**True Country** Kim Scott, 2014-07-01 Examining ideas of belonging and being an outsider, this story follows Billy, a young school teacher and drifter who arrives in Australia's remote far north in search of his past, his Aboriginal roots, and his future. Through masterful language and metaphor, as well as a sophisticated tone that is both subtle and spirited, the novel finds Billy in a region not only of abundance and beauty but also of conflict, dispossession, and dislocation. On the frontier between cultures, Billy must find where he belongs in what is ultimately a powerful portrayal of the discovery of self and a sensitive exploration of race and culture.

The Crooked Olive Branch Frederick Munn, 2022-02-27 Stories of heroism and bravery during the Second World War are legend. Many of them have remained secret. This fictional account, inspired by real events, experiences and histories, has all the hallmarks of a spy novel with its many twists and turns. The action switches from a peaceful setting in a sleepy village in the Home Counties to the raw, unyielding terrain of the former Yugoslavia and its demands on the courageous band of partisans to aid a seriously injured British Officer escape a determined Nazi S.S. With, ingenuity, good fortune along with an attached British S.O.E. unit they outwit the occupying German Army.

In Pale Battalions Robert Goddard, 2007-05-29 Six months after her husband's sudden death, Leonora Galloway sets off for a holiday in Paris with her daughter Penelope. At last the time has come when secrets can be shared and explanations begin... Their journey starts with an unscheduled stop at the imposing Thiepval Memorial to the dead of the Battle of the Somme near Amiens. Amongst those commemorated is Leonora's father. The date of his death is recorded and 30th April, 1916. But Leonora wasn't born until 14th March 1917. Penelope at once supposes a simple wartime illegitimacy as the clue

to her mother's unhappy childhood and the family's sundered connections with her aristocratic heritage, about which she has always known so little. But nothing could have prepared her, or the reader, for the extraordinary story that is about to unfold.

*The House on an Irish Hillside* Felicity Hayes-McCoy,2024-03-05 "A lovely writer, far superior to the average memoirist. . . . A curious mind, a perceptive observer with an artist's eye, a seeker of truth and beauty." —Irish Independent From the moment I crossed the mountain, I fell in love with the place, which was more beautiful than any I'd ever seen. And with a way of looking at life that was deeper, richer and wiser than any I'd known before. . . . From the first day I came here I always knew I'd come back. Sometimes we have to go back to our beginnings to become the person we want to be. More than a decade ago, USA Today-bestselling author Felicity Hayes-McCoy left the hectic pace of London and returned to her home country of Ireland to forge a new life in a remarkable house on the stunning Dingle peninsula. Gorgeously written, this is a life-affirming tale of rediscovering lost values and remembering the things that matter most. "Wise, funny and touching, this book is a portrait of friendships, customs and folklore of Ireland; but what stays with you is harder to catch, like smoke or running water. It is the taste of something we all once knew, ever-present if only you look for it." —Joanna Lumley, actress and author of *Absolutely: A Memoir* "The book glowed . . . when I finished reading, I felt a sense of well-being, wonder and delight." —Alice Taylor, bestselling author of *To School Through the Fields* Praise for Felicity Hayes-McCoy "A pitch-perfect delight." —Marian Keyes, international bestselling author of *Grown Ups* on The Transatlantic Book Club "The spot-on descriptions of Ireland's country roads and expansive sky all but leap off the page. . . . Maeve Binchy and Patrick Taylor fans will find much to enjoy." —Booklist on The Library at the Edge of the World "Sunshine on the page." —Cathy Kelly, bestselling author of *Between Sisters* on The Month of Borrowed Dreams

**The Poetry of Faith** Stephen F. Dill, 2013-05-01 The ministry of the Rev. Stephen F. Dill was forged in the turbulent civil rights years when he stood for social justice and spoke against racial segregation. In this collection of sermons -- many from his 20 years as pastor of Dauphin Way United Methodist Church in Mobile, Alabama -- Dill reflects on the implications of his faith for the lives of individuals and for the life of the world. Robin Wilson, one of Dill's successors at Dauphin Way, praises the bold humility of his message, and author Frye Gaillard, in the book's introduction, offers this description of Dill and his sermons: Almost inevitably, the poetry of his preaching caught the quick of my imagination and quietly, inevitably made me think. Appropriately, the publication of *The Poetry of Faith* coincides with the 100th anniversary of Dauphin Way. But these challenging and reassuring sermons resonate far beyond those walls. As Methodist educator Gorman Houston put it, this is the Christian faith at its finest, for Stephen Dill has always been one of those ministers . . . able to see the church as it should be and not as it was.

I love cosy crime and I loved this book!' Reader review [5 stars] 'Full of wit, mystery, and small town politics... The plot is twisty and engaging with lots of red herrings' Reader review [5 stars] It is a lovely day at the fair... but someone thinks it is a lovely day for murder... Summer is in full swing in the picturesque Sussex countryside, and Maisie Cooper is bound for the annual Bitling Fair. Maisie expects to enjoy homemade cakes, a glass of cider and a spot of Morris dancing. But what she doesn't bargain for is the tensions running high between the villagers of East Bitling and the disagreements being stirred up by the high and mighty Lady Catherine, from the big house on the hill. Is this nothing more than village politics? Or by the time the sun has set on the fair, will Maisie Cooper have another murder on her hands? Leaving Footprints in the Taiga Donatas Brandišauskas,2016-10-01 Nowhere have recent environmental and social changes been more pronounced than in post-Soviet Siberia. Donatas Brandišauskas probes the strategies that Orochen reindeer herders of southeastern Siberia have developed to navigate these changes. “Catching luck” is one such strategy that plays a central role in Orochen cosmology -- luck implies a vernacular theory of causality based on active interactions of humans, non-humans, material objects, and places. Brandišauskas describes in rich details the skills, knowledge, ritual practices, storytelling, and movements that enable the Orochen to “catch luck” (or not, sometimes), to navigate times of change and upheaval.
