Fucking Blackboard : r/Professors - Reddit Dec 10, 2021 · I actually had this happen on Blackboard, but with just one assignment. Fortunately it was a discussion board post in a synchronous class, so I was able to see his post in the discussion board. That spot on the gradebook, though, was completely empty. **Handling suspected cheating in Blackboard : r/Professors - Reddit** Oct 15, 2016 · Using Blackboard (also my first time using Blackboard as faculty, though I used it as a student in grad school). Also, I am a relatively new adjunct. This is my fourth semester teaching. Due to a colleague having a heart attack, I am teaching 15 hours at two universities. 12 of those are courses I've never taught before. *The Blackboard Due Date Loophole : r/Professors - Reddit* Apr 13, 2021 · Forgive me if I am late to the game on this, but I just learned today that if students open an assignment submission page on Blackboard (LMS) before the due date, they can still submit after the due date as long as that page is still open (although Blackboard will denote the lateness by placing the word "LATE" next to the submission time). I have had so many ... *Are professors able to see a students actions during an exam on ...* Feb 11, 2024 · So, can the instructor review my actions during my exam on Blackboard? Will they be able to see that I had typed out my response entirely in the one text box before moving it to the other text box? Could I potentially get in trouble for this? Any and all advice is greatly appreciated and thank you all in advance. SafeAssign flagging references causing high originality score My school uses SafeAssign in blackboard to check for plagiarism. I recently received an originality score on a paper of 34% and the professor wrote a comment to watch out for high scores. When I pulled up the full report there were a total of eight flags. Four of the flags were from my APA formatted references. *Can blackboard see if you're changing tabs or not during a test?* Mar 4, 2021 · No but some professors have threatened students with having ITS review their internet traffic during the testing time to see if they were cheating. I'm not sure if it's ever been done though, might just be a threat. I would just play it safe and not cheat. You might think you'll get away with it and then slip up once and now you're in a meeting with the dean of your ... **Blackboard + Wild card interaction : r/balatro - Reddit** May 26, 2024 · Blackboard gives you x3 mult if cards held in hand are spades and/or clubs. Right now Wild cards allow Blackboard to be activated, which is weird cause: If we consider a Wild Card a card with all suits at the same time, they are indeed spades/club cards, but also diamonds/hearts, so blackboard should not activate. **Freaking out... high safe assign score! : r/AskAcademia - Reddit** Sep 24, 2019 · Ok so long story short, my professor offered a 30 point extra credit assignment regarding the recent climate change strike and

he posted various articles and said pick 2 and write about them. I did and I provided in text citations with a subscript at the end of the article's paraphrased ideas. When I submitted the assignment on Blackboard, I got a 51% originality ... **Daily Balatro Discussion (019/324): Blackboard : r/balatro - Reddit** Daily Balatro Discussion (019/324): Blackboard Gameplay Discussion Effect: X3 Mult if all cards held in hand are Spades or Clubs Rarity: Uncommon Stats: Type: Multiplicative Mult Card Dependency: Card Independent Buy Price: \$6 Sell Price: \$3 Unlock Requirement: Available from start.
