Far From Home Charlotte Hardy,2015-08-18 Convinced that life offers more than she can find in her small Irish village, Brid Flynn is reluctant to marry local boy Garrett Doyle. He may be the most eligible bachelor in her village, but she is not sure she loves him. And his quiet, persistent manner makes her uneasy. Then an accident brings Lord Harry Leighton, the handsome younger son of the local landowner, into her life. His beautiful features, gentle demeanor, and British accent remind Brid of the world outside of Ireland. In turn, Brid's beauty and wonderful singing voice captivate the young aristocrat. Brid is sure that the Prince Charming she has been waiting for has arrived at last. And when Harry asks her to follow him to London, she can imagine no obstacle to hold her back. But many a dream has been turned to dust by unforeseen circumstances - and Brid's new life may not be as carefree as she has envisioned.

Ultraviolet Suzanne Matson,2019-09-10 Named a Best Book of the Year by Real Simple This unostentatious yet intricate novel follows the women of a family across nearly a century . . . Domestic scenes emit blasts of emotional life, as the women grapple with the 'swooning collapse and then the expanding distance' between their interior lives and the outside world. —The New Yorker Suzanne Matson's engrossing and intimate new novel, Ultraviolet, centers on Kathryn—the daughter of Elsie and mother of Samantha— while illuminating the lives of three generations of women, each more independent than the last. Their stories open in 1930s India, where Elsie lives with her authoritarian missionary husband and their children. Returning to the American Midwest as a teenager, Kathryn feels alienated and restless. When she loses her mother prematurely to a stroke, she escapes to Oregon for a fresh start. Disappointed that her education was cut short by her father, and dreaming of becoming a writer, she supports herself as a waitress in wartime America, dating soldiers, then meeting and marrying Finnish-American Carl. A construction worker sixteen years her senior, he is an unlikely match, though appealing in his care - free ways and stark difference from her Mennonite past. But Kathryn ends up feeling trapped in the marriage, her ambitions thwarted. Samantha, who's grown up in the atmosphere of her mother's discontent, follows her own career to teach at a university in faraway Boston, where she maintains a happy family of her own. When Kathryn starts to fail, Samantha moves her mother near her to care for, and then to watch over her deathbed, where "something in the room— the

spell, the cord knitting them together—is cut. Or no, that can't be right, either.” Ultraviolet is a lyrical novel of great emotional depth. Suzanne Matson recognizes both the drama that is within every existence and the strengths and fragilities of our relationships with others. She shines a brilliant light on the complexities of marriage, motherhood, aging, and the end of life.

The Glittering World Alexander Grin, 2024-03-11 There are people comfortably settled into their lives. There are people confident in what they know. There are people who are safe within their well-defined world. Just when they think they have the universe figured out, along comes Drood and changes everything overnight. Join the great Russian dreamer Alexander Grin, as he explores the question - what would happen if a human being could fly.

Speaking of Writing Nicholas Delbanco, 1990 Essays on the art of writing by some of the nation's finest writers

Hunger Makes Me a Modern Girl Carrie Brownstein, 2016-10-25 From the guitarist of the pioneering band Sleater-Kinney, the book Kim Gordon says everyone has been waiting for and a New York Times Notable Book of 2015-- a candid, funny, and deeply personal look at making a life--and finding yourself--in music. Before Carrie Brownstein became a music icon, she was a young girl growing up in the Pacific Northwest just as it was becoming the setting for one the most important movements in rock history. Seeking a sense of home and identity, she would discover both while moving from spectator to creator in experiencing the power and mystery of a live performance. With Sleater-Kinney, Brownstein and her bandmates rose to prominence in the burgeoning underground feminist punk-rock movement that would define music and pop culture in the 1990s. They would be cited as “America’s best rock band” by legendary music critic Greil Marcus for their defiant, exuberant brand of punk that resisted labels and limitations, and redefined notions of gender in rock. *HUNGER MAKES ME A MODERN GIRL* is an intimate and revealing narrative of her escape from a turbulent family life into a world where music was the means toward self-invention, community, and rescue. Along the way, Brownstein chronicles the excitement and contradictions within the era’s flourishing and fiercely independent music subculture, including experiences that sowed the seeds for the observational satire of the popular television series *Portlandia* years later. With deft, lucid prose Brownstein proves herself as formidable on the page as on the stage. Accessibly raw, honest and heartfelt, this book captures the experience of being a young woman, a born performer and an outsider, and ultimately finding one’s true calling through hard work, courage and the intoxicating power of rock and roll.

Big Disconnect Giles Slade, 2012-08-07 Smart phones and social media sites may be contemporary fixations, but using technology to replace face-to-face interactions is not a new cultural phenomenon. Throughout our history, intimacy with machines has often supplanted mutual human connection. This book reveals how consumer technologies changed from analgesic devices that soothed the loneliness of a newly urban generation to prosthetic interfaces that act as substitutes for companionship in modern America. The history of this transformation helps explain why we use technology to mediate our

connections with other human beings instead of seeking out face-to-face contact. Do electronic interfaces receive most of our attention to the detriment of real interpersonal communication? Why do sixty million Americans report that isolation and loneliness are major sources of unhappiness? The author provides many insights into our increasingly artificial relationships and a vision for how we can rediscover genuine community and human empathy.

The Great War Hunt Tooley,2015-11-29 We have often heard about the brutal world of the trenches, the willingness of brave young soldiers and the apparent indifference of the generals, but reevaluations of the Great War in previous decades have shown us much more complexity, and in many cases some surprising reconstructions of very standard narratives of the war. The traditional isolation of the battle front from the home front, which historians have tended to observe, has given us an incomplete understanding of both fronts. In this study of Word War I, Hunt Tooley crosses the boundaries of national histories to examine the various connections between the 400-mile-long Western Front and the home fronts of the United Kingdom, France, Germany, Canada, Australia and the United States. Tooley draws on recent research and the wealth of primary souce material available to provide a broad synthesis of a complex event, and to create a more holistic view of the war - as men stayed in touch with those at home, as governments responded to events on the battlefield, and as writers, poets and artists brought the cultural impulses of Europe to the deadly world of the Western Front. In his clearly-written, wide-ranging study, Tooley argues that the seeds of much of the 20th century may have been planted well before the First World War, but - as many social critics, politicians, soldiers, women's movement leaders, and others predicted - the cultivation of these seeds in war would have a powerful and formative effect on the social, political and cultural processes which shaped the 20th century.

My Name Is Barbra Barbra Streisand,2023-11-07 The long-awaited memoir by the superstar of stage, screen, recordings, and television PLEASE NOTE The E-book edition features additional photographs that are exclusive to the E-book. Barbra Streisand is by any account a living legend, a woman who in a career spanning six decades has excelled in every area of entertainment. She is among the handful of EGOT winners (Emmy, Grammy, Oscar, and Tony) and has one of the greatest and most recognizable voices in the history of popular music. She has been nominated for a Grammy 46 times, and with Yentl she became the first woman to write, produce, direct, and star in a major motion picture. In My Name Is

Barbra, she tells her own story about her life and extraordinary career, from growing up in Brooklyn to her first star-making appearances in New York nightclubs to her breakout performance in *Funny Girl* (musical and film) to the long string of successes in every medium in the years that followed. The book is, like Barbra herself, frank, funny, opinionated, and charming. She recounts her early struggles to become an actress, eventually turning to singing to earn a living; the recording of some of her acclaimed albums; the years of effort involved in making *Yentl*; her direction of *The Prince of Tides*; her friendships with figures ranging from Marlon Brando to Madeleine Albright; her political advocacy; and the fulfillment she's found in her marriage to James Brolin. No entertainer's memoir has been more anticipated than Barbra Streisand's, and this engrossing and delightful book will be eagerly welcomed by her millions of fans.

Deep Water Thomas Ruys Smith, 2019-12-17 Mark Twain's visions of the Mississippi River offer some of the most indelible images in American literature: Huck and Jim floating downstream on their raft, Tom Sawyer and friends becoming pirates on Jackson's Island, the young Sam Clemens himself at the wheel of a steamboat. Through Twain's iconic river books, the Mississippi has become an imagined river as much as a real one. Yet despite the central place that Twain's river occupies in the national imaginary, until now no work has explored the shifting meaning of this crucial connection in a single volume. Thomas Ruys Smith's *Deep Water: The Mississippi River in the Age of Mark Twain* is the first book to provide a comprehensive narrative account of Twain's intimate and long-lasting creative engagement with the Mississippi. This expansive study traces two separate but richly intertwined stories of the river as America moved from the aftermath of the Civil War toward modernity. It follows Twain's remarkable connection to the Mississippi, from his early years on the river as a steamboat pilot, through his most significant literary statements, to his final reflections on the crooked stream that wound its way through his life and imagination. Alongside Twain's evolving relationship to the river, *Deep Water* details the thriving cultural life of the Mississippi in this period—from roustabouts to canoeists, from books for boys to blues songs—and highlights a diverse collection of voices each telling their own story of the river. Smith weaves together these perspectives, putting Twain and his creations in conversation with a dynamic cast of river characters who helped transform the Mississippi into a vibrant American icon. By balancing evocative cultural history with thought-provoking discussions of some of Twain's most important and beloved works, *Deep Water* gives readers a new sense of both the Mississippi and the remarkable writer who made the river his own.

Children and Families in the Digital Age Elisabeth Gee, Lori Takeuchi, Ellen Wartella, 2017-11-06 *Children and Families in the Digital Age* offers a fresh, nuanced, and empirically-based perspective on how families are using digital media to enhance learning, routines, and relationships. This powerful edited collection contributes to a growing body of work suggesting the importance of understanding how the consequences of digital media use are shaped by family culture, values, practices, and the larger social and economic contexts of families' lives. Chapters offer case studies, real-life examples, and analyses of

large-scale national survey data, and provide insights into previously unexplored topics such as the role of siblings in shaping the home media ecology.

Afterlives of the Lady of Shalott and Elaine of Astolat Ann F. Howey, 2020-07-31 This book investigates adaptations of The Lady of Shalott and Elaine of Astolat in Victorian and post-Victorian popular culture to explore their engagement with medievalism, social constructions of gender, and representations of the role of art in society. Although the figure of Elaine first appeared in medieval texts, including Malory's Le Morte Darthur, Tennyson's poems about the Lady and Elaine drew unprecedented response from musicians, artists, and other authors, whose adaptations in some cases inspired further adaptations. With chapters on music, art, and literature (including parody, young people's literature, and historical fiction and fantasy), this book seeks to trace the evolution of these characters and the ways in which they reinforce or challenge conventional gender roles, represent the present's relationship to the past, and highlight the power of art.

The Big Book of Classic Fantasy Ann Vandermeer, Jeff VanderMeer, 2019-07-02 A FINALIST FOR THE 2020 WORLD FANTASY AWARD • Unearth the enchanting origins of fantasy fiction with a collection of tales as vast as the tallest tower and as mysterious as the dark depths of the forest. Fantasy stories have always been with us. They illuminate the odd and the uncanny, the wondrous and the fantastic: all the things we know are lurking just out of sight—on the other side of the looking-glass, beyond the music of the impossibly haunting violin, through the twisted trees of the ancient woods. Other worlds, talking animals, fairies, goblins, demons, tricksters, and mystics: these are the elements that populate a rich literary tradition that spans the globe. A work composed both of careful scholarship and fantastic fun, *The Big Book of Classic Fantasy* is essential reading for anyone who's never forgotten the stories that first inspired feelings of astonishment and wonder. INCLUDING: *Stories by pillars of the genre like the Brothers Grimm, Hans Christian Andersen, Mary Shelley, Christina Rossetti, L. Frank Baum, Robert E. Howard, and J. R. R. Tolkien *Fantastical offerings from literary giants including Edith Wharton, Leo Tolstoy, Willa Cather, Zora Neale Hurston, Vladimir Nabokov, Hermann Hesse, and W.E.B. Du Bois *Rare treasures from Asian, Eastern European, Scandinavian, and Native American traditions *New translations, including fourteen stories never before in English PLUS: *Beautifully Bizarre Creatures! *Strange New Worlds Just Beyond the Garden Path! *Fairy Folk and Their Dark Mischief! *Seriously Be Careful—Do Not Trust Those Fairies!
