If One Uses It Lawfully Matthew E. Ferris,2018-05-16 Are the Ten Commandments the standard for Christian living?

There are many viewpoints on the place of the Mosaic Law today. Some affirm that while we are not saved through keeping the law, it remains our standard for living, a pattern to be followed. Others say we are free from the law. This brief examination of the law affirms all of God's revelation as Christian Scripture, but acknowledges covenantal differences in God's dealings with believers. The progress of salvation history, and our identification with Christ, has altered our relationship to the Mosaic Law. Using the Law "lawfully" requires us to recognize the way in which the New Testament, and chiefly the Apostle Paul, treats the law. Paul presents the believer as having died to the law, and serving now in the new way of the Spirit, a way that does not depend on the Mosaic law. The pattern for the New Testament believer remains Jesus himself. While keeping all of God's law, he went beyond its requirement to demonstrate a love for sinners that the law did not know.

*The Law of Moses* Roderick O. Ford,2017-01-18 The Law of Moses: Commentaries on the New and Old Testament Law is a simple yet thought-provoking analysis of the Mosaic legal code found in the books of Genesis, Exodus, Leviticus, Numbers, and Deuteronomy. It carefully analyzes the Old Testament Law as the foundation of the New Testament Gospel, and it places them within the context of parables and teachings of Jesus of Nazareth. The Law of Moses is especially useful for those persons who are familiar with the New Testament and the teachings of Christ but who have not yet studied the deeper meanings of the Old Testament Law. This book is also a great Bible-study companion that is practical and useful for knowledgeable and experienced Christians, Muslims, and Jews, including lawyers, pastors, and theologians.

*The Law of Moses VERSUS the Law of Messiah* John B Metzger,2025-05-29 Which must we follow - The Law of Moses or

the Law of Messiah? A multitude of false doctrines are being taught in churches and Messianic Jewish groups today that impede, block, and spiritually frustrate believers in their growth in Messiah Yeshua, our Savior and Redeemer Jesus Christ. The problem comes when believers who have skewed biblical doctrine invent new, corrupted doctrines to suit their own biases and then become spiritual leaders. The issue of Tradition versus Faith in God's promises was controversial in Jesus' time and is well-documented. Most of the New Testament reveals the conflict between the two interpretations. One such area is the teaching that believers must be Torah keepers, whether Jewish or Gentile, to please God and work out their salvation. Is this teaching biblical, or are such teachings obstructing believers from their walk in Messiah and from being yielded to the Rauch Ha-Kodesh? The only way to know for sure is to carefully study the Bible from God's perspective. What does the Author say about this particular doctrine in His Word? The answer is spread throughout both the Old Testament Scriptures and New Covenant Gospels and Epistles. Let's take a look!

*Apocalypse Explained* Emanuel Swedenborg,2013-11-19 This writing was left unpublished at Swedenborg's death, although it had apparently been carefully prepared for publication. Except towards the end it is almost exclusively an exposition of the spiritual sense of Scripture. Not only is every phrase in the Apocalypse (as far as covered) separately explained, but thousands of passages, gathered from all parts of the Word, are quoted and expounded. These expositions close with the tenth verse of the nineteenth chapter. Towards the end extended doctrinal discussions are introduced. Both for its exposition of passages of Scripture and for its doctrinal statements this is an exceedingly important and valuable work. It is especially instructive in its expositions of the Psalms, the Prophets, and the Gospels.

**The Apocalypse, Or Book of Revelations, Explained According to the Spiritual Sense; in which are Revealed the Arcana which are There Predicted, and Have Been Hitherto Deeply Concealed. Translated Into English from a Latin Posthumous Work of ... Emanuel Swedenborg [by William Hill] and Revised by the Translator of the Arcana Coelestia [i.e. John Clowes]. (To which is Subjoined a Summary Exposition of the Internal Sense of the Prophetical Books of the Word of the Old Testament, and of the Psalms of David.) [With the Text.]**,1814

**Arcana Coelestia, Volume 9** Emanuel Swedenborg,2013-11-08 This is an exposition of the internal or spiritual sense of the books of Genesis and Exodus, according to the law of correspondences. It unfolds the spiritual significance of the creation; of the stories of Adam and Eve, and of the deluge; of the lives of the patriarchs; of the captivity of the chosen people in Egypt and of their deliverance therefrom, and of their subsequent history; of the ritual of the Jewish religion, its sacrifices and observances:—and in general, traces the foreshadowing through both books of the incarnation and glorification of the Lord Jesus Christ. Many passages from other parts of the Word are also fully explained. Relations of things heard and seen in the spiritual world are interspersed, explaining the process of dying, and of man's resuscitation and conscious entrance into the interior life; the nature of the soul; of heaven and heavenly joy;and of hell, its nature and its miseries. It also treats of the Grand Man, or the whole angelic heaven, and the correspondence of the societies therein with the different organs and senses of the body; the origin and correspondence of diseases; the spirits and inhabitants of the various planets, and of other earths in the starry heavens. All of which are related to a true understanding of the Divine Word. This is book #9 out of 12 and covers Exodus 1 - 12.
