The World of Musicals Mark A. Robinson, 2014-04-17 This wide-ranging, two-volume encyclopedia of musicals old and new will captivate young fans—and prove invaluable to those contemplating staging a musical production. Written with high school students in mind, *The World of Musicals: An Encyclopedia of Stage, Screen, and Song* encompasses not only Broadway and film musicals, but also made-for-television musicals, a genre that has been largely ignored. The two volumes cover significant musicals in easily accessible entries that offer both useful information and fun facts. Each entry lists the work's writers, composers, directors, choreographers, and cast, and includes a song list, a synopsis, and descriptions of the original production and important revivals or remakes. Biographical entries share the stories of some of the brightest and most celebrated talents in the business. The encyclopedia will undoubtedly ignite and feed student interest in musical theatre. At the same time, it will prove a wonderful resource for teachers or community theatre directors charged with selecting and producing shows. In fact, anyone interested in theatre, film, television, or music will be fascinated by the work's tantalizing bits of historical and theatre trivia.

It's Only Words Bob Burrows A.I.B., 2025-01-03 Most of us can hum, whistle, or tap out a favourite tune but not too many of us can recall the lyrics, the words. Yet it is the skill of the wordsmith, the lyricist who at the stroke of a pen can transport us, if only for a moment, into our own world recalling cathartic events, romantic moments and nostalgic longings for times gone by. In just a few short strokes of his pen the skilled lyricist can move us to tears or anger or is able to stimulate pride or joy. Popular music is at an all-time high and I would defy anyone reading this book not to be able to find a song that they could not identify with or indeed have been emotionally associated with at some point in their formative years or indeed in their twilight years! During the writing of this book, I admit to many moments, good and bad, when the words of skilled lyricists left their songs stimulating incidents and memories long since relegated to the back of my mind!

Love Beyond Desire Rakhi Verma, 2019-07-31 *Love Beyond Desire* is a unique love story. It's about a girl who falls in love with her best friend, Arman when she is in school. It's a story of long-lost lovers who finally meet after nine years, and their love is still strong as it was before. It's a story with hope, passion, emotional confusion, emotional outburst, fun, mystery, happiness, admiration, love and desire, along with beautiful poems and songs to keep you entertained. Rhia knows that love is not being together forever, but it is to remember the moments together forever. Keeping this in mind, Rhia moves

ahead in her life by managing personal and work life. It's been nine years since Arman left her, and Rhia manages her life just fine with a dream job and her own place, finally free from family drama. She turned her life and took control of it, but the only part of her life that she couldn't control was love. She couldn't love anyone because she is heartbroken. As she had found and lost her love on the same day, and when Arman left her forever without even a goodbye, but with just two letters both addressed to her, one 'To My Best Friend' and other 'To My Girlfriend' and a ring, which she still holds as a reminder - a proof of broken love. Rhia and her friends are enjoying the wedding celebration at Mumbai's luxurious hotel. Everything is great, and everyone is enjoying it until she sees Arman. He steps through the gate after long nine years along with his 3-year-old son, leaving her shocked and speechless. They are about to spend three days together under the same roof, and she is all worried, angry and pleased, again all at the same time. She wants to know why he left without a goodbye; it's all she wants to know. So, will she finally get answers? Will Arman finally say why he left her, and why he kissed her if he was about to leave?
