Rise of the Assyrian Russell Redden, 2012-04-14 This book is a comprehensive analysis of Biblical prophecy, in light of Scriptures ignored by many teachers of Eschatology today. Isaiah, Jeremiah, Ezekiel, and numerous Old Testament prophets wrote that the Messiah would defeat a wicked king in the latter days from the lands once known as Assyria or Babylon-modern day Iraq. This book presents Biblical evidence that the Antichrist will rise from this land, and temporarily establish a new Islamic empire in the Middle East. This empire will rise after the nations of the world force Israel from half of Jerusalem and Judea (the West Bank,) according to Bible prophecy. Learn how the predicted outcome of the Israeli/Palestinian dispute of the holy land perfectly reflects unique events of modern history, including the rise of radical Islam. Third edition.

The Battle of the Sexes in Science Fiction Justine Larbalestier, 2023-09-05 Runner-up for the Hugo Best Related Book Award (2003) *The Battle of the Sexes in Science Fiction* is a lively account of the role of women and feminism in the development of American science fiction during its formative years, the mid-20th century. Beginning in 1926, with the

publication of the first issue of *Amazing Stories*, Justine Larbalestier examines science fiction's engagement with questions of femininity, masculinity, sex and sexuality. She traces the debates over the place of women and feminism in science fiction as it emerged in stories, letters and articles in science fiction magazines and fanzines. The book culminates in the story of James Tiptree, Jr. and the eponymous Award. Tiptree was a successful science fiction writer of the 1970s who was later discovered to be a woman. Tiptree's easy acceptance by the male-dominated publishing arena of the time proved that there was no necessary difference in the way men and women wrote, but that there was a real difference in the way they were read.

Look at the Evidence John Clute, 2016-11-24 For more than 50 years John Clute has been reviewing science fiction and fantasy. *Look at the Evidence* is a collection of reviews from a wide variety of sources - including *Interzone*, the *New York Review of Science Fiction*, and *Science Fiction Weekly* - about the most significant literatures of the twenty-first century: science fiction, fantasy and horror: the literatures Clute argues should be recognized as the central modes of *fantastika* in our times. It covers the period between 1987 and 1992.

The Revelation of Jesus Christ to the Church Henry E. Meredith, 2003-10

Reload Mary Flanagan, Austin Booth, 2002-05-03 An anthology of feminist cyberfiction and theoretical and critical writings on gender and technoculture. Most writing on cyberculture is dominated by two almost mutually exclusive visions: the heroic image of the male outlaw hacker and the utopian myth of a gender-free cyberworld. *Reload* offers an alternative picture of cyberspace as a complex and contradictory place where there is oppression as well as liberation. It shows how cyberpunk's revolutionary claims conceal its ultimate conservatism on matters of class, gender, and race. The cyberfeminists writing here view cyberculture as a social experiment with an as-yet-unfulfilled potential to create new identities, relationships, and cultures. The book brings together women's cyberfiction—fiction that explores the relationship between people and virtual technologies—and feminist theoretical and critical investigations of gender and technoculture. From a variety of viewpoints, the writers consider the effects of rapid and profound technological change on culture, in particular

both the revolutionary and reactionary effects of cyberculture on women's lives. They also explore the feminist implications of the cyborg, a human-machine hybrid. The writers challenge the conceptual and institutional rifts between high and low culture, which are embedded in the texts and artifacts of cyberculture.

Who is Going to Heaven and What About Hell? J. Clarke,2024-07-19 Have you ever wondered about the afterlife? Whether or not there is one and if there is, just what it might be like? My Christian journey began when I was 26 years old

and I was full of questions. As I studied the Bible, the issue of the afterlife started to become very important to me. Who is going to heaven? Is it just for Christians? What about hell? Is it real? Is it forever? I needed to know. I travelled down a number of Christian paths, looking for answers and soon discovered that there were different points of view to these questions. I then made the decision that the Scriptures and the Scriptures alone would be the foundation of my beliefs. I also decided to work from the New International Version because I consider it to be the most reliable translation. I searched the Scriptures thoroughly and in the process I also made the commitment that I would be completely honest during this process and not try to 'tweak' them along any preconceived or preferred directions. If I didn't like what I discovered, then so be it. God and I would work it out. I am delighted with my conclusions and would like to share them with you. I would like to shout them from the rooftops, but this book will need to suffice.
