Dog Poems Various, 2021-02-09 This handsome gift edition will appeal to anyone who is a dog lover, or a poet, or a poetry lover: in short, just about anyone. Our canine companions offer us friendship, love, understanding, all unadulterated. They are our joyful playmates and our furry shoulders to cry on, from the cradle to the grave. This book brings together some of the finest poems on dogs by a range of poets from Diogenes to Dorothy Parker, from Chaucer to Clarice Lispector. Gertrude Stein once said, "I am I because my little dog knows me," and this collection proves it: with their wit, their wisdom, and their delights, these poems—and the dogs that inspired them—hold up a mirror to our better selves. Whether exploding with the joy of a new puppy or mourning the loss of a tender lifelong friend, growling a critique at the more "civilized" habits of humans or simply spending a day in the life of a favorite pet, these poems offer something to dog lovers, poets, and poetry readers: in short, just about everyone.

West Wind Mary Oliver, 1997 A collection of forty poems that explore the transformation of love and nature over time.

The Book of Pet Love and Loss Sara Bader, 2023-06-13 A powerful collection of quotations by writers, leaders, and legends on the pain of losing a pet and overcoming grief. An animal's love is deep, uncomplicated, unconditional, and forgiving. "Affection without ambivalence" is how Sigmund Freud described the connection. "No matter how awful the day, or how awful I am behaving at any given moment, George doesn't care," writes journalist John Dickerson. "He finds me smoldering in my chair and dashes to my lap." Our lives are intricately intertwined with our pets, and together, over time, we establish rituals that are as steady as a metronome. It's no wonder the grief is crushing when they depart—even those who've had time to prepare describe feeling stunned, devastated, and cracked in two. "We were a bit broken up over the death of our black Persian cat," crime novelist Raymond Chandler confessed. "When I say a bit broken up, I am being conventional. For us it was a tragedy." Nobel Prize-winning author V. S. Naipaul described the experience as "calamitous," and writer May Sarton called it a "volcanic eruption of woe." Poet Emily Dickinson was so bereft she asked for help: "Carlo died," she announced in a letter to her friend Thomas Wentworth Higginson in 1866. "Would you instruct me now?" *The Book of Pet Love and Loss* is a collection of quotations—poignant thoughts and memories discovered in letters, journals, diaries, memoirs, and other original sources—from beloved cultural figures who understood this singular experience so deeply, they felt compelled to write about it. This book dignifies the profound connection we share with our animal companions, but it also provides solace as mourners document their heartache over the loss of their cats, dogs, rabbits, birds, and other animals—even, in the case of Pablo Neruda, a mongoose. Their comforting and wise words are what every animal lover needs on this journey of heartbreak and healing.

Upstream Mary Oliver, 2019-10-29 One of O, The Oprah Magazine's Ten Best Books of the Year The New York Times bestselling collection of essays from beloved poet, Mary Oliver. "There's hardly a page in my copy of *Upstream* that isn't folded down or underlined and scribbled on, so charged is Oliver's language . . ." —Maureen Corrigan, NPR's *Fresh Air* "Uniting essays from Oliver's previous books and elsewhere, this gem of a collection offers a compelling synthesis of the poet's thoughts on the natural, spiritual and artistic worlds . . ." —The New York Times "In the beginning I was so young and such a stranger to myself I hardly existed. I had to go out into the world and see it and hear it and react to it, before I knew at all who I was, what I was, what I wanted to be." So begins *Upstream*, a collection of essays in which revered poet Mary Oliver reflects on her willingness, as a young child and as an adult, to lose herself within the beauty and mysteries of both the natural world and the world of literature. Emphasizing the significance of her childhood "friend" Walt Whitman, through whose work she first understood that a poem is a temple, "a place to enter, and in which to feel," and who encouraged her to

vanish into the world of her writing, Oliver meditates on the forces that allowed her to create a life for herself out of work and love. As she writes, "I could not be a poet without the natural world. Someone else could. But not me. For me the door to the woods is the door to the temple." Upstream follows Oliver as she contemplates the pleasure of artistic labor, her boundless curiosity for the flora and fauna that surround her, and the responsibility she has inherited from Shelley, Wordsworth, Emerson, Poe, and Frost, the great thinkers and writers of the past, to live thoughtfully, intelligently, and to observe with passion. Throughout this collection, Oliver positions not just herself upstream but us as well as she encourages us all to keep moving, to lose ourselves in the awe of the unknown, and to give power and time to the creative and whimsical urges that live within us.

Ten Poems to Open Your Heart Roger Housden, 2007-12-18 Ten Poems to Open Your Heart is a book devoted to love: to the intimacy of personal love and lovemaking, to a loving compassion for others, and to the love that embraces both this world and the next. This new volume from Roger Housden features a few of the same poets as his extraordinarily moving Ten Poems to Change Your Life, such as Mary Oliver and Pablo Neruda, along with contributions from Sharon Olds, Wislawa Szymborska, Czeslaw Milosz, Denise Levertov, and others. Any one of the ten poems and, indeed, any one of Housden's reflections on them, can open, gladden, or pierce your heart. Through the voices of these ten inspiring poets, and through illustrations from his own life, Housden expresses the tenderness, beauty, joys, and sorrows of love, the presence of which, more than anything else, gives human existence its meaning. As Housden says in his eloquent introduction, "Great poetry happens when the mind is looking the other way and words fall from the sky to shape a moment that would normally be untranslatable. . . . When the heart opens, we forget ourselves and the world pours in: this world, and also the invisible world of meaning that sustains everything that was and ever shall be." From the Hardcover edition.

Selected Poems Hélène Aji, Jennifer Kilgore-Caradec, 2013-01-16 Complete poems are bulky and too heavy to carry around. Collected poems pretend to be complete, but usually are not. Selected poems are altogether unpretentious and reader-friendly. But they can be problematic. Who decides what poems are important for inclusion in a volume of selected poems? When the selection occurs during the author's lifetime, may one assume that the author was involved? What motivates the choice of one poem over another? How do readers' preferences influence this choice? How do new readers and familiar readers of a poet negotiate the poems that are left out of the selection? The essays in this volume address these questions in a variety of ways, and also provide an overview of poetic writing from modernist poets to the present day, using selections from the 1940s until now. They offer new insight into the uses, both pedagogical and critical, of selection. Because Selected Poems usually address a large general public, these essays have also been written for all those who wish to know more about how these slimmer, more attractive volumes are produced.
