Gabriel Baptiste

Damned Good Show Derek Robinson, 2013-11-05 They joined an R.A.F. known as the best flying club in the world, but when war pitches the young pilots of 409 Squadron into battle over Germany, their training, tactics and equipment are soon found wanting, their twin-engined bombers obsolete from the off. Chances of completing a 30-operation tour? One in three. At best. Robinson's crooked salute to the dogged heroes of the R.A.F.'s early bombing campaign is a wickedly humorous portrait of men doing their duty in flying death traps, fully aware, in those dark days of war, there was nothing else to do but dig in and hang on.

The Record Keeper Charles Martin, 2022-07-05 USA TODAY Bestseller | ECPA Bestseller With heart-stopping clarity, New York Times bestselling author Charles Martin continues to combine the heart-wrenching emotion of Nicholas Sparks with the edge-of-your-seat tension of John Grisham in this third book in the Murphy Shepherd series--exploring the true cost of leaving the ninety-nine to find the one. Murphy Shepherd's last rescue mission very nearly cost him his life. He'd like nothing more than to stay close to his wife and daughters for a while. But Bones's nemesis must be stopped, and there are so many who still need to know they are worth rescuing. As the cat-and-mouse game moves into the open, Murphy is tested at every turn--both physically and mentally. Then the unthinkable happens: his beloved mentor and friend is taken. Gone without a trace. Murphy lives by the mantra that love always shows up. But how can he rescue Bones when he has no leads? With Charles Martin's trademark lyricism and poignant prose, the Murphy Shepherd series is at once a tender love story, a heartrending search for freedom, an exploration of the terrible cost of human trafficking, and an anthem to the power of love to create change when it shows up regardless of the cost. The Murphy Shepherd series: Book 1: The Water Keeper, Book 2: The Letter Keeper, Book 3: The Record Keeper, Book 4: The Keeper (coming April 2025!)

Stone Cold Devon Monk, 2023 Book 2 in USA Today Bestselling author Devon Monk's dark, gritty, magic-fueled, urban fantasy adventure. Life and Death duke it out in this enemies-to-brothers, hell-to-heaven twisty thrill ride. *Fully updated author edition: bursting with extra Heart, Snark, and Ass-kicking.* Shame Flynn is one of the most powerful Death magic users in the world. He has pushed himself and magic to the limit, even though there's hell to pay. But he's finally

miscalculated and pushed magic too far. The price for breaking magic? Death magic is eating him alive. The only thing stopping it from slipping his grip and killing everything in a hundred mile radius, is the Life magic user, Terric Conely. Bad news: Terric is losing his own battle with magic. Worse news: A powerful old enemy bent on revenge found out about the broken magic. He stole forbidden technology so he can weaponize magic against the people who destroyed his life. People like Shame and Terric. People like their family and friends. Shame and Terric are holding on by a thread. But that won't stop them from fighting for the people they love. Even if it means losing their humanity. Even if it means losing control of magic. Even if it means they have to die to do it.

Personal Identity and Resurrection Georg Gasser, 2016-09-17 What happens to us when we die? According to Christian faith, we will rise again bodily from the dead. This claim raises a series of philosophical and theological conundrums: is it rational to hope for life after death in bodily form? Will it truly be we who are raised again or will it be post-mortem duplicates of us? How can personal identity be secured? What is God's role in resurrection and everlasting life? In response to these conundrums, this book presents the first ever joint work of leading philosophers and theologians on life after death. This is an impressive demonstration of interdisciplinary cooperation between philosophy and theology. Various models are offered which depict what resurrection into an incorruptible post-mortem body might look like. Therefore this book is an indispensable resource for anyone interested in the doctrine of bodily resurrection - be they philosophers, theologians, scholars in religious studies, or believers interested in examining their faith.

Japanese Tales Royall Tyler, 2012-08-22 Two hundred and twenty tales from medieval Japan—tales that welcome us into a fabulous faraway world populated by saints, scoundrels, ghosts, magical healers, and a vast assortment of deities and demons. Stories of miracles, visions of hell, jokes, fables, and legends, these tales reflect the Japanese civilization. They ably balance the lyrical and the dramatic, the ribald and the profound, offering a window into a long-vanished culture. With black-and-white illustrations throughout Part of the Pantheon Fairy Tale and Folklore Library

Local Societies in Bronze Age Northern Europe Nils Anfinset, Melanie Wrigglesworth, 2014-10-14 This book aims to understand the process of the Bronze Age societies of Northern Europe which are often regarded as the periphery and a bleak contrast to the Central European Bronze Age. The Bronze Age is the first globalised period with new types of societies and new modes of exchange and trade. In this context there is considerable local variation and diversity within the Bronze Age societies of Northern Europe which is poorly understood, although there have been advances and changes in this research. Therefore this book challenges some of the mainstream opinions on the Bronze Age of Northern Europe, and focus on local and regional aspects. This is done by a series of articles from significant contributors that deal with these issues on theoretical and empirical levels, with regards to differences, cultural dualism, boundaries, regions and regionality in a period of increased globalisation. The result is a movement away from local and regional aspects toward communications, travels

and contacts between northern Europe and the greater world, not only towards Central Europe and the Near East but also towards the east. Northern/Arctic Europe is often left out in these discussions, and this book will contribute to this greater picture of the Bronze Age world.

The Watchtower Lee Carroll, 2011-08-02 What secrets are hidden in her past . . . ? Jewelry designer Gareth James is still coming to terms with the astounding revelation in *BLACK SWAN RISING* that she is the last in a long line of women sworn to protect the world from evil. Now she has received a sign from Will Hughes, the 400-year-old vampire who once helped her defeat the evil threatening to destroy New York City. Hughes, tortured by his own violent history which is vividly reenacted here, has asked her to join him on a quest to rid himself of his curse of vampirism. While looking for Will in Paris, Gareth encounters a number of mysterious figures—an ancient botanist metamorphosed into the oldest tree in Paris, a gnome who lives under the Labyrinth at the Jardin des Plantes, a librarian at the Institut Oceanographique, and a dryad in the Luxembourg Gardens. Each encounter leads Gareth closer to finding Will Hughes, but she realizes that she's not the only one who's trying to find the way to the magical world called the Summer Country. As Gareth struggles to understand her family legacy, each answer she finds only leads to more questions—and to more danger.... Out of the Shadows of Angkor Sharon May, Christophe Macquet, Trent Walker, Phina So, Rinith Taing, 2022-09-30 With nearly 400 pages, *Out of the Shadows of Angkor: Cambodian Poetry, Prose, and Performance through the Ages* is an outstanding collection of classic and contemporary writing. The volume emerges from the thirty-year effort of a community to gather Cambodian literary and cultural works. In doing so, they not only translated rare works into English for the first time, but also helped to rescue writing lost during the Khmer Rouge regime (1975–1979). Readers will find the following and more: –Cambodian writing ranging over fourteen hundred years, from the seventh century to the present; –translations of classical texts; selections of modern Cambodian poetry, prose, and folk theater; –contemporary writings by Cambodian refugees and children of the diaspora living in countries from Australia to the United States, Canada, and Europe; –visual art, including oil paintings by Theanly Chov and excerpts from a graphic novel by Tian Veasna. “The work included in *Out of the Shadows of Angkor* is just a part of the vast, diverse repertoire of Cambodian literature created by those born in Cambodia, in the camps, and in new lands. Soth Polin once told me, ‘What we have lost is indescribable . . . what we have lost is not reconstructable. An epoch is finished. So when we have literature again, it will be a new literature.’ We hope this book brings out of the shadows some of the lost, hidden, and emerging gems of Cambodian literature—past, present, and moving into the future.” —From the overview essay by guest editor Sharon May

HERS Chung Lip MPH CHES BS BSN RN, 2023-01-19 It has been over ten years since I left Cambodia. Not a day has passed I don't think of the alternative of my life if I was not given the opportunity to leave, to have a family, and to have the education I do today. My life journey was unique, yet I am not the only one who experienced incredible hardship. I was one of the millions of children around the world who had the potential to make a difference if only they were given the opportunity

to do so. This book is about the true story of one of these unknown children who was fortunate enough to have the opportunity to change not only his life but others around him in ways he had never imagined possible. I did not write this book for me but for all the children whose lives and experiences are unknown and unheard of to the world because they do not have the privilege of knowledge and opportunity to tell their stories. You and I, just like our life stories, don't have to be beautiful because we are real. Over the years, I found that sharing my life journey with those who are willing to accept me for who I am have been a tremendous help for me to cope with all that I went through. This story is one of the countless others that someone has yet to share. Whether it is through word of mouth or written scripts, I hope that my story finds its way to your heart and inspires you to share yours. I thank you for reading this memoir from the beginning to the end. It has been a privilege to be in my position, to be able to voice myself, and to be heard.

The Far Arena Richard Ben Sapir,2015-10-13 Released from the Arctic ice after two millennia, a Roman gladiator contends with his haunted memories and the modern world in this marvelous novel (Los Angeles Times). While exploring the polar expanse for an oil company, geologist Lew McCardle discovers something remarkable: a body encased in the ice. Even more remarkable, the skills of a Russian researcher bring the man miraculously back to life. This strange visitor from the distant past has an amazing story to tell. With the help of a Nordic nun who translates from his native Latin, Lucius Aurelius Eugenianus reveals that in the era of Domitian he was a champion in the ancient Roman Coliseum, a gladiator known far and wide as the greatest of all time. But now the warrior Eugeni must readjust to this new world, with its bizarre customs, hidden traps, and geopolitical and moral complexities, as he struggles to come to terms with painful memories of loves and glories lost, and the bloodthirsty imperial politics and heartbreaking betrayals that ultimately led him to this time and place. An ingenious amalgam of science fiction, fantasy, and history, Richard Ben Sapir's *The Far Arena* is a breathtaking work of literary invention, at once thrilling, poignant, and thought-provoking.

In the Beginning Gabriel Baptiste, 2023-09-19 This book is dedicated to the memory of our late granddaughter Shaney Tillman who left behind the adorable ten-month old, His Royal Majesty, Shane Foster. This charming little warrior was two years and ten-months at the time of this writing; and is currently busy, waging war on the doors of our kitchen cabinets, dishwasher, and refrigerator. We wish him well in his ongoing struggles in life. This documentary, spanning from Creation to Jacob's sojourn in Egypt, is purely the author's imagination. While maintaining strict integrity of the Scriptures, he has transformed the biblical narrative into our modern day language. His aim is twofold. First, to give non-church goers a better perspective of biblical history as opposed to Hollywood's fantasy. Second, to demystify this transformative book, and make it more user friendly. After all, it has survived the test of time to bring us a fresh picture of the genesis of the Creation; the interaction of God's people with friends, and enemies alike; the blunders and repentance of biblical heroes; and God's passionate love for humanity. The narrative outside the biblical texts, and between actors and other involved are purely the author's perception of what transpired among the actors of the biblical narrative. This work should not replace the Bible as

the authority of truth. Bear in mind, the Bible is the original word of God, and anything written hereafter is much inferior to it. The biblical texts utilized in this work were taken from the: NKJV, KJV, NIV, ESV, LSV, GW and other versions of the Bible.
