Lead Your Family Like Jesus Ken Blanchard, Tricia Goyer, Phil Hodges, 2013-03-01 Does your family need a five-star general at the helm? A psychologist? A referee? Ken Blanchard, best-selling co-author of *The One Minute Manager* and *Lead Like Jesus*, points to a better role model: the Son of God. Joined by veteran parents and authors Phil Hodges and Tricia Goyer, renowned business mentor Blanchard shows how every family member benefits when parents take the reins as servant-leaders. This user-friendly book's practical principles and personal stories mark the path to a truly Christ-centered family, where integrity, love, grace, self-sacrifice, and forgiveness make all the difference.

This indicates that building a successful, long-lasting marriage is not easy. But according to God's plan, marriage is to be enjoyed, not endured. Your marriage will thrive and succeed if you do things God's way. In this book, *Enemies of Your Marriage*, I am sharing with you what will not make your marriage thrive. I have identified twelve enemies of your marriage. There are forces working against the success of the marriage. These common problems can be avoided, fixed or resolved using many tips offered in this book. If you address them or avoid them, you will enjoy your marriage and be happy.

I Am Brave. I Am Strong. I Am Kind. Kristin Snow, 2019-01-04 There is a lie trying to forge roots into the hearts of those of us that follow Jesus. This lie will steal our joy, ransack our hearts, and leave us bitter. We can hear the lie when someone denies the bravery that they hold as a child of God. We can see it when someone backs down from doing what God asks them to do. We can feel it when the strength it takes to be kind is fleeting. This lie can overwhelm us. It can keep us frozen in fear and make us walk away from doing what we know is right. This lie will keep us in the same spiritual place that we have been for the last ten years. Our enemy will whisper to us the lie that we are not brave, we are not strong, and we are not kind. But the truth that exists in God's word tells us something so very different and defeats every lie told to us. Through Jesus, we are brave enough to do anything He could ask us to do. We are strong enough to push through any fear and overcome. We are kind enough to show the overwhelmed person the love that was first shown to us. We have to learn how to overcome the enemy's lies about who he says we are and live in the chain-breaking truth about who God says we are! I think it's time that we learned to live this life as overcomers, victors, and redeemed children of God. We have to walk in His truth

and learn to define ourselves by who God says we are! I am brave. I am strong. I am kind. So are you, child of God. Learn to live it!

In Every Season Alvin Frank, 2023-10-30 Life is composed of many seasons—not just the meteorological ones, but also the physical, emotional, and spiritual ones we journey through on the path of life. In *Every Season: 101 Devotionals for the Journey*, Pastor Alvin Frank takes readers through a variety of Old and New Testament scriptures that align not only with annual seasons but also with the expected (and unexpected) seasons of our lives. By focusing on themes such as love, salvation and the cross, redemption, and transformation, Pastor Frank encourages readers to navigate each season with hope and trust in the God who loves them intimately. Over the course of the 101 devotionals, readers will be challenged to have the faith of Nehemiah, the courage of Esther, and the mind of Christ. They'll grow in their faith and knowledge of God as our Father, who is passionate in His love for us and never stops working on our behalf, even when we can't see or feel it. Through it all, the death and resurrection of Jesus Christ acts as an anchor in every season of life. *In Every Season* meets readers where they are on their personal spiritual journeys, and the insights and reflections contained within its pages will help them take the next step closer to God. This inspirational devotional is ideal for both individual and group study, and will be a valuable companion in times of prayer and scripture study.

Khayyam In Rhyme Reza Noubary, 2021-04-15 To date, more than 11,000 books have been written about Omar Khayyam's life, poetry, philosophy, and contributions to mathematics and astronomy. His Rubaiyat (stanzas of four quatrains or lines) has charmed tens of millions of hearts around the world and is among the most read of all time. Khayyam has been appropriately called the poet of destiny. What makes his work fascinating is the realization that he, unlike most poets of his era, was not a fatalist. In fact, accepting his philosophy and heeding his advice means shifting focus from the external, be it mystical or sensual, to the internal and arriving at that the ultimate truth that in life all that matters is love and joy; all else is fantasy and fallacy. Although Khayyam has been known to the scientific community for centuries, he shot into fame in the western world only after publication of Edward FitzGerald's (1809-1883) translation of Rubaiyats/Rubais in Victorian England. This book presents poem-to-poem translations of some of Khayyam's popular Rubaiyat to English- both literally and

conceptually. The translations follow the style of the original poems. It also includes some of the translator's/author's own poems inspired by Khayyam.

Brave and Confident Against Bullying Malak Ahmed Nour, 2025-04-12 I wrote my first story at the age of 13, and it was a story about a brave girl named Laila who faced bullying but found the courage to achieve her dreams. As I wrote about Laila, I realized that her story was also my story. Like Laila, I learned that the path to success isn't always smooth, but it's the

resilience and determination to keep going that truly matter. The theme of this book is simple but powerful: you are the architect of your own future. Your dreams are not defined by your age or by the challenges you face. They are defined by your ability to believe in yourself, to overcome obstacles, and to stay true to your vision. This book is as much for me as it is for anyone who picks it up. It's my way of reminding myself of how far I've come and how much I can achieve in the future. It's my message to others, especially young people, that your voice matters and your dreams are valid. I want to show you that you don't have to wait until you're older or have a perfect plan to start. You can start now. I hope that through my words, you find the courage to chase your own dreams, to never give up, and to always believe in the power of your voice. This is just the beginning of my journey, and I can't wait to see where writing takes me next.

Forgiveness Vladimir Jankélévitch, 2024-07-12 Philosopher Vladimir Jankélévitch has only recently begun to receive his due from the English-speaking world, thanks in part to discussions of his thought by Jacques Derrida, Emmanuel Lévinas, and Paul Ricoeur. His international readers have long valued his unique, interdisciplinary approach to philosophy's greatest questions and his highly readable writing style. Originally published in 1967, *Le Pardon*, or *Forgiveness*, is one of Jankélévitch's most influential works. In it, he characterizes the ultimate ethical act of forgiving as behaving toward the perpetrator as if he or she had never committed the action, rather than merely forgetting or rationalizing it—a controversial notion when considering events as heinous as the Holocaust. Like so many of Jankélévitch's works, *Forgiveness* transcends standard treatments of moral problems, not simply generating a treatise on one subject but incorporating discussions of topics such as free will, giving, creativity, and temporality. Translator Andrew Kelley masterfully captures Jankélévitch's melodic prose and, in a substantive introduction, reviews his life and intellectual contributions. *Forgiveness* is an essential part of that legacy, and this indispensable English translation provides key tools for understanding one of the great Western philosophers of the twentieth century.

Holistic Life Awareness Dragisa Doug Jovanovic, 2022-02-22 The book is an invitation to join harbingers of the Holistic Life Awareness. All there is, is but one thing: Life. All inside and outside, above and below, in the water, air or ground, in the sky is Life. One Life. Universal Principles, unlike values, are objective and internal- innate. The principles are not an invention, but immutable laws of the Universe applied to human Life. That realisation brings us to Holistic Life Awareness, our true nature, our Spirituality. Being a Spiritual person is not the same as being a religious person. One can be spiritual without following any specific religion. Awareness of Oneness of Life and Kinship makes every separation the Life opposing ideas. The book presents the way of applying Holistic Awareness in business and as the best healing practice. As everything starts with a thought, the book offers a Thought Replacement Station to replace harmful for beneficial. Our thoughts create our feelings dictating our actions, which become our life experiences. Visit website: holisticlifeawareness.com.au

Brave New World Aislinn Goodman, 2009 Huxley's imaginatively futuristic novel, unprecedented at the time of its

publication in 1932, warns of the dangers of sacrificing freedom and individuality for scientific progress and social stability.

Leo Ascendant Secrets Saket Shah,2020-01-05 There are times when people just can't identify with the attributes of their Sun or Moon sign. In fact, they may feel that they are an antithesis of their zodiac sign. You may also have observed it. Your Leo friend may not seek attention, may be because he or she has a Capricorn ascendant. Your Sagittarius friend is very possessive, may be because he or she has a Scorpio Ascendant. It is easy to understand why some people do not correspond to their Sun or Moon signs once you know about what is the rising sign or Ascendant in a horoscope. Ascendant is the degree of the zodiac sign that was highest on the Eastern horizon at the time and place of birth. When seen from Earth, the sky seems to move, so the entire zodiac can be observed in a span of 24 hours day which means the rising sign changes on the Eastern horizon every 2 hours because there are 12 zodiac signs. People tend to associate their physical, emotional and spiritual attributes more with rising sign at times.

The Road Home Darrell Puls,2013-03-22 Remarkably, as many as sixty-six thousand churches are in conflict at this moment, and one-third of those will experience permanent damage. Though Christ commanded his followers to forgive, we often don't, and that lack of forgiveness poisons all of our relationships. Churches are particularly vulnerable to unforgiveness for a simple reason--no one has taught us what forgiveness actually is, how it benefits the forgiver and the forgiven, and, most importantly, how to forgive. The Road Home provides a pathway to forgiveness and healthy reconciliation for churches wounded by conflict. While the road it follows is not easy--just as forgiving is not easy--the result is an explosion of grace and restoration, taking relationships beyond where they were to where they were meant to be.

Jubilee Mel Lawrenz,2008-08-01 The Jubilee theme is the Old Testament concept of declaring a special season for attaining spiritual renewal. In Jubilee, Mel Lawrenz skillfully takes readers through a season of renewal, pausing to examine the following themes and inviting readers to consider their own lives and their response to God: -Sabbath: a time and an attitude in which we rehearse that God and God alone is in control -Proclamation: knowing what we stand for in life, and letting others know it -Redemption: being freed by God's great acts of deliverance -Freedom: cherishing the liberty that God brings to every area of life -Forgiveness: accepting the mercy of God and releasing those we have held indebted to ourselves - Healing: letting God restore our spirit, our body and our relationships -Justice: standing for what is right and being an advocate for those who are downtrodden
