A Westside Love Story 2 Vivian Blue,2016-02-14 It is said, Everything in the dark comes to light... Well, all of the skeletons are about to fall out of the closet. But, whose closet will it come from first? Because everyone has something to hide. Baby Doll abruptly left Dip's party after her argument with Al, making him look foolish in front of his family and friends. Dip was pissed and decided to confront her the next day, but his approach to the situation sets off a chain of events that will have lasting effects on everyone. An old demon resurfaces in Dip's life as a means to cope with Bay Doll running off to New York, as Alan is left to babysit a very dysfunctional Dip. Dottie feels its time to expose Baby Doll's secret because Al needs to know the truth. So, she and Emily drag Al off to New York to show him the daughter that he didn't know he had. And, when he sees Allie for the first time in church, his world is completely rocked when she calls Baby Doll, mama. It's a thin line between love and hate. And, the rage that ignites within Al could jeopardize his feelings for the love of his life. Jeffery, Baby Doll's father calls and warns his godson, Cleopus (Dip), that he is displeased with his actions towards his daughter. Dip reassures him that his intentions are good as he professes his love for Baby Doll. But his drug habit is causing problems with his rational thinking. He feels that Al needs to disappear in order for him and Baby Doll to be happy. However, it is difficult for him to make rational decisions, and Baby Doll is growing more and more impatient with his bizarre behavior. However, a turn of events will change the tide, giving Dip the upper hand towards his happiness. Will Baby Doll be able to cope with everything weighing down on her shoulders? Or, will she decide that another fate is best?

A Westside Love Story 3 Vivian Blue,2016-03-22 Baby Doll believed she could fly and leaped off the side of Raise the Bar but, as usual, Al was there to catch her fall from grace. However, this time it lands Baby Doll in a psychiatric center for a thirty-day observation, along side her soon to be daughter-in-law, who's been depressed and not talking to anyone since Alan's death. With vengeance and anger raging through Baby Doll, she refuses to be counted among the broken, and wages war against all those who brought death at her doorstep; starting with her fiancé, Dip. Dip went missing when Baby Doll didn't show up at Paulette's house for their wedding. He figured she'd gotten cold feet and ran off to New York, so he sought refuge in his PCP habit, liquor and Red until Paulette came with the news of Baby Doll's whereabouts. He couldn't believe she tried to kill herself, and wanted to go be by her side and rescue her away from the crazy house. The first thing on his agenda, marry Baby Doll before she disappears again. Now out, and married, Baby Doll puts her plan into action and schemes to bring Dip down along with his cronies for the death of her beloved best friend. Baby Doll used Alan being a live to will Cleo back around, and she jumped on board after learning Caesar was the one who pulled the trigger. Dip's attempts to keep Baby Doll away from Al fell on deaf ears. And, when Dip catches Baby Doll and Al at Alan's house having sex, he knows now more than ever that Al must go! Tempers run high and blood shed occurs when Dip experiences the one thing that could drive any man over the edge. Who will be left to live happily ever after?

Daily Life in the 1960s Counterculture Jim Willis,2019-08-15 This book looks at daily life during a pivotal decade in American history: the 1960s. It covers the Vietnam War and the civil rights movement as well as counterculture and protest movements. The war and the violence associated with protests of it came at great personal cost to many American families. This book looks those social and cultural changes, examining such topics as the sexual revolution; recreational drug culture; the roles of film, television, and music; and more.

These six beautiful blond sisters try to make their way in the world after a tragedy strikes their family. Each book has a cameo appearance by one of the sexy heroes from Shay's beloved O'Neil series. Elizabeita Ludzecky is two different women: one the risk-taking, hip, wild child in the Ludzecky family. Her other side is the Rhodes Scholar and businesswoman who works at the Metropolitan Museum of Art. The problem is she doesn't know which is the real her. But what she does understand is the secret she carries inside her, and how it's helped her survive a family fraught with tragedy. Hardened cop Nick Casella decides to leave the NYPD because of his distaste for anti-police sentiment that developed after several high profile shootings were not prosecuted in the courts. But he's asked to be part of a task force for the NYPD, an undercover unit specializing in unique crimes. He's sent to the Met, ostensibly as a new employee do to set ups and other odd jobs. The famous museum has been besieged by odd emails, hackers and maybe even a stalker. Nick works with Elizabeita when they put up a new exhibit and, at first, is not at all charmed by her winsomeness, her upbeat attitude about life or her sexy charisma. She's a baby anyway, as he has more than a decade on her. But she's getting the emails, too, and might be a victim, so he has to spend time with her. When she sets her sights on him, his first instinct is to run in the other direction. Soon, that changes dramatically. With secret and lies as the basis of a relationship, especially an older man/younger woman romance, does it have any chance of surviving? If you like sisters in love stories,

The Continental Dragoon: A Love Story of Philipse Manor-House in 1778 Robert Neilson Stephens, 2020-09-28

There were reasons why such a group, on that road at that time, was an unusual sight, reasons familiar to any one who is well informed in the history of the Revolution. Unfortunately, most good Americans are better acquainted with the French Revolution than with our own, know more about the state of affairs in Rome during the reign of Nero than about the condition of things in New York City during the British occupation, and compensate for their knowledge of Scotch-English border warfare in remote times by their ignorance of the border warfare that ravaged the vicinity of the island of Manhattan, for six years, little more than a century ago. Our Revolutionary War had reached the respectable age of three and a half years. Lexington, Bunker Hill, Brooklyn, Harlem Heights, White Plains, Trenton, Princeton, the Brandywine, German-town, Bennington, Saratoga, and Monmouth—not to mention events in the South and in Canada and on the water—had taken their place in history. The army of the King of England had successively occupied Boston, New York, and Philadelphia; had been driven out of Boston by siege, and had left Philadelphia to return to the town more pivotal and nearer the sea, New York. One British commander-in-chief had been recalled by the British ministry to explain why he had not crushed the rebellion, and one British major-general had surrendered an army, and was now back in England defending his course and pleading in Parliament the cause of the Americans, to whom he was still a prisoner on parole. Our Continental army—called Continental because, like the general Congress, it served the whole union of British-settled Colonies or States on this continent, and was thus distinguished from the militia, which served in each case its particular Colony or State only—had experienced both defeats and victories in encounters with the King's troops and his allies, German, Hessian, and American Tory. It had endured the winter at Valley Forge while the British had fed, drunk, gambled, danced, flirted, and wenched in Philadelphia. The French alliance had been sanctioned. Steuben, Lafayette, DeKalb, Pulaski, Kosciuszko, Armand, and other Europeans, had taken service with us. One plot had been made in Congress and the army to supplant Washington in the chief command, and had failed. The treason of General Charles Lee had come to naught, but was to wait for disclosure till many years after every person concerned should be graveyard dust. We had celebrated two anniversaries of the Fourth of July. The new free and independent States had organized local governments. The King's appointees still made a pretence of maintaining the royal provincial governments, but mostly abode under the protection of the King's troops in New York. There also many of those

Americans in the North took refuge who distinctly professed loyalty to the King. New York was thus the chief lodging-place of all that embodied British sovereignty in America. Naturally the material tokens of British rule radiated from the town, covering all of the island of Manhattan, most of Long Island, and all of Staten Island, and retaining a clutch here and there on the mainland of New Jersey.

This Love Story Will Self-Destruct Leslie Cohen, 2018-01-23 This is the classic tale of boy meets girl: Girl...goes home with someone else. Meet Eve. She's a dreamer, a feeler, a careening well of sensitivities who can't quite keep her feet on the ground, or steer clear of trouble. She's a laughter, a crier, a quirky and quick-witted bleeding-heart-worrier. Meet Ben. He's an engineer, an expert at leveling floors who likes order, structure, and straight lines. He doesn't opine, he doesn't ruminate, he doesn't simmer until he boils over. So naturally, when the two first cross paths, sparks don't exactly fly. But then they meet again. And again. And then, finally, they find themselves with a deep yet fragile connection that will change the course of their relationship—possibly forever. Follow Eve and Ben as they navigate their twenties on a winding journey through first jobs, first dates, and first breakups; through first reunions, first betrayals and, maybe, first love. This is *When Harry Met Sally* reimagined; a charming tale told from two unapologetically original points of view. With an acerbic edge and heartwarming humor, debut novelist Leslie Cohen takes us on a tour of what life looks like when it doesn't go according to plan, and explores the complexity, chaos, and comedy in finding a relationship built to last.

Destruction of Justice Lawrence Davis, 2019-04-28 An out of practice wizard-turned-investigator must protect another life in this urban fantasy mystery for fans of Jim Butcher and Benedict Jacka. Janzen Robinson is no longer a man torn between two worlds, having decided to come off the bench and dive head first into Cleveland's magical underworld. With his new partner and perpetually exhausted friend Grove, he's just starting to get a handle on all the supernatural happenings when disaster shows up at their doorstep and doesn't even have the decency to knock. Gale stands accused of disrupting the Balance, and Janzen finds himself abruptly tasked with finding out who's behind the accusation. It's a charge as serious as it is vague, at least to Janzen, but that doesn't stop the two governing bodies of the In-Between from showing up in his hometown and unleashing a Blind Judge to exact justice. The House of Unet and the Tribe of Masarou don't share Janzen's sense of humor, nor do they have anything in the way of patience or lenience when it comes to dealing with infractions of their laws. Janzen's already impossible job only gets harder when he finds the fingerprints of old enemies all over this case. Now, with a wanted fugitive hiding in their makeshift headquarters and the entire magic community painting a target on his back, Janzen and Grove must step outside their normal alliances for help while attempting to stay ahead of the brutal enforcers hot on their trail in their attempt to get to the bottom of who it was that framed Gale....

A Female King's Love Story Mo XiaoYi, 2020-05-12 Once transmigrated, the woman would become the ruler and the man would become the concubine. The beautiful man repeatedly cried out His Majesty's blessings, scaring a certain woman

to the point that her face turned pale. Grass bag? Puppet? Unrestrained and unbridled? The martial arts world? The imperial government? A battle for the harem? The woman smiled. It seemed like this empress was much more exciting than a godly thief! There were thousands of beautiful men in the harem, and even if they were to linger amongst the flowers, it was still a good show. There were thousands of weak waters, and only one ladle of wine was taken, but this ladle seemed to be ruthless. Black lines appeared on the face of a certain man: Madam, this is all just a ladle! He has plans to get his share of a lick that he'd hit right before he went back to prison and get out of town before someone takes his life. She's fighting for her own survival and isn't interested in his advances, and there's another parolee in her case load that is making it difficult for him to even try. Thaddeus Brown is on parole for money laundering and is another parolee in Roberta Charles's case load. He has some mental health issues going on and takes a liking to Roby because she genuinely seems to care about his well-being. There's an obvious attraction between the two of them that neither one of them can deny, and when Thad gets off of parole, he has plans on claiming Roby for himself. However, there are a lot of secrets about Thad's life that Roby doesn't know, and it might push them further apart instead of bringing them together.
