

William E Butterworth Iv

W.E.B. Griffin, William E. Butterworth IV

The Hostage W. E. B. Griffin, 2006 The president turns to Delta Force major Charley Castillo for a discreet investigation into the murder of an American diplomat in Argentina and the kidnapping of his wife.

Empire and Honor, 2012

Death and Honor W.E.B. Griffin, William E. Butterworth IV, 2008-06-03 June 1943. Many Germans—some of them high-ranking officers—believe the tides of war have turned against them. Increased activity suggests there may be truth to whispers heard by Office of Strategic Services spies: that the Nazis are extorting Jews outside Germany to buy their relatives' freedom from extermination camps, then smuggling the ransom in Operation Phoenix to fund safe havens in Argentina, Brazil, and Paraguay for senior Nazi officials when Germany falls. With so much money and more at stake, lives are, too, and it's up to USMC Major Cletus Frade—the top OSS spook in “neutral” Argentina—to find out. That is, before the ruthless Nazis order his murder...

The Outlaws W.E.B. Griffin, William E. Butterworth IV, 2010-12-28 The former Presidential Agent's Office of Organizational Analysis has been disbanded. Charley Castillo and his colleagues have retired, and the sudden death of the President has brought an adversarial Commander-in-Chief into the Oval Office... But just because Castillo is out of the government doesn't mean he's out of business. He still has the skills and the manpower to do what others can't or won't do. And his first job is a real killer. A barrel filled with some nightmarishly lethal biohazard material has been shipped to an Army medical lab—material that Castillo and his men were supposed to have destroyed on a mission. Clearly, the message is that more of the deadly material remains. But who has it? And what do they want? With lives at stake—including his own—Castillo knows that he's not going to like the answers one damn bit...

The Saboteurs W.E.B. Griffin, William E. Butterworth IV, 2006-06-06 W.E.B. Griffin continues his gripping Men at War series, featuring the legendary OSS. As the Battle of the Atlantic rages, German U-boats are sinking U.S. vessels at will. Meanwhile, preparations are being made to invade Sicily and Italy. As the war heats up, Wild Bill Donovan and his secret agents find themselves battling on two fronts at once. And fate is about to deal them a surprise that may doom them all.

In the Line of Duty W. E. B. Griffin, 1999 June 1941 - as war clouds break over Europe, Franklin D. Roosevelt and Wild Bill Donovan orchestrate the most complex espionage operation in history, the Office of Strategic Services. The action soon

dashes from Washington to the battlefronts of Germany, Morocco, China, Burma and Corregidor.

The Honor of Spies W.E.B. Griffin, William E. Butterworth IV, 2009-12-29 August, 1943: In his short time as a spy with the Office of Strategic Services, young Cletus Frade has faced many unlikely situations, but nothing like his new assignment. Having helped Lieutenant Colonel Wilhelm Frogger escape a Mississippi P.O.W. camp, he must now get the defiant German to turn against his country.

The Attack W.E.B. Griffin, William E. Butterworth IV, 2023-03-14 A dead girl, a wealthy family, and indications of drug use. It's a toxic mix that leads Philadelphia detective Matt Payne deep into an unexpected maelstrom of deceit and madness in the latest entry in the New York Times bestselling Badge of Honor series. In the dark shadows of downtown Philadelphia, the body of a seventeen-year-old suburban high school cheerleader, clad only in her uniform top and with massive bruising on her throat, is found floating in the Delaware River. When Homicide sergeant Matt Payne surveys the scene, he shakes his head at yet another vicious murder in a city that's suffering a record number of killings. And he knows this one, involving the petite, pretty daughter of a wealthy entrepreneur, will play long and loud in the media. Payne soon learns that the father had his vessel outfitted with miniature security cameras. Almost the entire crime was captured as digital video. Despite some imperfections, the video shows—in painful, shocking detail—what happened. And who the parents feared was responsible: the University of Pennsylvania student, an ill-mannered and arrogant Middle Easterner with movie-star looks, who they had forbidden their daughter to see again. Still, it's not case closed. The murderer has gone underground. Payne races to find the killer before he can unleash an even more savage attack.

The Murderers W. E. B. Griffin, 1998 A narcotics cop is shot dead. A bar owner's wife and partner are gunned down in a robbery. A young woman dies of a heroin overdose. All seem unconnected. But these deaths are set to trigger a convergence of corruption, cops, and the mob that could tear the Philadelphia police department apart.

Covert Warriors W. E. B. Griffin, William E. Butterworth, IV, 2011 When a hostile Third World country begins to receive military training and nuclear technology from foreign nations, Charley Castillo and his team investigate only to be abandoned by the U.S. government and placed on hit lists throughout the world. By the best-selling authors of *The Outlaws*.

The Double Agents W.E.B. Griffin, William E. Butterworth IV, 2007-06-26 W.E.B. Griffin's iconoclastic OSS heroes face an historic challenge in the brand-new volume of the New York Times-bestselling series. Critics and fans alike welcomed the return of the "shrewd, sharp, rousing" (Kirkus Reviews) Men at War series: "The Saboteurs is good entertainment and the fast-paced and exciting novel Griffin's readers have come to expect. This is Griffin's 36th novel and his son's first; one wonders how prolific a force Griffin & Son will be!" (Library Journal) Now, Dick Canidy and colleagues in the Office of Strategic Services face an even greater task—to convince Hitler and the Axis powers that the invasion of the European continent will take place anywhere but on the beaches of Nazi-occupied France. "Wild Bill" Donovan's men have several

tactics in mind, but some of the people they must use are not the most reliable—are, in fact, most likely spying for both sides – so the deceptions require layer upon layer of intrigue, and all it will take is one slip to send the whole thing tumbling down like a house of cards. Are the OSS agents up to it? They certainly think so. And then the body is found floating off the coast of Spain. . . . Filled to the brim with action, character, and the deep understanding of the military heart and mind that have made Griffin's books so outstanding, *The Double Agents* is irresistible storyteller from a master of the craft.

Broken Trust W. E. B. Griffin, William Edmund Butterworth, 2016 While investigating the death of a young socialite, sergeant Matt Payne begins to doubt reports of her long struggle with mental illness and uncovers secrets that place lives at risk.

Top Secret W.E.B. Griffin, William E. Butterworth IV, 2015-07-28 From #1 New York Times bestselling authors W.E.B. Griffin and William E. Butterworth IV comes the first Clandestine Operations novel—featuring a new kind of threat and a different breed of warrior. In the first weeks after World War II, James D. Cronley, Jr., is recruited for a new enterprise that will eventually be transformed into something called the CIA. For a new war has already begun against an enemy that is bigger, smarter, and more vicious: the Soviet Union. The Soviets have hit the ground running, and Cronley's job is to help frustrate them, harass them, and spy on them any way he can. But his first assignment might be his last. He's got only seven days to extract a vital piece of information from a Soviet agent, and he's already managed to rile up his superior officers. If he fails now, his intelligence career could be the shortest in history. Because there are enemies everywhere—and, as Cronley is about to find out, some of them wear the same uniform he does...

MASH Goes to Texas Richard Hooker, William Edmund Butterworth, 1977

In Danger's Path W.E.B. Griffin, 1999-12-01 Put in charge of the OSS's Pacific operations, General Fleming Pickering is faced with two covert missions in the Gobi Desert. Called to duty is a Marine he doesn't expect...a scapegrace pilot named Malcolm, his son. Together, they will venture incognito--and with luck they may even come out alive...

MASH Goes to New Orleans Richard Hooker, William Edmund Butterworth, 1975

The Vigilantes W.E.B. Griffin, William E. Butterworth IV, 2010-08-10 Murders are on the rise in Philadelphia-but no one seems to mind because the victims are all fugitives with histories of heinous sex crimes against women and children. Worse for Homicide Sergeant Matt Payne, the main suspect is leaving evidence for police to find. But when copycat killings start popping up due to vigilante groups dealing out their own justice, Payne must find out who's behind the chaos before the violence overtakes the city.

The Majors W. E. B. Griffin, 1983 Dien Bien Phu, Saigon, Hanoi. In 1954, they were only exotic names from a French campaign halfway around the world. But now American fighting men--proven on the bloody beaches of Normandy and in the minefields of Korea--are summoned to help beat back the guerrilla forces of Ho Chi Minh. To some, the secret war in

indochina was the depth of folly. To others, like the Majors, it pointed to the heights of glory. Copyright © Libri GmbH. All rights reserved.
