Music Theory Through Musical Theatre John Charles Franceschina, 2015 Music Theory through Musical Theatre takes a new and powerful approach to music theory. Written specifically for students in music theatre programs, it offers music theory by way of musical theatre. Not a traditional music theory text, Music Theory through Musical Theatre tackles the theoretical foundations of musical theatre and musical theatre literature with an emphasis on what students will need to master in preparation for a professional career as a performer. Veteran music theatre musician John Franceschina brings his years of experience to bear in a book that offers musical theatre educators an important tool in equipping students with what is perhaps the most important element of being a performer: the ability to understand the language of music in the larger dramatic context to which it contributes. The book uses examples exclusively from music theater repertoire, drawing from well-known and more obscure shows and songs. Musical sight reading is consistently at the forefront of the lessons, teaching students to internalize notated music quickly and accurately, a particularly necessary skill in a world where songs can be added between performances. Franceschina consistently links the concepts of music theory and vocal coaching, showing students how identifying the musical structure of and gestures within a piece leads to better use of their time with vocal coaches and ultimately enables better dramatic choices. Combining formal theory with practical exercises, Music Theory through Musical Theatre will be a lifelong resource for students in musical theatre courses, dog-eared and shelved beside other professional resource volumes.

Beach in November Alexis Larsh, 2024-07-22 In a world where the Supernatural exists, you'd think bullies and homophobes would be the least of my problems. But when you lived in the quiet, beachside town of Ryterville, South Carolina, anything was possible. Everything there was routine, picturesque, and simple. Made to fit the mold seventy years ago and never changed. So, naturally, when a new family who didn't fit the mold moved in, it didn't take long for everyone to know. I met Sebastian Hwang after getting embarrassingly beaten up by my bully, Rachel. He asked if I was okay and ended up being in two of my classes. He sat with me at lunch the first day he arrived, and things went on from there. If only I knew how involved our lives would get. How entangled and destined our fates were. I played classical piano, and he was a ballet dancer. My high school put on an annual talent competition where you combine two or more of the performing arts, and I asked him to perform with me. Tchaikovsky's Swan Lake. In the dizzying whirlwind of romance, secrets, a talent competition,

and the Supernatural; there was no way to predict what would happen next. Let's just hope it wasn't death. (It was almost death). .

The Lighthouse at the Edge of the World J.R. Dawson,2025-07-29 The Lighthouse at the Edge of the World is a powerful and poignant contemporary Queer fantasy perfect for fans of Hadestown and Under the Whispering Door At the edge of Chicago, nestled on the shores of Lake Michigan, there is a waystation for the dead. Every night, the newly-departed travel through the city to the Station, guided by its lighthouse. There, they reckon with their lives, before stepping aboard a boat to go beyond. Nera has spent decades watching her father—the ferryman of the dead—sail across the lake, each night just like the last. But tonight, something is wrong. The Station's lighthouse has started to flicker out. The terrifying, ghostly Haunts have multiplied in the city. And now a person—a living person—has found her way onto the boat. Her name is Charlie. She followed a song. And she is searching for someone she lost. Gorgeous, lyrical, heartfelt, and true in all the ways that matter! This is an achingly beautiful book that is as much about life as it is about death.—Sarah Beth Durst, New York Times bestselling author of The Spellshop At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Losing Johanna Zella Smoak,2016-10-25 When You Lose Who You Are... What's Left? Johanna Moss is looking forward to the next stage of her life: after a successful career as an attorney, she decides to move back to her childhood home in Montana, where she will blend the memories of her past with the reality of the woman she's become. This gripping, gorgeous novel tells the story of her descent into Alzheimer's Dementia, as experienced by those who love her, and also from Johanna's own uniquely illuminating point of view. *Losing Johanna* is exuberant, funny, tragic, and ultimately redemptive. Readers will be inspired by Johanna's bravery, her humor, and above all, the profound humanity of her journey through time and memory.

Ghost Music An Yu,2023-01-10 From the author of the “original and electric” Braised Pork (Time), An Yu’s enchanting and contemplative novel of music and mushrooms follows a former concert pianist searching for the truth about a vanished musician For three years, Song Yan has filled the emptiness of her Beijing apartment with the tentative notes of her young piano students. She gave up on her own career as a concert pianist many years ago, but her husband Bowen, an executive at a car company, has long rebuffed her pleas to have a child. He resists even when his mother arrives from the southwestern Chinese region of Yunnan and begins her own campaign for a grandchild. As tension in the household rises, it becomes harder for Song Yan to keep her usual placid demeanor, especially since she is troubled by dreams of a doorless room she can’t escape, populated only by a strange orange mushroom. When a parcel of mushrooms native to her mother-in-law’s province is delivered seemingly by mistake, Song Yan sees an opportunity to bond with her, and as the packages continue to

arrive every week, the women stir-fry and grill the mushrooms, adding them to soups and noodles. When a letter arrives in the mail from the sender of the mushrooms, Song Yan's world begins to tilt further into the surreal. Summoned to an uncanny, seemingly ageless house hidden in a hutong that sits in the middle of the congested city, she finds Bai Yu, a once world-famous pianist who disappeared ten years ago. A gorgeous and atmospheric novel of art and expression, grief and survival, memory and self-discovery, *Ghost Music* animates contemporary Beijing through the eyes of a lonely yet hopeful young woman and gives vivid color and texture to the promise of new beginnings.

Ruby Among Us Tina Ann Forkner,2009-06-03 Lucy DiCamillo is safely surrounded by her books, music, and art--but none

of these reclusive comforts or even the protective efforts of her grandmother, Kitty, can shield her thoughts from the mother she can barely recall. Lucy senses her grandmother holds the key, but Kitty seems as eager to hide the past as Lucy is eager to find it. From the streets of San Francisco and Sacramento to the lush vineyards of the Sonoma Valley, Lucy follows the thread of memory in search of a heritage that seems long-buried with her mother, Ruby. What she finds is as enigmatic and stirring as it is startling in this redemptive tale about the power of faith and mother-daughter love.

Myrina Holmes Anna Triss, 2025-01-21 I'm Myrina Holmes, the top Tracker of Infernum, tasked with neutralizing supernatural creatures who disobey our laws. In my world, demons have legions. Fourteen to be precise: seven dedicated to the cardinal virtues and seven ruled by the deadly sins. As a marginal hybrid, I belong to neither camp, which suits me just fine. I love my job and my life on Earth when I'm not on a mission. Except, of course, when mysterious corpses literally fall from the sky to torture my brain and when my succubus half-sister starts hanging out with the most detestable Hybresang there is, Kelen Wills. A supremely powerful sinner, commander-in-chief of an elite army, he doesn't embody one deadly sin. No, he possesses all seven-with a penchant for lust, anger, pride, and gluttony. But keep that detail to yourself... Anyway, this guy has made it his mission to seduce me, probably because I'm the only woman who can resist his dubious charms. This Hybresang can go to hell, because I have other midnight demons to deal with.

The Lost Year Katherine Marsh, 2023-01-17 *A National Book Award Finalist* From the author of *Nowhere Boy* - called "a resistance novel for our times" by The New York Times - comes a brilliant middle-grade survival story that traces a harrowing family secret back to the Holodomor, a terrible famine that devastated Soviet Ukraine in the 1930s. Thirteen-year-old Matthew is miserable. His journalist dad is stuck overseas indefinitely, and his mom has moved in his one-hundred-year-old great-grandmother to ride out the pandemic, adding to his stress and isolation. But when Matthew finds a tattered black-and-white photo in his great-grandmother's belongings, he discovers a clue to a hidden chapter of her past, one that will lead to a life-shattering family secret. Set in alternating timelines that connect the present-day to the 1930s and the US to the USSR,

Katherine Marsh's latest novel sheds fresh light on the Holodomor – the horrific famine that killed millions of Ukrainians, and which the Soviet government covered up for decades. An incredibly timely, page-turning story of family, survival, and sacrifice, inspired by Marsh's own family history, *The Lost Year* is perfect for fans of Ruta Sepetys' *Between Shades of Gray* and Alan Gratz's *Refugee*.
