## Wolfgang Guggemos

Ethical Leadership and Global Capitalism Annabel Beerel,2019-12-05 This book is a very practical guide to help managers put their own and their employees' professional values to work. Through real life stories and case studies, the author brings to life and light the ethical challenges that present themselves in corporate and institutional settings. The reader gets to see that ethics lies not only in the big, dramatic defining moments, but in the everyday behaviors of people as they work together in the service of organizational goals. The text is punctuated with summaries, exercises, and opportunities for reflection where the reader has an opportunity to review their own ethical frameworks and to see how these show up in the daily choices they make. Ideas are provided to help managers coach their employees to strategize around ethical issues, how to communicate their views with clarity and conviction, and how to find support in the organization to tackle difficult issues.

*Climate Change is an Opportunity* David Blockley,2024-02-05 We have an imperative, as never before, to change our ways. Climate change is presenting the entire human race with its greatest ever existential challenge. Like many I feel a growing sense of looming disaster. Yes, we are making some progress, but past agreements are not delivering. In this book I put a case for a new form of principled capitalism based on moral principles rather than utility and profit. I propose ten pillars that include systems thinking as citizens of the world and embracing Modern Monetary theory to guide decisions about macroeconomics and national debt.

Ethics, Easier Said Than Done ,1988

*From the Universities to the Marketplace: The Business Ethics Journey* Marilynn Fleckenstein,Mary Maury,Laura Pincus,Pat Primeaux,2012-12-06 From the Universities to the Marketplace: The Business Ethics Journey arose from the awareness of the slow progression of academic theory into market practice. The contributions in this volume reflect a diversity of disciplines and approaches to research, study and teaching business ethics, such as philosophy, accounting, theology, marketing, management and finance. The contributors represent a wide variety of professional and geographical backgrounds, creating a fruitful discussion of a large number of issues related to implementation and measurement of business ethics, and feedback from all parties involved.

**Global Perspectives on Contemporary Marketing Education** Smith, Brent, Porath, Amiram,2016-03-17 A successful

marketing department has the power to make or break a business. Today, marketing professionals are expected to have expertise in a myriad of skills and knowledge of how to remain competitive in the global market. As companies compete for international standing, the value of marketing professionals with well-rounded experience, exposure, and education has skyrocketed. Global Perspectives on Contemporary Marketing Education addresses this need by considering the development and education of marketing professionals in an age of shifting markets and heightened consumer engagement. A compendium of innovations, insights, and ideas from marketing professors and professionals, this title explores the need for students to be prepared to enter the sophisticated global marketplace. This book will be invaluable to marketing or business students and educators, business professionals, and business school administrators.

**The Accountable Corporation: Business ethics** Marc J. Epstein,Kirk O. Hanson,2006 A collection of essays on the role of business in society. This book provides provocative analysis, cultural and historical context, and solutions from the public, private, and non-profit sectors toward more responsible, ethical, and accountable business. It features articles by the world's leading scholars, executives, and practitioners.

*The Many Facets of Leadership* Marshall Goldsmith,Vijay Govindarajan,Beverly Kaye,Albert A. Vicere,2002-09-20 In *The Many Facets of Leadership*, more than 40 top leadership experts share their insights on every aspect of leadership in the 21st century. This book brings together new ideas and techniques for leading change, promoting learning and innovation, handling complexity and crisis, overcoming blind spots, managing knowledge workers, coaching tomorrow's leaders, increasing value, retaining customers, and much more.

**Leadership Resources** Center for Creative Leadership, Greensboro, NC.,2000 This guide provides over 300 pages of resources suggested by leadership educators in surveys, Center for Creative Leadership staff, and search of library resources. This eighth edition is half-new, including web sites and listserv discussion groups, and it places a stronger focus on meeting the needs of human resources professionals and corporate trainers. An annotated bibliography groups leadership materials in several broad categories: overview; in context; history, biography and literature; competencies; research, theories, and models; training and development; social, global, and diversity issues; team leadership; and organizational leadership (180 pages). Includes annotated lists of: journals and newsletters (9 pages); instruments (21 pages); exercises (41 pages); instrument and exercise vendors (5 pages); videos (29 pages); video distributors (4 pages); web sites (6 pages); organizations (21 pages); and conferences (9 pages). (Contains a 66-page index of all resources.) (TEJ)

**Human Relations** Lowell H. Lamberton,Leslie Minor-Evans,2002 Human Relations: Strategies for Success covers both new and time-tested theories of human relations, and shows the relationship between human relations skills and career success in one-on-one situations, groups, and organizations. Self-esteem, self-awareness, attitude, motivation, and values are covered as the text explores the personal side of human relations and how it relates to management theory. Human

Relations: Strategies for Success stresses the human relations skills and management principles essential to functioning successfully in a global business environment.

*Strategic Management* Jeffrey S. Harrison, 2003 From internal resources such as people, knowledge, and capital to relationships with external stakeholders such as customers and suppliers - Strategic Management of Resources and Relationships provides students with one realistic, comprehensive, and highly effective approach to strategic management. Students will learn how to use the resource-based view to develop competitive advantages through the acquisition, development and management of resources. They'll also learn how to use stakeholder theory to determine when firms should form partnerships, the form they should take, and how to manage them to enhance their resource position. The text's unique blend of the resource-based approach with stakeholder theory and other relevant theories and models, helps students gain a complete, balanced understanding of the field.

**The Missionary Review of the World**, 1924

**Ethical Issues in Business** Joseph D. Van Zandt, 2008 Keeping pace with recent developments, almost a third of the Eighth Edition is new. Ethical Issues in Business offers a mix of case studies - nine of which are new to this edition - and theoretical articles - ten of which are new to this edition. The articles range from classics in moral theory and economics, to modern commentaries by business executives.--Jacket.

**Leadership Resources**, 2000

*Strategic Management of Organizations and Stakeholders* Jeffrey S. Harrison, Caron H. St. John, 1994 This combined text provides a unique stakeholder perspective to strategic management. Global issues and examples are woven into each chapter instead of one separate chapter. Also heavily integrates quality, small business and non-profit strategic issues. Cases (40) are up-to-date and cover a broad range of issues and environmental contexts. Adopters can select a combined text/casebook, separate paperback text concepts, cases, or customized cases.

**Christian Register and Boston Observer...**, 1923

*Leadership Education* Frank H. Freeman, Kristin M. Axtman, Mary K. Schwartz, 1998 This sourcebook contains descriptions of original leadership course syllabi and programs for use by educators, student activity directors, and others designing and delivering leadership-development courses and programs. To be selected for this sourcebook, programs must focus on leadership; contain details about curriculum objectives, format, outline, learning modules, projects, activities, and evaluation; include innovative or unique content, method of delivery, or audience; and have been included in a previous edition. The descriptions are divided into five primary sections: degree programs (graduate and undergraduate), academic

sources (from high school to graduate level), cocurricular programs, professional programs, and community programs. Also included are a bibliography of reading material used in the courses and programs, two essays describing the design of new campus programs, and an index for references to institutions, course topics, teaching methods, and leadership skills and styles. (JMD).
