Christian America and the Kingdom of God Richard T. Hughes,Christina Littlefield,2025-03-11 The myth of a Christian America fuels a powerful political force sure of its moral superiority and intent on implementing a Christian nationalist agenda. Richard T. Hughes and Christina Littlefield draw on discussions of civil religion and forms of nationalism to explore

the complex legal and cultural arguments for a Christian America. The authors also provide an in-depth examination of the Bible's words on the "chosen nation" and "kingdom of God" that Christian nationalists quote to support the idea of the US as a Christian nation. A timely new edition of the acclaimed work, *Christian America and the Kingdom of God* spotlights how the centuries-long pursuit of a Christian America has bred an aggressive white Christian nationalism that twists faith, unleashes unchristian behavior, and threatens the nation.

Messianism Among Jews and Christians William Horbury, 2016-03-10 William Horbury considers the issue of messianism as it arises in Jewish and Christian tradition. Whilst Horbury's primary focus is the Herodian period and the New Testament, he presents a broader historical trajectory, looking back to the Apocrypha and pseudepigrapha, and onward to Judaism and Christianity in the Roman empire. Within this framework Horbury treats such central themes as messianism in the Apocrypha and pseudepigrapha, the Son of man and Pauline hopes for a new Jerusalem, and Jewish and Christian messianism in the second century. Neglected topics are also given due consideration, including suffering and messianism in synagogue poetry, and the relation of Christian and Jewish messianism with conceptions of the church and of antichrist and with the cult of Christ and of the saints. Throughout, Horbury sets messianism in a broader religious and political context and explores its setting in religion and in the conflict of political theories. This new edition features a new extended introduction which updates and resituates the volume within the context of current scholarship.

Kingdom Mechanics Allen Wooten, 2009-11-30 The entire Bible is about a King, his kids, and a Kingdom. Without understanding Kingdom principles, you cannot understand the complete message of the Bible. God is not interested in abandoning Earth like most churches teach. His heart is to restore it. This is why we return to Earth in the Book of Revelation. God is saving souls so he can in turn salvage their purpose. God says neither he nor his purposes ever change. So, why do we teach that they did? This Bible study expands our limited salvation message to the full message of the Gospel of the Kingdom that Jesus preached, returning us to meaningful and powerful lives advancing his Kingdom on Earth. Join me in understanding how to operate in God's Kingdom right here, right now!

The Theocratic Kingdom George N. H. Peters, 2014-10-03 In this comprehensive theological work, George Peters presents a detailed examination of the concept of the theocratic kingdom in the Bible. He traces the theme of God's rule and reign throughout Scripture, from the Old Testament promises to Israel to their ultimate fulfillment in Christ and the future millennial kingdom. Peters offers a thoughtful and well-researched perspective on the nature and purpose of the theocratic kingdom, providing valuable insights for students of biblical theology.

Kingdom through Covenant (Second Edition) Peter J. Gentry, Stephen J. Wellum, 2018-09-20 *Kingdom through Covenant* is a careful exposition of how the biblical covenants unfold and relate to one another—a widely debated topic, critical for understanding the narrative plot structure of the whole Bible. By incorporating the latest available research from the ancient

Near East and examining implications of their work for Christology, ecclesiology, eschatology, and hermeneutics, scholars Peter J. Gentry and Stephen J. Wellum present a thoughtful and viable alternative to both covenant theology and dispensationalism. This second edition features updated and revised content, clarifying key material and integrating the latest findings into the discussion.

The Essence of God's Kingdom Elwyn Lewis,2013-05 Are you locked up, locked out, and pressured by the way the governing powers are forcing their will on you? Are you fed up with where the circumstances of life are taking you? Are you feeling the pressure of the cares and uncertain security in the society in which you live? God, our heavenly Father, has a plan to rescue you from this evil world in which you live (Galatians 1:4). There is another kingdom that God has prepared for those who believe in His Son, Jesus Christ. In this kingdom, it is possible to live in peace, above the cares of life. Many today are searching for answers to the weary life and present-day pressures. The purpose of Jesus' coming was to give every believer a rich and satisfying life (John 10:10). Learning to live in God's kingdom, while continuing to deal with the corruption of an evil

world, is a miracle that comes only by the abundant grace of God, His divine influence being applied to one's spirit, soul, and body. Here, Dr. Lewis seeks to introduce you to God's fundamental nature, qualities, attributes, and characteristics, and the ability of the believer, under the power of the Holy Spirit, to live by the precepts of His kingdom and overcome the works of darkness.
