Willa Cather and Modern Cultures Melissa J. Homestead, Guy J. Reynolds, 2011-10-01 Linking Willa Cather to ?the modern? or ?modernism? still seems an eccentric proposition to some people. Born in 1873, Cather felt tied to the past when she witnessed the emergence of twentieth-century modern culture, and the clean, classical sentences in her fiction contrast starkly with the radically experimental prose of prominent modernists. Nevertheless, her representations of place in the modern world reveal Cather as a writer able to imagine a startling range of different cultures. Divided into two sections, the essays in *Cather Studies*, Volume 9 examine Willa Cather as an author with an innovative receptivity to modern cultures and a powerful affinity with the visual and musical arts. From the interplay between modern and antimodern in her representations of native culture to the music and visual arts that animated her imagination, the essays are unified by an understanding of Cather as a writer of transition whose fiction meditates on the cultural movement from Victorianism into the twentieth century.ø

Gods Of The Egyptians - 2 Vols E. A. Wallis Budge, 2013-10-28 First published in 2005. By far the most thorough, most useful coverage of the gods of Ancient Egypt is this book by Dr. Budge of the British Museum, one of the foremost Egyptologists of the century. In it is presented practically everything known about the high gods, the local gods, demigods, demons, and mythological figures of Khem. This title is the second volume of a two-part series, which covers research and information on Egyptian mythology and culture. It provides full information on the origins of the ancient religion; its

peculiarly Egyptian aspects; evolution of cults, rites, and gods; the priesthoods; the heretical aberration of Ikhnaten and the Aten cult; the cult of Osiris; the Book of the Dead and its rites; the sacred animals and birds; heaven and hell, and much other secret wisdom that has been discovered hidden in mummy cases or written on tomb walls. Richly illustrated, with many reproductions of tomb and mummy-case paintings, with many full texts are presented, with both hieroglyphs and translation. Dr. Budge's book is a standard work in the history of religion. It is also a most useful background book for anyone seriously interested in the life and thought of Ancient Egypt, an explicator of many of the obscurer passages in the Book of Dead.

Daredevil Born Again Frank Miller,2019-06-03 “Y yo os digo... Que un hombre sin esperanza es un hombre sin miedo”. Aquí llega la edición definitiva de la historia definitiva de Daredevil, escrita y dibujada por dos auténticas leyendas del Noveno Arte. Karen Page, el antiguo amor de Matt Murdock, ha cambiado la identidad secreta del Diablo Guardián por una dosis de droga. Ahora, Daredevil debe encontrar fortaleza mientras Kingpin le golpea como nunca antes lo ha hecho. Si sólo puedes tener un libro de Daredevil en tu biblioteca, debería ser éste. Con un pormenorizado ensayo y análisis por parte de Santiago García (La novela gráfica).
