I AM Sons & Daughters,2021-09-21 If you are struggling to find your place and calling in this copy-and-paste world, you are not alone. Issues of the Soul Richard H. Cox,2010-07-01 Richard Cox's book emerges, green and refreshing, as an oasis in a desert planted with cactus or downright fake trees of spiritual reading . . . Readers will have a remarkable experience . . . and they will be sorry to come to the last page . . . A book for all seasons by a man for all seasons. --Eugene Kennedy Author, syndicated columnist, Professor Emeritus, Psychology Loyola University, Chicago Issues of the Soul is a book that I'd encourage everyone to read . . . presented in a spiritual and psychological context [that provides the reader with] the potential for achieving a richer, fuller life. --Gordon Johnson President/CEO Jane Addams Hull House Association What Richard Cox shares is not dry erudition but vital insights illuminated by an abundance of personal and very relevant anecdotes. This is by no means just another book. --Vernon Grounds Chancellor Denver Seminary Richard Cox has written a masterpiece in Issues of the Soul. It is all together fitting and proper that he has written this book, and made his wisdom, wit, and insight available to a broad audience. --Herbert H. Franks President Illinois State Bar Association Comparing life to a cake that is best savored slice by slice, and written by a man who lived, endured and ultimately exulted in every slice of what life offered him, Issues of the Soul is a refreshing, challenging, and a down-to-the-very-groundedness-of-human-existence commentary on contemporary life and its sociological perceptions and misperceptions. --Unula Anderson, MD author of Immunology of the Soul Richard H. Cox, author, psychologist, physician, and theologian is President Emeritus/Professor of the Forest Institute, an accredited graduate school of professional psychology. He is a charter member of the American Association of Pastoral Counselors (retired) and ordained Presbyterian (USA) minister.

By His Scars Sharon Worrell Beshears,2021-03-02 We often feel our scars are unsightly, and we try to hide them. In By

His Scars, author Sharon Worrell Beshears helps you overcome your emotional scars and insecurities through scripture. She encourages you to learn from the many lessons your scars can teach you because each scar has a story to tell. Some speak of victory and triumph, while others remind you of painful moments you long not to relive. Emotional scars cannot be treated with ointment, and she advises you to give those scars to God. Through his word and his grace, you can face your giants, take control of these negative memories, and find victory. Inspired by the teachings of Jennie Allen, author of *Get Out of Your Head*, Beshears communicates that you have the power over your mind through scripture, prayer, and ultimate surrender to Christ.

How Relationships Work, Second Edition Irene Alexander, 2020-06-12 This book explores some of the basic principles of a wide range of relationship topics from boundaries, to sex, to differentiation, assertive communication, and conflict. We often are not taught these rules of the game of life when we are growing up and so have to learn them the hard way: by trial and painful error. This book won't explain how to manipulate people to make lots of money. Nor how to charm everyone to your point of view. Rather it is about learning to relate more openly and effectively—to lead a good life that brings fulfillment and joy.

Plenishment in the Earth Stephen David Ross, 1995-01-01 This book is an ethic of inclusion leading from gender and sexual difference through the social world of race and culture to the natural world.

The People Speak Anthony Arnone, Colin Firth, 2012-09-13 'The idea was simple - take the most impassioned speeches about the fight for what is right and bring them to life for a new generation' COLIN FIRTH *The People Speak* tells the story of Britain through the voices of the visionaries, dissenters, rebels and everyday folk who took on the Establishment and stood up for what they believed in. Here are their stories, letters, speeches and songs, from John Ball to Daniel Defoe; from Thomas Paine to Oscar Wilde; from the peasants' revolts to the suffragists to the anti-war demonstrators of today. Spanning almost 1,000 years and over 150 individual voices, these are some of the most powerful words in our history. Compiled by Academy Award-winning actor Colin Firth, influential writer Anthony Arnone and acclaimed historian David Horspool, *The People Speak* reminds us that history is not something gathering dust on a library shelf - and that democracy has never been a spectator sport.

Margaret Capel: A Novel (Complete) Ellen Wallace, 1846-01-01

Do I Have to Give Up Me to Be Loved by You Jordan Paul, Margaret Paul, 2010-06-07 This classic text for couples interested in creating freer, more joyful, and profoundly intimate relationships explores the delicate balance of being true to

oneself and being loved by another. Newly updated by the authors, here is the classic text for couples interested in creating freer, more joyful, and profoundly intimate relationships. In their best-selling book about couple relationships, Jordan Paul and Margaret Paul explore the delicate balance of being true to oneself and being loved by another. While couples think they are fighting about money, sex, or time, the authors reveal how such conflicts are almost always more deeply rooted and related to issues of self-protection. Offering a solid framework for conflict resolution, the authors guide couples in working through fears and false beliefs that can block the expression of loving feelings. Stories of couples and examples of dialogue validate readers' feelings and experiences. Key features and benefits: a proven best-seller, highly recommended by marriage therapists, includes exercises for couples to explore core beliefs and values.

In the Image of God Shirley Mayhood, 2022-05-02 We were created in the image of our Creator! It was a perfect and loving relationship, but when Adam and Eve chose evil over that relationship with their Creator, that image of God we were created with was lost to us. In our world today, many Christians are more attuned to the world than to God's Word. Many seem to have the attitude that because they are in the world, they must be like the world. But this world is not anything like God, and Christians need to come to the certain knowledge that they are in the world, but not of the world. We as God's kids are not to live in the image of a lost world careening into a dark and bottomless pit of pure evil. Jesus Christ became our atoning sacrifice so that you and I can return to that original image of God that we were created to be. This ought to be our goal in life: to be like God, to do our very best to live in the image of God. This book is a daily devotional of biblical attitudes, characteristics of Jesus Christ, the deep meaning and example of God's amazing precepts and loving actions. God gave us a book to show us His right and loving law, but when Jesus came, He condensed all of the Father's law into just two: Jesus said to him, 'You shall love the Lord your God with all your heart, with all your soul, and with all your mind.' This is the first and great commandment. And the second is like it: 'You shall love your neighbor as yourself.' On these two commandments hang all the Law and the Prophets. (Matthew 22:37-40) It is my sincere hope that this book of devotions will help all who read it to know God better, to love Him more, and to understand what the true image of God means. 451

To Tempt A Rogue Adrienne Basso, 2014-04-30 From Regency London to the wilds of Scotland, the bestselling author

spins a tempestuous tale of secrets, surprises, and breathtaking passion. She ran from a broken heart . . . A pillar of decorum and decency, Harriet Sainthill suddenly finds herself the object of scandal when her cad of a fiancé jilts her. Ever practical, she accepts a position as a governess to a wealthy Scottish merchant, determined to escape London and the gossip of the ton. Her hopes for a quiet new life are dashed when she arrives at the dark, desolate castle in the wilds of Scotland and meets her mysterious new employer—a darkly handsome man Harriet finds both intimidating and intriguing Straight into the arms of love Powerful, implacable and infuriatingly secretive, “Mr. Wainwright” is no Scottish merchant, but rather a runaway English lord. Once a rake who savored the indolent life of a reckless nobleman, Nathaniel Bennett must now protect three orphaned children and his own legacy from a conniving relative. And while the distraction of a sharp-tongued governess is the last thing he needs, he can think of little else but sweeping her into his arms . . . and off to his bed. As danger and deceit ally them in a perilous adventure, Harriet will soon uncover Nathaniel's deepest secrets—and her own deepest desires. “The sensuously detailed love scenes, undercurrent of danger and polished writing . . . will draw fans of Amanda Quick and Nicole Jordan.” —Booklist on To Protect An Heiress

The Social Cancer Jose Rizal,2009-06-01 Filipino national hero Jose Rizal wrote The Social Cancer in Berlin in 1887. Upon his return to his country, he was summoned to the palace by the Governor General because of the subversive ideas his book had inspired in the nation. Rizal wrote of his consequent persecution by the church: My book made a lot of noise; everywhere, I am asked about it. They wanted to anathematize me ['to excommunicate me'] because of it ... I am considered a German spy, an agent of Bismarck, they say I am a Protestant, a freemason, a sorcerer, a damned soul and evil. It is whispered that I want to draw plans, that I have a foreign passport and that I wander through the streets by night ...
