Criminal Law + Mindtap Criminal Justice, 1 Term 6 Months Printed Access Card ,

Criminal Law Joel Samaha, 2016-01-01 Providing the undergraduate criminal law course with a nationally acclaimed blend of analysis and illustrative cases, Joel Samaha's CRIMINAL LAW has been the textbook of choice among instructors for more than 30 years. Praised for his clear, concise, and engaging writing style, Samaha presents criminal law using a combined text/casebook approach that features methodical, careful explanations of traditional law categories as well as classic and contemporary cases. Packed with the latest topics and cases -- and accompanied by powerful teaching and learning resources, including the MindTap online learning platform -- the Twelfth Edition is even more effective in helping students understand and think analytically about the underlying principles and policies that specific cases illustrate.

Criminal Justice in America Carla Lewandowski, Jeff Bumgarner, 2020-11-17 This authoritative set provides a comprehensive overview of issues and trends in crime, law enforcement, courts, and corrections that encompass the field of criminal justice studies in the United States. This work offers a thorough introduction to the field of criminal justice, including types of crime; policing; courts and sentencing; landmark legal decisions; and local, state, and federal corrections systems—and the key topics and issues within each of these important areas. It provides a complete overview and understanding of the many terms, jobs, procedures, and issues surrounding this growing field of study. Another major focus of the work is to examine ethical questions related to policing and courts, trial procedures, law enforcement and corrections agencies and responsibilities, and the complexion of criminal justice in the United States in the 21st century. Finally, this title emphasizes coverage of such politically charged topics as drug trafficking and substance abuse, immigration, environmental protection, government surveillance and civil rights, deadly force, mass incarceration, police militarization, organized crime, gangs, wrongful convictions, racial disparities in sentencing, and privatization of the U.S. prison system.

Criminal Procedure Joel Samaha,1999 Joel Samaha is the author of three best-selling books in criminal justice, mainly due to his presentation of legal issues in a lucid and methodical manner. This book's success can be attributed to the author's ability to help the user grasp the complexities of the criminal justice system and the law by presenting all sides of an issue equally; he wants the reader to understand, not merely memorize. This is a comprehensive and legally-oriented book, focusing on the law as it is written, not from a layperson's point of view.
