Kudos to the author for breaking out of a mold and reshaping things. Also, I want to say that this author found a way to have the heroine actually figure things out without spending too much time on her baggage. It's there, but Zurie jumps beyond. Love it. -SJennings

The Demon Queen T.J. Story,2023-01-06 The Moon Goddess blessed me from the moment I was born. I came from an Alpha and a Luna, but I did not gain a wolf like everyone else. "I am Your Queen." I figured it would be better not to push him right now.

He smiles at me, his eyes calming down a bit, but then he grins evilly at me. "Good girl."
