Fool Me Once Mona Ingram, 2020-05-07 What happens when you combine a feisty female journalist with a former Special Forces operative? Olivia MacMillan wonders what she's let herself in for when she agrees to accompany Josh Morgan to the European Riviera. Josh says he wants her contacts in the casinos so he can play in exclusive, high-stakes poker games. But she soon learns that his motives are more sinister than a simple game of poker. What could make a former Special Forces specialist come out of retirement for one last, kick-ass mission? Author Caution: Unlike my usual sweet romances, this book contains explicit sexual content.

Fool Me Once Kelly Richmond Pope, 2023-03-21 A riveting look at the perpetrators, victims, and whistleblowers behind financial crimes, from forensic accounting expert and documentarian Kelly Richmond Pope. Have you ever wondered why Bernie Madoff thought he could brazenly steal his clients' money? Or why investors were so easily duped by Elizabeth Holmes? Or how courageous people like Jeffrey Wigand are willing to become whistleblowers and put their careers on the line? Fraud is everywhere, from Nigerian princes, embezzlers, and Ponzi schemers to corporate giants like Enron and Volkswagen. And fraud is costly. Each year, consumers, small businesses, governments, and corporations lose trillions of dollars to financial crime. We're so accustomed to hearing about fraud that our abilities to identify it and speak about it are limited. No more. In *Fool Me Once*, renowned forensic accounting expert Kelly Richmond Pope shows fraud in action, uncovering what makes perps tick, victims so gullible, and whistleblowers so morally righteous, while also encouraging us to look at our own behaviors and motivations in the hope of protecting ourselves and our companies. By the time you finish this book, you'll have a better understanding of—and perhaps even compassion for—perpetrators, a renewed connection to victims, and an appreciation for those who blow the whistle. Filled with fascinating stories and insightful analysis, *Fool Me Once* will open your eyes and challenge your thinking. It will inspire you to question your own preconceived notions about fraud. It will challenge your beliefs about yourself and other people. And it will help you understand a phenomenon that most of us fail to grasp—until it's too late.

Foolish Me Tinnean,2020-07-15 Giving up his life as a rent boy for his lover William Matheson is the easiest decision Theo Bascopolis has ever made. This smart, handsome man wants him in spite of his past and promises to love him forever. But that past has left Theo riddled with insecurities, which have a tendency to turn up when he's at his most vulnerable. Case in point: things seem to fall apart when Wills goes on an extended assignment and the number of times he contacts Theo is precisely zero. Theo might be willing to believe work is getting in the way, but then a message he receives appears to confirm another betrayal. Well, his heart may be broken, but he's not dumb enough to hang around waiting for it to get shattered. He leaves town determined to have nothing more to do with Wills. Wills returns home after an exhausting assignment only to find Theo gone with no explanation. It doesn't take him long to piece together what's happened and determine a plan of action. Wills is a man of his word who keeps his promises, and he has no intention of letting the best man he's ever found walk away from him. But having been betrayed once, is Theo willing to trust his lover not to break his heart again?

Lily Among Thorns Song of Solomon 2:2 In the Last Days 2nd Peter 3:3 Part 2 Annette K. Mazzone, 2025-03-14
The Twentieth Century should have taught humanity how it is the world could spin out of control and be led into two World Wars, when a tyrannical ruler seizes power. But sorry to say the worst is yet to come, and here in the first decades of the Twenty-First Century. The current woes of society will lead to an antichrist. The Global Leader the Bible speaks of as that Man of Sin, as it is written in 2nd Thessalonians 2:3, Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition The consequences thereof is what happens when the Bible-believing Christian becomes enemy number one in this New Oppressive World Order. Here is the story of one such young woman in her midtwenties, whose horrific crimes against humankind is her love for the Lord and her belief in the Bible as it is written. She is but one of many and through the tremendous loss of family and love. With the long arm of the law ramping up a complete surveillance society, she manages to keep the faith and, along the way, finds the faith of others are everywhere, and as it is written in Genesis 50:20, But as for you, ye thought evil against me; but God meant it unto good, to bring to pass, as it is this day, to save much people alive.

A Rant and a Road Trip Brendan J. A. O'Leary, 2011-04-13 'A Rant and a Road Trip' chronicles an alternative holiday, you might say, a heart-on-the-sleeve road trip. Its not so much about where Brendan OLeary went, but what he found when he got there and the people he met along the way. This journal covers five weeks spent on the road, drifting from town to town and motel to motel, living out of a suitcase and, for the most part, never knowing where the next stop will be. But believe it when OLeary tells you that it can be a very liberating experience, seeing another town, another diner, another motel, the story continuing as he travels to new places. Nothing can beat the feeling that comes from unexpected discoveries made while traveling. As you travel through the pages of this journal, youll see what OLeary sees and feel what he feels. From New Jersey to Texas to California, OLeary shares his thoughts about the places he visits and the people he meets. Written as very personal journal entries, OLeary examines the essence of America through his experiences and shares the ups and downs of living life on the road.

Quid Pro Quirk James McClinton, PhD, 2014-04 Have you ever read a Bible passage that seemed to contradict other Scriptures, or simply didn't make sense? Have you ever wanted to answer a skeptic who insisted the Bible was full of errors, but didn't know how to respond? Do you hesitate to share your faith because you don't know what you believe or why you believe it? Quid Pro Quirk seeks to resolve such issues and help you share the reason for the hope that is within you (1 Peter 3:15). In a legal context, the Latin phrase quid pro quo means to exchange something for something, or this for that. Quid Pro Quirk uses a courtroom setting to exchange plausible explanations for alleged Bible quirks. The compelling explanations can give you confidence as you add to your knowledge and understanding of God's Word. In Quid Pro Quirk, the prosecution begins with an opening statement establishing the background behind each alleged quirk and then finishes with a specific charge. The defense responds, using the Bible and other sources to dispute the charge. After considering all of the evidence, you act as judge and jury in rendering an informed verdict. Quid Pro Quirk's explanations are as brief and concise as possible, and yet remain faithful to the letter and spirit of God's Word in responding to a broad spectrum of charges. A handy reference source for the layman that avoids dry and endless rhetoric, Quid Pro Quirk focuses on the key facts that can bless you in your quest for God's truth.

The Lady Sparks a Flame Elizabeth Everett, 2025-03-25 A Lady with a past. A man with ambition. A romance far from London society that might bridge their divides. Lady Phoebe Hunt never anticipated returning from exile. A fatal choice drove her from England, but the death of her father—and the revelation of his debts—has brought her home. Once she settles her father's estate, she will return to America, where she has reinvented herself. There's no reason to remain, not even for one gravitationally challenged but deliciously tempting entrepreneur: Sam Fenley. Samuel Fenley is all ambition. Rising from shop boy to wealthy investor, he's left knocking on doors that open only for those with a title. Unless he buys the damned door itself—and the estate that goes with it. Sam offers to relieve Phoebe of her burdens, but is her crumbling mansion all Sam wants? Or is it the Lady herself? When threats from Phoebe's past spark new dangers, Sam and Phoebe discover that neither is what the other expected. Standing on the edge of disaster, the disgraced Ice Queen will have to decide if she wants to forge through life alone, or let an unlikely hero melt her heart.

I Love Growing Older, But I'll Never Grow Old Dr. J. Ellsworth Kalas, 2013-04-01 Growing older is a process. Growing old is a conclusion. If you're growing older you see some hope because you have perspective and you keep learning. If you've grown old, you may cynically think that times have never been as bad as they are now, and that they can only get worse." This book is about learning how to "make peace with where you are right now." It's about learning from the past and then moving past it. It's about growing—personally, spiritually, and in our relationships with God and with others. If we think properly about growing older we'll never have to grow old. A discussion guide is included.

Damaged Shadows Kathleen Brooks, 2022-10-18 As the sheriff of the small town of Shadows Landing, South Carolina, Granger usually dealt with ornery alligators, fights over the best BBQ style, and the occasional shoot-out when his friends brought trouble home. Granger watched those friends get married one at a time, but he knew that wasn't his fate. An auto accident had left Granger with scarring that he hid under his uniform. Women seemed to cringe when they saw it, so Granger gave up on relationships. Then he lost his heart to the most confident, intelligent, and sexy woman he'd ever met. But what would a woman like that want with a damaged man like him? Olivia Townsend was a nightmare in heels in the courtroom. She was a lawyer for the two most powerful men in the country. She was used to taking down every opponent who crossed her. However, Olivia was now in the path of a stalker and his deadly game. It started with the feeling of being watched. Then the threatening notes began. But when the stalker tries to attack her, it is Granger Fox that saves her. As Granger and Olivia rush to stop the escalating threats, it's not just bullets flying, but sparks too. Can Olivia find the strength to open her heart while Granger learns to trust again? And more importantly, can they do it before time runs out and the person behind it all gets tired of playing their game? Because in this game, there can be only one winner.
