Strip Club Kim Price-Glynn, 2010-09-14 Stripper chic is in these days: you can watch celebrities strip on Oprah or do it yourself at your local gym, but this popular face of stripping hides another side of the industry, one that is far less glamorous. In *Strip Club*, Kim Price-Glynn takes us behind the scenes at The Lion's Den, a rundown club where women are compelled to strip out of economic need rather than as a means of liberation, and a place where strippers' stories often reflect drudgery and dismay. *Strip Club* reveals the intimate working lives of not just the women up on stage, but also the patrons and other workers who make the place run: the owner-manager, bartenders, deejays, doormen, bouncers, housewives, and cocktail waitresses. Price-Glynn spent fourteen months at The Lion's Den working as a cocktail waitress. Her uncommonly deep access reveals a conflict-ridden workplace fuelled by competing interests and agendas and stereotypical ideas about women, men, sexuality, race, labour, and economic value. Full of rich insights into the world of a single club, Price-Glynn argues that the club environment reproduces gender inequalities through the everyday interactions of customers and workers as well as the broader organizational structure and culture of the modern day workplace. Taking a novel approach to this controversial and often misunderstood industry, Price-Glynn draws a fascinating portrait of life and work inside the strip club.

Pornology Ayn Carrillo-Galley, 2005-04-08 When Ayn Carrillo-Galley confronted her boyfriend about his porn habit, he pronounced her pornophobic. Determined to prove she wasn't phobic, simply more enlightened, Ayn set out to learn all she could about this phenomenon. Like any good researcher, she added her new quest to her daily To-Do list: 1. Drop off dry cleaning 2. Call Mom 3. Visit sex toy store on Melrose Acting as an amateur anthropologist introduced Ayn to a world populated by everyday people. Her quest aroused the curiosity of her female friends: her knitting group quickly turned into informal information sessions, as the women—single or married, involved or not—were desperate for information. What does XXX mean vs. un-rated? What's the difference between topless dancers and strip clubs? Why is some of it actually not that stimulating? And why are men obsessed with it? Along the way, Ayn ditched the porn-obsessed boyfriend, and learned that one should not try to make change from a stripper's G-string tips, nor is the Hustler store the best place to make a first impression on a hot guy. *Pornology* is the result of one woman's quest to pierce the veil that modestly covers something many women actually want to know about. Surprising, hilarious, informative, and ultimately non-judgmental, this narrative is one

readers won't put down-once they admit they're curious enough to pick it up!

Playthings L.D Jacobson,2011-11-03 A man's online profile, a fictitious woman named Dana Elizabeth Sullivan, has 'detached from his account.'Now she's very much alive and in our world, killing people one by one until she works her way back to the man who created her.

Nick Bakay's Tale of the Tape Nick Bakay,2004-05-05 A collection of the popular ESPN columns and segments in which any two items that come to mind -- such as the Kentucky Derby vs. the Indianapolis 500 or Babe Ruth the player vs. Baby Ruth the candy bar -- are compared in Bakay's irreverent and hilarious style. Bakay's Tale of the Tape is an institution that occupies a unique niche as ESPN's only comedic department appearing frequently on ESPN.com's Page 2, and each month in ESPN The Magazine, and regularly during ESPN broadcasts. Now for the first time ever in one place, ESPN fans can find all of their favorite Tales of the Tape columns, even the classics such as Tiger Woods vs. James Bond, Michael Jackson vs. Mike Tyson, and Indy 500 vs. Kentucky Derby. Fans will be thrilled to learn that the book also includes new tales - ones too long for print and others too racey for broadcast! Fans will not want to miss this collection.

Privacy Jon L Mills,2008-09-30 The disturbing reality of contemporary life is that technology has laid bare the private facts of most people's lives. Email, cell phone calls, and individual purchasing habits are no longer secret. Individuals may be discussed on a blog, victimized by an inaccurate credit report, or have their email read by an employer or government agency without their knowledge. Government policy, mass media, and modern technology pose new challenges to privacy rights, while the law struggles to keep up with the rapid changes. Privacy: The Lost Right evaluates the status of citizens' right to privacy in today's intrusive world. Mills reviews the history of privacy protections, the general loss of privacy, and the inadequacy of current legal remedies, especially with respect to more recent privacy concerns, such as identity theft, government surveillance, tabloid journalism, and video surveillance in public places. Mills concludes that existing regulations do not adequately protect individual privacy, and he presents options for improving privacy protections.

Adored Cecily von Ziegesar,2009-06-01 Brett Messerschmidt is organizing Waverly Academy's annual holiday ball and secret gift exchange. But when some enterprising students decide that playing Secret Satan is infinitely more fun, the entire school starts acting naughty. All Brett wants is a successful party-and a goodnight kiss from unexpected crush Sebastian Valenti. Too bad Callie Vernon also has her eye on the newly made-over Sebastian. Sharing is caring, right? Or not . . . Everybody at Waverly is getting into the giving spirit. The only present Tinsley Carmichael wants to unwrap is her new boyfriend, Julian McCafferty. But what happens when she uncovers a shady secret from his past instead? Looks like Jenny Humphrey, Waverly's newest small-screen star, is about to land on Tinsley's hit list. Again. With raucous get-togethers and secret admirers, there's never a dull day in the life of an It Girl. But no one ever said being adored was easy. . . .

They Do What? Javier A. Galván,2014-06-19 This single-volume work covers many traditions, customs, and activities

Westerners may find unusual or shocking, covering everything from the Ashanti people's funeral celebrations to wife-carrying competitions in Finland. In Maharashtra, India, a tradition exists to throw newborn babies off the tops of buildings. At the Vegetarian Festival in Phuket, Thailand, some people ritualistically pierce their cheeks and faces with swords and knives. How did these surprising customs come to be? From camel wrestling to cheese-rolling competitions to a tomato-throwing festival, this fascinating single-volume encyclopedia examines more than 100 customs, traditions, and rituals that may be considered strange and exotic to U.S. readers. This work provides high school and undergraduate students with a compelling and fascinating exploration of world customs and traditions. Comprising entries by anthropologists, religious leaders, scholars, dancers, musicians, historians, and artists from almost every continent in the world, this encyclopedia provides readers a truly global and multidisciplinary perspective. The entries explore the origins of the custom, explain how it was established as a tradition, and describe how and where it is practiced. A thematic guide enables readers to look up entries by the type of tradition or custom, such as birth, coming of age, courtship and wedding, funeral, daily customs, holidays, and festivals.

Girls Gone Wise in a World Gone Wild Mary A Kassian, 2010-04-01 Inundated by popular culture, many women have lost their bearings and no longer trust the internal compass that intuitively affirms those things that are good, true, and noble about womanhood. As Jesus' favorite and most powerful teaching tactic was the parable, it is appropriate that Mary Kassian walks the reader through the compelling tale of the wild versus wise woman found in Proverbs 7. By using 20 points of contrast, she helps readers discern wild from wise, saucy from biblically savvy, and more. *Girls Gone Wise in a World Gone Wild* will captivate, convict, and challenge women to become decreasingly worldly and increasingly godly, and it will equip them with truth for that journey. Includes questions for personal reflection at the end of each chapter

Toxic: Women, Fame, and the Tabloid 2000s Sarah Ditum,2024-01-23 A scathing reexamination of the lives of nine female celebrities in the 2000s—Britney, Paris, Lindsay, Aaliyah, Janet, Amy, Kim, Chyna, and Jen—and the sexist, exploitative culture that let them down Welcome to celebrity culture in the early aughts: the reign of Perez Hilton, celebrity sex tapes, and dueling tabloids fed by paparazzi who were willing to do anything to get the shot. The internet was still the Wild West: slut-shaming, fat-shaming, and revenge porn were all fair game, and celebrity was seen as a commodity to be consumed. And for the famous women of this era, they were never as popular—or as vulnerable—as when they were in crisis. In Toxic, journalist Sarah Ditum tells the stories of nine famous women who defined this era and explores how they were devoured by fame, how they attempted to control their own narratives, and how they succeeded or (more often) failed. Whatever you think you already know, leave it at the door. Toxic reveals these women neither as pure victims nor as conniving strategists, but as complex individuals trying to navigate celebrity while under attack from a vicious and fast-changing media. It's time to come to terms with how these iconic women and their experiences living under the public gaze shaped the way we see ourselves, our bodies, our relationships, and our aspirations. We are all products of the toxic decade.

Digging Up Mother Doug Stanhope,2024-09-24 Doug Stanhope is one of the most critically acclaimed and stridently unrepentant comedians of his generation. What will surprise some is that he owes so much of his dark and sometimes uncomfortably honest sense of humor to his mother, Bonnie. It was the cartoons in her Hustler magazine issues that molded the beginnings of his comedic journey, long before he was old enough to know what to do with the actual pornography. It was

Bonnie who recited Monty Python sketches with him, who introduced him to Richard Pryor at nine years old, and who rescued him from a psychologist when he brought that brand of humor to school. And it was Bonnie who took him along to all of her AA meetings, where Doug undoubtedly found inspiration for his own storytelling. Bonnie's own path from bartending to truck driving, massage therapy, elder abuse, stand-up comedy, and acting never stopped her from being Doug's genuine number one fan. So when her alcoholic, hoarding life finally came to an end many weird adventures later in rural Arizona, it was inevitable that Doug and Bonnie would be together for one last excursion. *Digging Up Mother* follows Doug's absurd, chaotic, and often obscene life as it intersects with that of his best friend, biggest fan, and love of his life-his mother. And it all starts with her death-one of the most memorable and amazing farewells you will ever read.

Vanguard Performance Beyond Left and Right Kimberly Jannarone, 2015-11-06 Vanguard Performance Beyond Left and Right challenges assumptions regarding “radical” and “experimental” performance that have long dominated thinking about the avant-garde. The book brings to light vanguard performances rarely discussed: those that support totalitarian regimes, promote conservative values, or have been effectively snapped up by right-wing regimes the performances intended to oppose. In so doing, the volume explores a central paradox: how innovative performances that challenge oppressive power structures can also be deployed in deliberate, passionate support of oppressive power. Essays by leading international scholars pose engaging questions about the historical avant-garde, vanguard acts, and the complex role of artistic innovation and live performance in global politics. Focusing on performances that work against progressive and democratic ideas (including scripted drama, staged suicide, choral dance, terrorism, rallies, and espionage), the book demonstrates how many compelling performance ideals—unification, exaltation, immersion—are, in themselves, neither moral nor immoral; they are only emotional and aesthetic urges that can be powerfully channeled into a variety of social and political outlets.

Girls, Autobiography, Media Emma Maguire, 2018-04-05 This book investigates how girls’ automedial selves are constituted and consumed as literary or media products in a digital landscape dominated by intimate, though quite public, modes of self-disclosure and pervaded by broader practices of self-branding. In thinking about how girlhood as a potentially vulnerable subject position circulates as a commodity, *Girls, Autobiography, Media* argues that by using digital technologies to write themselves into culture, girls and young women are staking a claim on public space and asserting the right to create and distribute their own representations of girlhood. Their texts—in the form of blogs, vlogs, photo-sharing platforms, online diaries and fangirl identities—show how they navigate the sometimes hostile conditions of online spaces in order to become narrators of their own lives and stories. By examining case studies across different digital forms of self-presentation by girls and young women, this book considers how mediation and autobiographical practices are deeply interlinked, and it highlights the significant contribution girls and young women have made to contemporary digital forms of life narrative.

Sexy Feminism Jennifer Keishin Armstrong, Heather Wood Rudolph, 2013 A rallying call for a new brand of 21st-century

feminism--a feminism that is doable, cool, and, yes, even sexy.

Idiots Laura Clery, 2023-04-25 A fresh, hilarious, and relatable collection of essays about everything from motherhood and marriage to sobriety and work-life balance (or imbalance) from the nationally bestselling author of the “honest, complicated” (SheKnows) *Idiot*. TRIGGER WARNING: TORN EVERYTHING! In her first book, *Idiot*, bestselling author Laura Clery gave us mind-blowingly personal life stories about addiction, toxic relationships, and recovery—establishing herself as the preeminent voice of infinite conviction meets zero impulse control. Here she is two kids later asking, “How did we get here?” Sex. Sex is how we got here. Laura’s life has changed a great deal since she wrote *Idiot*, but her hilarious candor has only increased with motherhood—plus she tells some of the stories she was too scared to tell in her first book (which is really saying something). “Full of wit” (Publishers Weekly) and charm, Laura shares more than anyone wanted about: -Placenta pills, mom brain, and vibrator manifestation -Nipple-twisting orgies and flinging a butt burrito in your doctor’s face -ADHD, autism, postpartum depression, and the wisdom of a ninety-eight-year-old sage named Anne -Unsolicited dick, sexual assault, and sister-drugging -Cheating, fights, and forgiveness -Choosing love over fear and healing the world Laura does not hold back when it comes to sharing stories of screw-ups, triumphs, and learning from her mistakes. Whether she’s crying into a diaper in a Whole Foods parking lot or desperately soliciting advice from a random elderly stranger (who has most certainly considered a restraining order), Laura is able to laugh at herself even during her worst moments—more importantly, she makes us laugh, cry, and feel less alone in the world.

Pornland Gail Dines, 2010-08-06 Professor Gail Dines has written about and researched the porn industry for over two decades. She attends industry conferences, interviews producers and performers, and speaks to hundreds of men and women each year about their experience with porn. Students and educators describe her work as “life changing.” In *Pornland*—the culmination of her life’s work—Dines takes an unflinching look at porn and its affect on our lives. Astonishingly, the average age of first viewing porn is now 11.5 years for boys, and with the advent of the Internet, it’s no surprise that young people are consuming more porn than ever. But, as Dines shows, today’s porn is strikingly different from yesterday’s Playboy. As porn culture has become absorbed into pop culture, a new wave of entrepreneurs are creating porn that is even more hardcore, violent, sexist, and racist. To differentiate their products in a glutted market, producers have created profitable niche products—like teen sex, torture porn, and gonzo—in order to entice a generation of desensitized users. Going from the backstreets to Wall Street, Dines traces the extensive money trail behind this multibillion-dollar industry—one that reaps more profits than the film and music industries combined. Like Big Tobacco—with its powerful lobbying groups and sophisticated business practices—porn companies don’t simply sell products. Rather they influence legislators, partner with mainstream media, and develop new technologies like streaming video for cell phones. Proving that this assembly line of content is actually limiting our sexual freedom, Dines argues that porn’s omnipresence has become a public health concern

we can no longer ignore.
