*Lost Boy* Christina Henry, 2017-07-04 From the national bestselling author of *Alice* comes a familiar story with a dark hook—a tale about Peter Pan and the friend who became his nemesis, a nemesis who may not be the blackhearted villain Peter says he is... There is one version of my story that everyone knows. And then there is the truth. This is how it happened. How I went from being Peter Pan's first—and favorite—lost boy to his greatest enemy. Peter brought me to his island because there were no rules and no grownups to make us mind. He brought boys from the Other Place to join in the fun, but Peter's idea of fun is sharper than a pirate's sword. Because it's never been all fun and games on the island. Our neighbors are pirates and monsters. Our toys are knife and stick and rock—the kinds of playthings that bite. Peter promised we would all be young and happy forever. Peter lies.

[The House That Horror Built](#) Christina Henry, 2024-05-14 A single mother working in the gothic mansion of a reclusive horror director stumbles upon terrifying secrets in the captivating new novel from the national bestselling author of *Good Girls Don't Die* and *Horseman*. Harry Adams has always loved horror movies, so it's not a total coincidence that she took the job cleaning house for movie director Javier Castillo. His forbidding graystone Chicago mansion, *Bright Horses*, is filled from top to bottom with terrifying props and costumes, as well as glittering awards from his career making films that thrilled audiences—until family tragedy and scandal forced him to vanish from the industry. Javier values discretion, and Harry has always tried to clean the house immaculately, keep her head down, and keep her job safe—she needs the money to support her son. But then she starts hearing noises from behind a locked door. Noises that sound remarkably like a human voice

calling for help, even though Javier lives alone and never has visitors. Harry knows that not asking questions is a vital part of working for Javier, but she soon finds that the sinister house may be home to secrets she can't ignore.

Looking Glass Christina Henry, 2020-04-21 In four new novellas, Christina Henry returns to the world of Alice and Red Queen, where magic runs as freely as secrets and blood. Lovely Creature In the New City lives a girl with a secret: Elizabeth can do magic. But someone knows her secret--someone who has a secret of his own. That secret is a butterfly that lives in a jar, a butterfly that was supposed to be gone forever, a butterfly that used to be called the Jabberwock... Girl in Amber Alice and Hatcher are just looking for a place to rest. Alice has been dreaming of a cottage by a lake and a field of wildflowers, but while walking blind in a snowstorm she stumbles into a house that only seems empty and abandoned... When I First Came to Town Hatcher wasn't always Hatcher. Once, he was a boy called Nicholas, and Nicholas fancied himself the best fighter in the Old City. No matter who fought him he always won. Then his boss tells him he's going to battle the fearsome Grinder, a man who never leaves his opponents alive... The Mercy Seat There is a place hidden in the mountains, where all the people hate and fear magic and Magicians. It is the Village of the Pure, and though Alice and Hatcher would do anything to avoid it, it lies directly in their path...

**Near the Bone** Christina Henry, 2021-04-13 A woman trapped on a mountain attempts to survive more than one kind of monster, in a dread-inducing horror novel from the national bestselling author Christina Henry. Mattie can't remember a time before she and William lived alone on a mountain together. She must never make him upset. But when Mattie discovers the mutilated body of a fox in the woods, she realizes that they're not alone after all. There's something in the woods that wasn't there before, something that makes strange cries in the night, something with sharp teeth and claws. When three strangers appear on the mountaintop looking for the creature in the woods, Mattie knows their presence will anger William. Terrible things happen when William is angry.

Horseman Christina Henry, 2021-09-28 In this atmospheric, terrifying novel that draws strongly from The Legend of Sleepy Hollow, the author of Alice and The Girl in Red works her trademark magic, spinning an engaging and frightening new story from a classic tale. Everyone in Sleepy Hollow knows about the Horseman, but no one really believes in him. Not even Ben Van Brunt's grandfather, Brom Bones, who was there when it was said the Horseman chased the upstart Crane out of town. Brom says that's just legend, the village gossips talking. More than thirty years after those storied events, the village is a quiet place. Fourteen-year-old Ben loves to play Sleepy Hollow boys, reenacting the events Brom once lived through. But then Ben and a friend stumble across the headless body of a child in the woods near the village, and the discovery makes Ben question everything the adults in Sleepy Hollow have ever said. Could the Horseman be real after all? Or does something even more sinister stalk the woods?

The Girl in Red Christina Henry, 2019-06-18 From the national bestselling author of Alice comes a postapocalyptic take on

the perennial classic Little Red Riding Hood...about a woman who isn't as defenseless as she seems. It's not safe for anyone alone in the woods. There are predators that come out at night: critters and coyotes, snakes and wolves. But the woman in the red jacket has no choice. Not since the Crisis came, decimated the population, and sent those who survived fleeing into quarantine camps that serve as breeding grounds for death, destruction, and disease. She is just a woman trying not to get killed in a world that doesn't look anything like the one she grew up in, the one that was perfectly sane and normal and boring until three months ago. There are worse threats in the woods than the things that stalk their prey at night. Sometimes, there are men. Men with dark desires, weak wills, and evil intents. Men in uniform with classified information, deadly secrets, and unforgiving orders. And sometimes, just sometimes, there's something worse than all of the horrible people and vicious beasts combined. Red doesn't like to think of herself as a killer, but she isn't about to let herself get eaten up just because she is a woman alone in the woods....

**The Ghost Tree** Christina Henry, 2025-08-26 When people go missing in the sleepy town of Smith's Hollow, the only clue to their fate comes when a teenager starts having terrifying visions, in a chilling horror novel from national bestselling author Christina Henry. When the bodies of two girls are found torn apart in the town of Smiths Hollow, Lauren is surprised, but she also expects that the police won't find the killer. After all, the year before her father's body was found with his heart missing, and since then everyone has moved on. Even her best friend, Miranda, has become more interested in boys than in spending time at the old ghost tree, the way they used to when they were kids. So when Lauren has a vision of a monster dragging the remains of the girls through the woods, she knows she can't just do nothing. Not like the rest of her town. But as she draws closer to answers, she realizes that the foundation of her seemingly normal town might be rotten at the center. And that if nobody else stands for the missing, she will.

*The Collected Peter Pan* J. M. Barrie, 2019-09-19 'To die will be an awfully big adventure.' Peter Pan, the boy who refused to grow up, is one of the immortals of children's literature. J. M. Barrie first created Peter Pan as a baby, living in secret with the birds and fairies in the middle of London, but as the children for whom he invented the stories grew older, so too did Peter, reappearing in Neverland, where he was aided in his epic battles with Red Indians and pirates by the motherly and resourceful Wendy Darling. Peter Pan has become a cultural icon and symbol for escapism and innocence, remaining popular with both children and adults. In this collected edition, Robert Douglas-Fairhurst brings together five of the main versions of the Peter Pan story, from Peter Pan's first appearance in *The Little White Bird*, to his novelisation of the story, the stage version, and unrealised silent film script. This edition contains a lively introduction, detailed explanatory notes, original illustrations, and appendices that include Barrie's coda to the play that was only performed once.

**Canon Fanfiction** Christine Schott, 2023-01-30 Several scholarly fields investigate the reuse of source texts, most relevantly adaptation studies and fanfiction studies. The limitation of these two fields is that adaptation studies focuses

narrowly on retelling, usually in the form of film adaptations, but is not as well equipped to treat other uses of source material like prequels, sequels, and spinoffs. On the other hand, fanfiction studies has the broad reach adaptation studies lacks but is generally interested in underground production rather than material that goes through the official publication process and thus enters the literary canon. This book sits in the gap between these fields, discussing published novels and their contribution to the scholarly engagement with their pre- and early modern source material as well as applying that creative framework to the teaching of literature in the college classroom.
