*The Scientism Delusion Techno Mysticism And Techno Spiritual Warfare Exploring the Connections Between Scientism and Luciferianism* Gregory Garrett, 2018-02-14 This enthralling page turner breaks all the molds, and fearlessly exposes the deepest darkest intrigue in history...The Luciferian Agenda for a New World Order. In it, we learn of the Luciferian roots of Modern Science, as the reader is transported back in time to the insidious origins of modern-day Scientism, the current religion of most scientists today. Through an excursion into the roots of Scientism, Mr. Garrett deftly retraces the historical antecedents of Scientism, echoing back to The Secret Mystery Schools of Kabbalistic, Egyptian Hermeticism, onwards into the true nature of Freemason and Alchemical Occultist, Sir Isaac Newton, and then further into the nefarious Vatican Jesuit Priesthood, whose hidden hand can be linked to the creation of The Illuminati, as well as the current Luciferian New Age Religion. Finally, the serpentine path leads up into modern Freemasonic Luciferian, NASA, and then to The Jesuit Controlled Alien Deception about to take hold of the world. --Christian Chesterfield Ph.D.

I'm a Nobody Gregory M. Hasty, 2022-02-14 Did you ever want religion and faith to be explained straightforwardly without confusion or perplexing concepts? I'm A Nobody is written by someone like you. It takes everyday common sense and blends it with insight and lays out rational thoughts for believers and non-believers alike. You'll experience how to increase optimism and how to avoid the debilitating effects of worry and anxiety. Readers will explore the depths of what is considered our comfort zone and ways to break free into the areas more fulfilling. Discover how to find the elusive attribute of patience and then to recognize spiritual pride when it appears unwanted and unannounced. This reading is for anyone who has always wondered about how to speak to God and whether He hears what you're saying and explains how to become personal friends with the Lord. We then explore how to eliminate doubt and ways to become more generous. We'll travel along on an imaginary voyage that ventures into heaven to see the promised land, followed by the birth of angels and how they came into being assuming an active role in God's world. We'll gain insight about when Satan arrived and his tactics used on humanity to bring evil and sin into our world. After reading we'll be able to recognize his strategy and formulate a battle plan for protection. What's considered an idol and do we absent-mindedly worship random gods that lead us into lapses of wrongdoing? Contained inside are the types and severity of sins, what constitutes a miracle and what the Bible says about foolishness. The importance of corporate worship is highlighted along with what matters today, a chapter on Our Lives Matter. I'm A Nobody is for everyone, because God sees us all the same. No one is a nobody to God.

But we have a part to play when Satan attacks. It is up to us to take responsibility and be watchful of his schemes. And we must become spiritually militant in order to counter his assaults. In this repackaged classic, bestselling author Dutch Sheets issues a call for watchmen who, through strategic prayer and the Holy Spirit's leading, pray a perimeter of protection around their loved ones, their cities, and their churches--while at the same time unraveling the schemes of the devil. God's call still goes out for watchmen. Can you hear it? Join your fellow believers in fervent prayer!

The Grace and Peace of God Pam Pastor, Ph.D., 2022-08-19 The Grace and Peace of God - Love Wins! By: Pam Pastor, Ph.D. The chief aim of The Grace and Peace of God - Love Wins! is to assist people searching for a deeper, more intimate

relationship with Christ Jesus. This book focuses on the two greatest commandments: love God with all your heart, mind, and soul, and love your neighbor. Other supporting elements include forgiveness, humility, faith, Holy Spirit, prayer, and judgment versus discernment. Today, like never before in the past, man is searching for meaning in life.

**The Kingdom of God Has No Borders** Melani McAlister, 2018-07-02 Award of Merit, 2019 Christianity Today Book Awards (History/Biography) More than forty years ago, conservative Christianity emerged as a major force in American political life. Since then the movement has been analyzed and over-analyzed, declared triumphant and, more than once, given up for dead. But because outside observers have maintained a near-relentless focus on domestic politics, the most transformative development over the last several decades--the explosive growth of Christianity in the global south--has gone unrecognized by the wider public, even as it has transformed evangelical life, both in the US and abroad. *The Kingdom of God Has No Borders* offers a daring new perspective on conservative Christianity by shifting the lens to focus on the world outside US borders. Melani McAlister offers a sweeping narrative of the last fifty years of evangelical history, weaving a fascinating tale that upends much of what we know--or think we know--about American evangelicals. She takes us to the Congo in the 1960s, where Christians were enmeshed in a complicated interplay of missionary zeal, Cold War politics, racial hierarchy, and anti-colonial struggle. She shows us how evangelical efforts to convert non-Christians have placed them in direct conflict with Islam at flash points across the globe. And she examines how Christian leaders have fought to stem the tide of HIV/AIDS in Africa while at the same time supporting harsh repression of LGBTQ communities. Through these and other stories, McAlister focuses on the many ways in which looking at evangelicals abroad complicates conventional ideas about evangelicalism. We can't truly understand how conservative Christians see themselves and their place in the world unless we look beyond our shores.

*Mightily Oppressed But Mightily Delivered* David Komolafe, 2012 Darkness is getting dense, but cannot overpower the light of God in us.

**Getting the Holy Ghost** Peter Marina, 2013-01-30 This book carries an ethnographic signature in approach and style, and is an examination of a small Brooklyn, New York, African-American, Pentecostal church congregation and is based on ethnographic notes taken over the course of four years. The Pentecostal Church is known to outsiders almost exclusively for its members' "bizarre" habit of speaking in tongues. This ethnography, however, puts those outsiders inside the church pews, as it paints a portrait of piety, compassion, caring, love—all embraced through an embodiment perspective, as the church's members experience these forces in the most personal ways through religious conversion. Central themes include concerns with the notion of "spectacle" because of the grand bodily display that is highlighted by spiritual struggle, social aspiration, punishment and spontaneous explosions of a variety of emotions in the public sphere. The approach to sociology throughout this work incorporates the striking dialectic of history and biography to penetrate and interact with religiously inspired

residents of the inner-city in a quest to make sense both empirically and theoretically of this rapidly changing, surprising and highly contradictory late-modern church scene. The focus on the individual process of becoming Pentecostal provides a road map into the church and canvasses an intimate view into the lives of its members, capturing their stories as they proceed in their Pentecostal careers. This book challenges important sociological concepts like crisis to explain religious seekership and conversion, while developing new concepts such as “God Hunting” and “Holy Ghost Capital” to explain the process through which individuals become tongue-speaking Pentecostals. Church members acquire “Holy Ghost Capital” and construct a Pentecostal identity through a relationship narrative to establish personal status and power through conflicting tongue-speaking ideas. Finally, this book examines the futures of the small and large, institutionally affiliated Pentecostal Church and argues that the small Pentecostal Church is better able to resist modern rationalizing forces, retaining the charisma that sparked the initial religious movement. The power of charisma in the small church has far-reaching consequences and implications for the future of Pentecostalism and its followers.

*Against the Darkness* Graham A. Cole, 2019-11-12 Many Christians live as though they are effectively alone in the world. However, there is another realm of intelligent life that plays a role in the world—angelic beings. This book explores the doctrine of angels and demons, answering key questions about their nature and the implications for Christians' beliefs and behavior, helping readers see their place in the larger biblical plotline that includes supernatural beings. An understanding of the reality of angels and demons encourages believers to be vigilant in the light of spiritual warfare and to be confident in Christ's victory on the cross.

*Mountain Top Life Daily Devotional 2020* Dr. D. K. Olukoya, Life-changing encounter with the God that answers by fire through a daily devotional. Its enriching and edifying. Start your day right with God.

**The Unseen Realm** Heiser, Michael S., 2015-09-01 In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the glorious ones that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The

book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches. --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement 'How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book. --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.' --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College
