

I Like Your Christ

John Scally, Marion Carroll

They Like Jesus but Not the Church Dan Kimball, 2009-05-26 Many people today, especially among emerging generations, don't resonate with the church and organized Christianity. Some are leaving the church and others were never part of the church in the first place. Sometimes it's because of misperceptions about the church. Yet often they are still spiritually open and fascinated with Jesus. This is a ministry resource book exploring six of the most common objects and misunderstandings emerging generations have about the church and Christianity. The objections come from conversations and interviews the church has had with unchurched twenty and thirty-somethings at coffee houses. Each chapter raises the objection using a conversational approach, provides the biblical answers to that objection, gives examples of how churches are addressing this objection, and concludes with follow-through projection suggestions, discussion questions, and resource listings.

Simple and Free Jen Hatmaker, 2022-03-29 Why do we pursue more when we'd be happier with less? In this updated edition of 7, New York Times bestselling author Jen Hatmaker tells the story of how she and her family tried to combat overindulgence—and what they learned along the way about living a truly meaningful life. Simple and Free is the true story of how Jen Hatmaker (along with her family) identified seven areas of excess—food, clothes, spending, media, possessions, waste, and stress—and made seven simple choices to fight back against the modern-day diseases of greed, materialism, and overindulgence. So, what's the payoff from living a deeply reduced life? It's the discovery of a greatly increased connection with God—a call toward simplicity and generosity that transcends social experiment to become a radically better life. In this new edition, written not just for readers of faith but for everyone who craves a gentler, simpler life, Hatmaker shares how sustainability and generosity still impact and challenge her today. Annotated throughout with new reflections from the author, this book offers thoughtful insights on the vastly different world of Simple and Free from back when it was first published as 7, and considers the dramatically different space Hatmaker occupies now. Simple and Free is funny, raw, and not a guilt trip in the making. Come along and discover what Jesus' version of rich, blessed, and generous might look like in your life.

The Life Surrendered Jad Jabbour, 2007-12 Have you ever felt disillusioned by a church that seems to be filled with hypocrites? If so, you will want to read first time author Jad Jabbour's book, *The Life Surrendered*. Jabbour examines what it

means to be a true disciple of Christ, how many of us are unaware of our own hypocrisy and how to live the meaningful lives that Jesus intended for us. As a young American Christian, Jabbour pleads for himself and his peers to live authentic lives, lives without hypocrisy. The Life Surrendered will challenge you to truly live the Christianity you claim.

What Good Is Jesus? Marv Nelson, 2016-01-29 When children are sold into slavery-what good is Jesus? When wretched disease takes a loved one's life-what good is Jesus? When marriages crumble and jobs disappoint-what good is Jesus? Many know of Jesus, but few actually know Him. The real entity of Jesus has been tainted by how His followers have portrayed His image in their lives. The institution of religion has overtaken the beauty of relationship, and many Christians are walking away with a bitter taste. Faced with declining opportunities, a war-torn globe, and seemingly-insurmountable crises, many millennials are asking the sincere question: what good is Jesus? Pastor Marv Nelson doesn't avoid tough questions; instead, he tackles issues head-on with love and wisdom. Examining sexuality, politics, racial tensions, suffering, and more, Nelson addresses these problems through a relational rather than religious approach and shows us just what good Jesus really is.

The God Solution Ian Stott, 2013-07-23 Ian Stott was born in Moseley, Birmingham, in 1946 and became a travelling evangelist in 1986, with his Gospel band After the Fall, performing in prisons, remand homes, pubs, clubs, church halls, carnivals, fetes, festivals, handicapped homes and colleges all around the United Kingdom. After writing Touching Glory as the title song for the 1994 Cross Rhythms Festival in Devon, Ian and the band received a record distribution deal with Kingsway Music. He wrote the songs for two more albums, and the band continued its evangelistic work for eleven years. Ian has studied Bible Prophecy for thirty years and is now a full-time musician, working as a tribute act in the UK and worldwide. He has had songs and poems published during this period. After the Fall, the band, played their last show in 1997 on stage at Dudley Castle, Birmingham, live on Sky TV. Ian Stott is a layman, representing every man and brings a refreshing perspective to apologetics, with a dash of humour. He has a desire to reach people who know nothing about the Bible or what it contains. This book is a direct reply to militant atheism and The God Delusion by Richard Dawkins. Atheism is growing and making much noise and needs a Christian answer. The author brings everything together in one place with amazing clarity and startling revelation the evidence for God, the weakness of the argument for atheism and evolution, secret societies, Bible prophecy and the deception, misinformation and corruption of the shadow governments and leading players of this world. The world needs information that is intelligible to the man in the street, who only ever hears one side of the argument. The God Solution contains that information.

Rediscovering Gandhi Wolfgang Sternstein, 2014-01-01 Gandhi and Jesus are brothers in spirit in spite of the great distance in space, time and cultural sphere that separates them. This is the thesis of this book. A completely new view of Jesus' life and teaching derives from Gandhi's religious thinking. It coincides to a vast extent with the findings of the Life-of-Jesus Research (which was unknown to Gandhi), but it also goes beyond it in crucial points. To the various things they have

in common belongs their rejection of any kind of fundamentalism and its underlying basis, the absolute truth claim of the Abrahamic religions.

Science and the God Elusion Robin Arthur,2019-06-05 Science and the God Elusion presents compelling arguments about the mysteries of the universe that science cannot unravel as yet. The Big Bang theory, for example, cries out for a divine explanation and the hypothesis presented on the origins of life on earth is ridden with serendipity. The book seeks to bring together all of these scientific and theological conversations to one table so as to open a new window and insight into the God that eludes scientific investigation and presents His wonder through mystical realms. But of course, religion and science are also two different and complementary avenues to knowledge and truth. Seen in their proper complementarity, they jointly illumine life's mystery and conundrums.

Advent Meditations Marilyn Ehle,2018-05-14 A compilation of eleven years of daily meditations for the Advent season, originally sent to family and friends, Marilyn Ehle's devotional is now available in book form.

Jesus Outside the Lines Scott Sauls,2015-03-01 Whether the issue of the day on Twitter, Facebook, or cable news is our sexuality, political divides, or the perceived conflict between faith and science, today's media pushes each one of us into a frustrating clash between two opposing sides. Polarizing, us-against-them discussions divide us and distract us from thinking clearly and communicating lovingly with others. Scott Sauls, like many of us, is weary of the bickering and is seeking a way of truth and beauty through the conflicts. Jesus Outside the Lines presents Jesus as this way. Scott shows us how the words and actions of Jesus reveal a response that does not perpetuate the destructive fray. Jesus offers us a way forward—away from harshness, caricatures, and stereotypes. In Jesus Outside the Lines, you will experience a fresh perspective of Jesus, who will not (and should not) fit into the sides.

My Miracle Cure John Scally,Marion Carroll,2020-05-28 'I stood up. A miracle had happened. I could walk. It was as if I was born again.' With a heart full of prayer, Marion Carroll journeyed to Knock in the west of Ireland. For 17 years, Multiple Sclerosis had ravaged her body so utterly that this reluctant pilgrim travelled on a stretcher. Then, at the Mass, an unimaginable miracle. Marion rose, pain-free, to walk, talk and see once more. Thanks to this wondrous blessing, Marion has transformed - in her 'own small way' - the lives of countless others. Her ministries share her rock-like faith and devotion to God. They testify to the power of ordinary people to listen, to care, to inspire. Nearly 30 years later, the Catholic Church officially recognised Marion's cure as a proclaimed miracle. Here, with warmth, grace, humility - and down-to-earth Irish humour - she tells of her life 'before' and 'after'. Marion's powerful, uplifting story is unique. It shines a light on love, hope and a remarkable relationship with God.

Regenerate Tony Scarcello,2020-09-24 "Loss. Fear. Doubt. What does anything mean when your ground of being is stripped away?" Tony met God when he was four years old through the love of his mother. When he was twelve, he realized

he had a crush on one of his male friends and grew convinced God would have nothing to do with him. At sixteen, Tony reencountered God who affirmed that nothing stood between them but love. When he was twenty-three, married to the girl of his dreams, and on staff at a church, Tony's secret came out, and he came close to losing it all. What followed was arduous years of deconstruction, losing everything he thought he knew about God, only to rediscover God in the mystery. This God was not a new God—it was the same one as before, just seen with regenerated faith. This God was more beautiful and restorative than Tony could have ever imagined. Tony's story is not uncommon in the modern evangelical landscape. Thousands of people throughout the West are experiencing a crisis of faith that is commonly referred to as "deconstruction." With raw honesty, Tony uses his own story as a starting point for a dialogue on the deconstruction process. Tony unpacks what the deconstruction process is, why it happens, and how the church can help people experiencing a crisis of faith without worsening it along the way. In this memoir, Tony candidly pleads for the church to make a turn: not to a trendier, "progressive" version of Christianity, nor to a stricter form of fundamentalism, but to the revolutionary, Jesus-centered movement that changed the face of the earth. A movement once better known for its society of healing love than its dogma.

A Renegade's Guide to God David Foster, 2012-02-01 Dynamic speaker and author Foster leads Christians to an untamed, unpredictable relationship with the ultimate renegade of all time -- Jesus.

Grace and Truth Brenda Mason Young, 2013-12-01 What if you were—as John 1:14 describes Jesus—"full of grace and truth"? How might that change your relationships, your job, your world? Find out here! These two qualities are essential to a fulfilling, effective Christian life, and Grace and Truth will help you find the proper balance—not 50 percent grace and 50 percent truth, but 100 percent of each. "Your Word is truth," said Jesus, who is also called "the Word"—so our study begins with the Bible and ends with the practical application of grace in our everyday lives. Grace and truth can change your life!

Out of the Ghetto Sean Harrison, 2021-02-25 Sean Harrison completed his studies at one of the most prestigious medical centers in New York City in the spring of 1982. For three decades, he worked in a profession where he excelled and provided

his family with a lifestyle, he never dreamed possible. For it is a far cry from his senior year of high school when his classmates voted him as “the most likely to be dead by the time he’s thirty.” Harrison shares his life story, revealing how anyone open-minded and willing can experience a dramatic shift in consciousness, from an inner-ghetto mentality to a new way of being. Harrison focuses on what he calls the four pillars of addiction—fear, guilt, resentment, and self-pity—responsible for most of the unhappiness we see in the world today. Out of the Ghetto is designed to help the addict and non-addict alike, offering practical ways to erase the errors of our past and begin anew. Harrison’s fundamental belief is that anyone who suffers from the pain of living can change the way they live by altering their thoughts, free from the ego’s distorted perceptions of reality. Praise for Out of the Ghetto “Riveting, revolutionary, and raw, this is a book for the ages.” —Shannon Tushingham, Ph.D., Director, Museum of Anthropology, WSU “A gifted storyteller, Sean takes us inside his twenty-year battle with active addiction. Whether you are new to recovery or have been a seeker for many years, there is great spiritual wisdom awaiting you throughout the pages of this book.” —Ronnie G, A grateful recovering addict, 11/25/1982 “Insightful and timely, Out of the Ghetto is a must-read for anyone charged with evaluating and treating this complex and often fatal disease.” —Samer Assaf, MD, Internal Medicine Sharp Reese-Stealy “Having worked in the field of addiction for over a decade, I highly recommend this book to anyone suffering directly or indirectly from its devastating effects. It is a brilliant, transparent account of one man’s journey from the hopelessness of addiction through all aspects of the recovery process in a brutally honest, humorous, and compassionate way.” —Sharon Daverio RN, LCSW, CASAC

The Art of Marketing Jesus Robert Wachter, 2021-07-21 Jesus is the most attractive person in human history. Professional fishermen dropped everything to follow him. Social outcasts were transformed into outspoken ambassadors; sinners, repulsed by their religious leaders, were drawn to Jesus by the scores. Today, everyday believers are called to attract people to Jesus. But how do we do that? God’s plan to reach the world is not through commercialism or trendy marketing gimmicks—it’s through you. However, some are caught in the performance trap of doing more and trying harder to please God, which produces the unintended consequences of spiritual brokenness and judgmental attitudes that render the believer ineffective at reflecting the heart of God. The Art of Marketing Jesus is an easy-to-understand spiritual growth process that has helped many believers internalize the life-giving promises of the new covenant and produce an abundance of love, joy, and peace in their lives—which is precisely the attitudes and characteristics required to attract people to Jesus. If you want to live free and attract more people to Jesus, perhaps it’s time to become a new wineskin. It’s time to say goodbye to old thoughts that keep you in bondage and place your light on the lampstand of spiritual freedom.

Christless Christianity Michael Horton, 2008-11-01 Is it possible that we have left Christ out of Christianity? Is the faith and practice of American Christians today more American than Christian? These are the provocative questions Michael Horton addresses in this thoughtful, insightful book. He argues that while we invoke the name of Christ, too often Christ and

the Christ-centered gospel are pushed aside. The result is a message and a faith that are, in Horton's words, trivial, sentimental, affirming, and irrelevant. This alternative gospel is a message of moralism, personal comfort, self-help, self-improvement, and individualistic religion. It trivializes God, making him a means to our selfish ends. Horton skillfully diagnoses the problem and points to the solution: a return to the unadulterated gospel of salvation.

Live Forgiven Jeff Warren, 2008-07 Book Summary Forgiveness. It's the cry of the human heart and yet few of us ever really live in it. Instead we strive to establish our worth through our performance, the approval of others, the latest self-help plan, or even religion. Do you struggle to shake the mistakes of your past? Do thoughts of the future bring anxiety? Are you troubled by unwanted patterns that have developed in your life? Maybe you're convinced that God is somewhere in the mix but the often contradictory expressions of religion have left your head spinning and heart wanting. Perhaps you're weary of an 'us against them' brand of Christianity. Could it be that Jesus Christ has been lost in a religion that bears His name? Live Forgiven offers real answers for real life from a fellow traveler. Liberating truths combined with practical application will help you discover the unexpected freedom and boundless joy of living forgiven. Everything is about to change as you discover the life you never thought possible.

The Diaspora Jean M. Dorsinville, 2013-02-12 The news of their arrival was a very pleasant surprise for Charles who longed to be reunited with his childhood neighbors. The family landed at Lansing airport in two Northwest Airlines planes between 7:00 and 9:00 P.M. a far distance from Port-au-Prince. The winter season was fast approaching that presented an enormous challenge for the Garderes to acclimate themselves to the cold weather with the exception of the eldest Ketly who had attended college on a scholarship to Harvard. She was a brilliant student who exemplified the character of this immigrant family. Upon graduation in 1965 Ketly had returned to her native land to marry her teenage sweetheart. She, her husband and three children would join the entire family in 1975. These ambitious members of the Diaspora would make their mark in the years to come.

I Like Your Christ Introduction

In today's digital age, the availability of I Like Your Christ books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of I Like Your Christ books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of I Like Your Christ books

and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing I Like Your Christ versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, I Like Your Christ books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content

appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing I Like Your Christ books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for I Like Your Christ books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period,

similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, I Like Your Christ books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional,

or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of I Like Your Christ books and manuals for download and embark on your journey of knowledge?
