She's every bit the modern, independent woman, and she dedicates herself to caring for her small patients. So it's rather disconcerting when things start to fall apart as soon as Dr. Craig Braemar arrives on the scene. The always calm Craig helps Rebecca by offering her a position in the emergency ward, and a place to stay until she gets things sorted. Working together—and living together—they soon grow closer, and Rebecca finds that having everything kissed all better by a distractingly handsome Scot is something a girl could get used to....
