Frank L. Tedeschi

The 40 Day Prayer Challenge SQuire Rushnell, Louise DuArt, 2017-01-10 SQuire Rushnell and Louise DuArt have practiced daily prayer together for sixteen years. Now they offer readers step-by-step advice on why and how to pray with another person. The 40 Day Prayer Challenge answers the question they hear from readers daily: How do you pray with someone else? The authors also explain how Partnered Prayer—which sounds like a new idea, but comes from ancient biblical promises—restores relationships and revitalizes families. Supported by the testimony of dozens of praying partners who themselves became empowered by taking The Challenge, the authors explain how a couple, a mother and son, or two close friends can pray together for five minutes a day for forty days and experience phenomenal outcomes. SQuire and Louise show how churches, small groups, and individual partners can participate in a groundbreaking national initiative called historic—a first-ever empirical study by Baylor University—while personally measuring their own Partnered Prayer progress.

Book 8. «The art of dying. Part 4» Oris Oris,1998-01-01 The author has tried to give the most detailed answers to specific questions through his many years of experience of independent out-of-body explorations of the Ethereal World: how to die correctly? How to learn to accept your death in time? How the transformation of subtle bodies takes place during the postmortem transition? This book, describing in the most detailed way the changing state of a person's Consciousness during the process called «dying» and his Soul's presence in various vibrations of the energies of the Astral, is also a kind of manual of religious therapy and eschatological psychosurgery, carried out through the most detailed texts of “Instructions” read by relatives for the dying ones or an already dead person in order to strengthen and awaken his Consciousness before the Transition to the Other World. Among other things, this book can safely be classified as one of the most detailed travel guides to the many realms and spheres of the Ethereal World, which we commonly refer to as the «afterlife».
