Forgiving the Unforgivable Craig Stone, 2015 Forty-five minutes earlier we had been eating, laughing, and enjoying one another's company. And now, in a moment's time, OUR LIVES WERE FOREVER CHANGED. WHAT BEGAN AS A DELIGHTFUL THREE-DAY FAMILY GATHERING ended in tragedy when a car accident left three of Craig Stone's family

members dead and one in a vegetative state. Adding to the pain of loss, corruption seemed to overshadow justice in the courtroom trial that followed. As a result, the family was thrust into months and even years of unimaginable grief, rage, and unforgiveness. In *Forgiving the Unforgivable* Stone shares candidly of the emotional turmoil and grief that he experienced in light of these tragic events and how they nearly destroyed his life...until he discovered true forgiveness. Covering the many stages of grief, he shows you why it is important to go through the grieving process, and he explains what the Bible says about forgiveness and why you cannot uncover healing and a prosperous future without it. You may find yourself in a similar situation, with a life struck by deep wounds that were inflicted by other people. You've hurt long enough. IT'S TIME TO END THE PAIN AND ANGER AND EMBRACE FREEDOM THROUGH FORGIVENESS.

Saying Goodbye Jean C. West, 2015-10-30 *Saying Goodbye: My Spiritual Journey through Death and Dying* dares to face the basic reality that so much of modern culture strains itself to deny: everyone who lives will die. The hope and the encouragement come, not in pretending that death will not happen, but in shaping the way in which one says goodbye to friends and family. Jean C. West, who sat with her husband and her siblings as they died, draws upon both her experiences and her research to present a guide to assist all who find themselves in the position making or witnessing end-of-life goodbyes. Her advice covers the circumstances of those who are dying and of others who accompany loved ones in their dying. *Saying Goodbye* describes the common landmarks one encounters in a journey through death and dying. It presents special guidance for circumstances in which children are dying. It talks through the sorts of plans one can make in advance of death. It consoles and supports individuals during the time after a loved ones death. *Saying Goodbye: My Spiritual Journey through Death and Dying* recognizes that while each persons circumstances and perspective are unique, the common elements of the human experience of death and dying can provide the foundation for saying goodbye and for journeying through times of human mortality.

Think Well, Live Well Now Benay Behnke,

Who's Your Daddy? Waylon Ward, 2009-05 Are we living in a post-father era? This book is a wake-up call to men and women, challenging them to understand the crisis of fatherlessness in the world and to examine its impact on our culture and in individual lives. The author also identifies the different types of father wounds, the specific scars that men and women carry, and provides personal steps for healing and experiencing God's Father Love. As a generation, one of the biggest issues we face is fatherlessness. We have a generation of boys, raised by women, who don't know how to be a man, husband, or father; and a generation of girls raised without the protection, affirmation, or wholesome affection of a father. In this book, Waylon Ward tackles these tough issues head on. Dr. John A. King Best-selling author of *It's a Guy Thing: Helping Guys Become Men, Husbands, and Fathers* Waylon Ward is an experienced pastoral counselor and life coach who has focused on healing the wounds of father deprivation for more than 30 years. From his own childhood and the life experiences of thousands of people he has counseled, he has learned how to enable individuals to find healing from these wounds by coming home to the loving heart of God the Father. Waylon and his wife, Lynn, founded Mercy Matters, a ministry of counseling, teaching and restoration. The Global Fathering Initiative (GFI) was created in 2008 to address the fathering crisis in our world and to provide healing for wounded men, women and children. Waylon is also the author of *The Bible in Counseling and Sex Matters*.

Nervous Breakthrough Christy Boulware, 2023-04-11 Exhaustion and hurry aren't a badge of honor. Fear and anxiety

rage in our world—a weight we carry, producing profound physical consequences. We hustle hard and strive more each day, our priorities mismatched with our Savior’s—struggling to surrender our lives to his will. We believe our superwoman tendencies are amazing when they are in fact alarming. What will it take to rock the boat enough to awaken our souls? A total nervous breakdown? A diagnosis of severe panic and anxiety disorder answered that question for Christy Boulware. Her fast-paced, highly driven, mis-prioritized life finally caught up with her. Eventually she went from being superwoman to staring at guns on her bedroom floor. Through her journey to recovery, Christy learned how to overcome fear and anxiety in a world that feeds both emotions. Whether you’re on the verge of a breakdown, in the middle of one, or worried you’re headed toward one—this book will show you how a breakdown can lead to a breakthrough. We have wasted enough time living in fear; let’s start living in freedom! Through this book, the reader will:

- Lay down superwoman tendencies and discover how to fully surrender to a trustworthy God.
- Stop anxiety before it starts by recognizing its smoke alarms.
- Recognize ungodly thoughts and replace them before they snowball out of control.
- Learn why the presence of fear does not mean your faith is weak.
- Discover where science complements God’s Word to achieve a balanced approach for overcoming anxiety.

Dementia: Pathways to Hope Louise Morse, 2015-11-20 To be diagnosed with dementia is 'like being blindfolded and let loose in a maze'. There is no clear treatment to follow, because each case is unique. But once thickets of misunderstanding

and misinformation are brushed aside, there are pathways to hope. 'Secular models of support don't adequately reflect Christian values of compassion, love and service,' explains Louise Morse. 'Neither do they describe the power of spiritual support. This is key to the wellbeing of the caregiver, as well as the person with dementia.' This book is packed with examples of what works, as well as practical advice and accessible medical information. Louise Morse is a cognitive behavioural therapist and works with a national charity whose clients include people with dementia. Her MA dissertation, based on hundreds of interviews, examined the effects on families of caring for a loved one with dementia.
