Through it all, there's been one constant: wanting, needing, loving, and protecting Brooke. Now, as the couple takes their overpoweringly sensual bond to the next level, enter the unique mind of Remington Tate, Brooke's *Real*.

Most importantly—we won. Then I discovered who he was: Gambler. Famous playboy. Silver-eyed player who never plays to lose. ...And my best friend's soon-to-be brother in law, Cullen Carmichael. He needed a good luck charm, I needed a distraction. So we made a gamble and set off for Vegas—but pretty soon—I was in too deep. My heart, soul, and body weren't supposed to be part of the deal. But somewhere between big wins and long nights, my house of cards started to tumble. What was this devil with those piercing eyes doing to me? I'd given up on love, but the wicked, all-in Cullen Carmichael was upping the ante and wouldn't stop until he'd won it all. \*Although this book is a complete standalone, characters from the *Manwhore* series appear.

Journal, and USA Today bestselling author Katy Evans. It was supposed to just be a quick trip to Manhattan. My best friend was heartbroken. She needed support, and I needed inspiration. I hoped to love the city. Bustling. Crazy. Inspiring New York. But I ended up at the airport, heading home in the same condition that I arrived. In a rut. Add to all that, missing my flight and losing my laptop—the laptop, where the Best Love Story Ever sat on my hard drive. Enter Noah Steele. Eerily familiar. Movie star. Heartthrob. Sultry romeo with bedroom eyes. (But we're not going there.) He missed his flight too. Noah is so smoldering, lip-bitingly hot, he's not taken seriously as an actor, and is struggling to launch his career in New York. He's only ever had superficial girlfriends, so he's having trouble showing true passion in his acting—the same challenge I'm having with this book. When we met, we didn't know that our connection would bring us the change we'd been craving. That we'd be the very thing the other needed and didn't know. Each other's muse. \*This book is a complete standalone and no previous reading is necessary to enjoy.

Neither of us expected or wanted it to amount to more. But I had never been drawn to a guy the way I was drawn to this one: my brother's best friend, and CEO of the company where I interned. Even knowing I should stay away, I proved to be too human, after all. The chemistry was amazing. The laughs were incredible. I opened up to him in more ways than I'd opened up to anyone before. But sex was as far as I'd go. Just sex because he was too irresistible. Just sex because I wouldn't be falling for him. Just sex because I'd leave in three months, and I'd like for my brother not to kill me, and for nobody to find out he was my wicked little secret. He wasn't the One. He was just a womanizer. But for a time, he would be mine.
