*The Oxford Illustrated History of Italy* George Holmes,2001 From the Roman Empire to the present day, this is the story

of Italy. Until just over a century ago, Italy did not exist as a political unit, yet it was both the heart of the Christian Church and the seedbed for the extraordinary cultural flowering that was the Renaissance. In the middle ages, the merchants of Florence, Genoa, and Venice bridged Asia and Europe with their trading and financial activities, yet Italy remained a region of fiercely independent city-states. In the nineteenth century an upsurge of nationalist fervour was channelled by Garibaldi into a victorious war against Italy's Habsburg overlords. A political vision was finally realized and the nation of Italy was created. This extensively illustrated survey by twelve leading historians offers a fascinating introduction to the history and culture of Italy.

**International Directory of Art Libraries** Thomas E. Hill, 2012-10-25 The International Federation of Library Associations and Institutions (IFLA) is the leading international body representing the interests of library and information services and their users. It is the global voice of the information profession. The series IFLA Publications deals with many of the means through which libraries, information centres, and information professionals worldwide can formulate their goals, exert their influence as a group, protect their interests, and find solutions to global problems.

**The Grove Encyclopedia of Medieval Art and Architecture** Colum Hourihane, 2012 This volume offers unparalleled coverage of all aspects of art and architecture from medieval Western Europe, from the 6th century to the early 16th century. Drawing upon the expansive scholarship in the celebrated 'Grove Dictionary of Art' and adding hundreds of new entries, it offers students, researchers and the general public a reliable, up-to-date, and convenient resource covering this field of major importance in the development of Western history and international art and architecture.

*DK Eyewitness Travel Guide: Italy* Adele Evans, 2011-02-01 DK Eyewitness Italy travel guide will lead you straight to the best attractions Italy's kaleidoscope of regions have on offer. Packed with photographs and illustrations, the guide explores every facet that makes the country irresistible; from the Alps in the far north to the sun-blessed Mediterranean shores of the south. The guide provides all the insider tips every visitor needs from soaking up the romance of Verona, basking in the warm evening sun in Tuscany, or gaping at the ancient ruins lining the streets of Rome as well as comprehensive listings of the best hotels, villas, resorts, restaurants, and nightlife in each region for all budgets. You'll find 3D cutaways and floorplans of all the must-see sites of the major cities and towns. DK Eyewitness Italy explores the history, classical origins, architecture and art of this stylish and charismatic country - and still finds room to recommend a wine to go with the risi e bisi or the maccheroni con le sarde. With up-to-date information on getting around by train, boat, car, walking in cities and all the sights, beaches, and resorts listed town by town, DK Eyewitness Italy is indispensable. Don't miss a thing on your holiday with the DK Eyewitness Italy
