God as Love Johannes M. Oravec, 2014-04-19 Nineteenth- and twentieth-century Russian religious intellectuals devoted a great deal of attention to the concept of agape, or Divine Love, arguing that the Christian church is a reflection of the triune, self-sacrificing God and his love for all of creation. On account of their deliberations, these intellectuals played a key role in mediating between the Orthodox Church and modern society. Their quest for dialogue between the 'mystery of the sacred' and the 'ordinary of everyday life' remains relevant for Western societies today. In *God as Love* Johannes Oravec presents a comprehensive summation of twenty-five prominent Russian religious thinkers and their thought on the concept of

agape, showing in detail how they broke new ground in their various affirmations of the truth that God is love. No other book in any language treats this topic with such breadth and depth.

**My Life, My Illness, and My Assurance in God** Patricia Miller, 2016-05-08 Patricia Pat Miller has lived in or near the rural community of Stanton, Michigan most of her life. As a young woman she graduated from the Butterworth School of Nursing in Grand Rapids never dreaming how crucial her medical education would be years later when confronting her life-threatening battle with Guillain-Barre Syndrome. This is her true-life story of courage overcoming challenge to resume an active, meaningful life. This heartfelt, page-turning remembrance speaks of blessings and hardships, as well as the treasured love of her family & friends. But most of all it is the story of her close walk with God who continues to watch over her.

**Presence** J. Alexander Sider, Isaac S. Villegas, 2011-06-17 As God's eternal life flows through us, we learn to let go of our pretensions of control and rest into the new life offered in Jesus Christ. This book is an invitation for you to become nonresistant to this movement of God's love for you and the world. Through a variety of sermons and meditations, Sider and Villegas bear witness to a grace that disarms our guardedness and makes room for us to fall into the love of God. Preaching becomes a dispossessive practice, as each person is invited to give and receive God's transforming power. The proclamation of the gospel, Villegas and Sider say, should display the priesthood of all believers. Thus, the call to preach belongs to the whole congregation and its conversation rather than to the lone preacher and her (or his) sermon. Presence: Giving and Receiving God draws on the Mennonite tradition of the Zeugnis (conversation) to explore how the preached Word echoes through all of our voices.

Strange Worship Drew J. Strait, 2024-07-19 Christian nationalism threatens democracies and the church's witness around the world. In the US, the election of Donald Trump and the January 6 Capitol insurrection spilled Christian power worship into public view. Since then, we have worked hard to define what American Christian nationalism is and where it came from—but how do we challenge it? Strange Worship offers tangible steps for resisting political idolatry, violent extremism, dominion theology, threats to democracy, and the personal isolation and loneliness that lead to radicalization. By drawing from the fields of biblical studies, theology, and peace and security studies, Strange Worship invites congregations to disrupt theologies of oppression and architect a more just church and world.

*The Gospel of God's Love* Daniel G. Samuels, 2003 How can a God of love also be a God of war and genocide, wrath and eternal damnation? In *The Gospel of God's Love*, this question finds its definitive answer. In a series of channeled sermons, Jesus of Nazareth traces these divergent views of God back to their roots in ancient Hebrew and pagan cultures, and then

shares with us his knowledge of the true nature of God. The Gospel of God's Love is an invitation to know God, not through third-hand accounts taken from ancient manuscripts, but as Jesus does- face to face, soul to soul.

The Power of Constant Prayer and Communion With God William Jaynes,2024-07-01 Billions of people in the world want a sound basis for improving the amount of fulfillment and personal success in their lives. Over the years, many have lauded the importance of prayer in one's life. To whatever degree that is true, how much more is constant prayer even more powerful than Sunday or Saturday prayer or even daily prayer. Countless numbers of people around the world pray in order to have some of the key advantages in personal serenity, purpose, and insight that will enable them to have the edge in life necessary in order to have victory and fulfillment. How much more will constant prayer and communion with God enable people to have a permeant advantage and edge. This book examines how the practice of constant prayer and communion with God can fill a person with more love, joy, peace, self-discipline, faith, direction in life, humility, sensitivity to God, consistency, and purpose. Pannenberg on Evil, Love and God Mark Hocknull,2016-05-13 Pannenberg on Evil, Love and God examines a much-neglected aspect of the theological thought of one of the most original contemporary German theologians, Wolfhart Pannenberg: his theological and philosophical understanding of evil and its relationship to the love of God. The book seeks to correct a widely held misconception that in his theology, Pannenberg has neglected the darker side of the world, concentrating instead on an optimistic picture of the future. This book argues that questions of evil hold a central place throughout Pannenberg's writing and seeks to draw out the implications of his wrestling with these issues. The Introduction sets the scene by considering the nature of the question of evil and argues that a theological response must be made as part of a global view of the world and not in isolation from other themes. The succeeding chapters develop this theme through a reading of Pannenberg's theology.

A Reply to Doctor Milner's "End of Religious Controversy" Samuel Farmar Jarvis,1847

*God of Love and God of Reason* David R. Mason,2016-02-18 These homilies, lectures, and essays vigorously champion the

author's conviction that it is reasonable to believe in a God of pure unbounded love and, also, that the best religion is a reasonable religion. That is, the God of Love is the God of Reason and, as a seventeenth-century Cambridge preacher put it, If you would be religious, be rational in your religion. Thus, these essays challenge both the New Atheists and Fundamentalists, who are twins like Tweedledum and Tweedledee. And they aim, positively, to unpack the meaning and implications of Jesus' dictum: You shall love the Lord your God with all your heart, and with all your soul, and with all your mind. This is the greatest and first commandment. And the second is like it: You shall love your neighbor as yourself. On these two commandments hang all the law and the prophets.

Catholic Moral Teaching and Its Antagonists Joseph Mausbach, 1914

Love Letters to God Devon Spencer, Katherine Willis Pershey, 2025-07-29 Love Letters to God is an intensely personal and deeply theological book of epistles between two dear friends. The authors hail from different backgrounds in faith, family, and life circumstances but find common ground in their devotion to Christ, Christianity, and each other. The letters chronicle a year in the life of this friendship, marked by fervent faith and bouts of unbelief; suffering and rejoicing; death, loss, and baptism; and the sanctification of a friendship. The tone is at once literary and personal, peppered as much with theological references as unrefined vulnerability, and speaks to all who cherish their faith and their friends.

**Salvation and Modernity** Fredrik Fällman, 2008-09-17 Salvation and Modernity presents an interpretation of the phenomenon of intellectual Christians in contemporary Chinese society, with special focus paid to Liu Xiaofeng, by exploring the main issues of faith, salvation, and the quest for a modern China. Author Fredrik Fällman investigates similar developments in earlier centuries by linking past and present forms of cultural Christian phenomenon, and the beliefs and ideas of Liu Xiaofeng and other scholars. Their focus on Christianity implies a criticism of traditional Chinese value systems, in particular Confucianism and Daoism. The introduction of Christian theology and values into Chinese academia is a way of creating greater understanding for Western culture. Many cultural Christians argue that this advanced understanding is a prerequisite for establishing a modern China. Issues of personal faith and identity are also central in respect to modernity as well as to individual and national salvation. Post-Mao China is seeking a new foundation for values and cultural Christians have a definite role to play. Since the choice of Christianity is an expression of individuality, freedom, and criticism of political structures, cultural Christians will ultimately help in laying foundations for a theology in Chinese relations between the intellectuals and the Church. The impact and importance of cultural Christians is becoming more visible now than ever before.

**Swami Vivekananda** Rita D. Sherma, 2021-01-11 With historical-critical analysis and dialogical even-handedness, the essays of this book re-assess the life and legacy of Swami Vivekananda, forged at a time of colonial suppression, from the vantage point of socially-engaged religion at a time of global dislocations and international inequities. Due to the complexity

of Vivekananda as a historical figure on the cusp of late modernity with its vast transformations, few works offer a contemporary, multi-vocal, nuanced, academic examination of his liberative vision and legacy in the way that this volume does. It brings together North American, European, British, and Indian scholars associated with a broad array of humanistic disciplines towards critical-constructive, contextually-sensitive reflections on one of the most important thinkers and theologians of the modern era.

*Routledge Handbook on Christian-Muslim Relations* David Thomas, 2017-08-16 The matter of Christian-Muslim relations cannot be ignored these days. While the term itself may not appear all that often, relations between the two faiths and their reciprocal perceptions are undeniable influences behind many current conflicts, declarations of mutual recognition and peace negotiations, not to mention the brooding hatred of religious extremists. Since 9/11, relations between the two faiths have, in one form or another, hardly been away from the news. This Handbook contains fundamental information about the major aspects of relations between Christians and Muslims. Its various sections follow the history from the early seventh century to the present, the major religious issues that have led to disputes between the two faiths, and the political implications of religious differences at various stages through history, as well as in the present. It includes analysis of scriptural and theological themes and explores the characteristics of relations at important points in history and also in various parts of the world today. Chapters are devoted to the most significant intellectual interpretations and encounters, the main armed clashes, including the Crusades, and the important documents issued by each faith that in recent years have led the way towards new developments in recognition and acceptance. With chapters written by some of the foremost experts in the field, the book traces the largely dark history of relations and explains the underlying reasons why Muslims and Christians have found tolerance and respect for the other difficult. It is an excellent resource for understanding the past and for highlighting lessons for future relations between the world's two largest religions.
